The Carolina Collegiate Institute opened its Spring session this week with seventy-five pupils, with a number of applicants who will enter in a few days. The indications of a prosperous session are very flattering.

Savannah Township organized a Cavalry company on the 12th inst., with the following officers: Wm. Jones, Captain; J. T. C. Jones, Lieutenant; A. N. Sanders, 2nd Lieutenant; W. E. Stewart, 3rd Lieutenant.

The Governor has appointed Capt. A. J. Sitton an A. D. Camp, with the rank of Lieutenant-Colonel. Col. Sitton, as the commandant of the first company who wore the red shirts of 1876, merits the military distinction conferred upon him.

We are requested to announce that there will be a meeting of the citizens of Hall Township at the Carroll Institute on next Saturday afternoon, at 2 o'clock, for the purpose of forming a mounted rifle club. All the citizens of the township are invited to attend.

Martin Township Democratic Club will meet at Clinckens Mill on Saturday, the 29th inst., at 1 o'clock p. m. All of the citizens of Martin township are requested to be present at the meeting. The work of re-organization is important enough, we hope, to attract the attendance of every Democrat.

We had the pleasure of a call on Tuesday from Mr. J. W. Ainger, of Charleston, S. C., who is the agent for the able and interesting Eclectic Magazine, which is published by E. R. Pelton, No. 25 Bond Street, New York. This sterling magazine will be kept on sale at the Postoffice Book Store in Anderson, and we hope many of our citizens will read and subscribe for it.

The members of Gen. W. W. Humphrey's staff have been commissioned, as reported by us two weeks ago, with the addition of Mr. S. H. Prevost, Quartermaster-General and Mr. John W. Williams, Commissary-General, both of whom rank as Major. The Brigade is the 11th Cavalry, and embraces the Counties of Abbeville, Anderson, Oconee and Pickens.

The Governor having removed Samuel Johnson from the office of Jury Commissioner in this County upon the recommendation of the Grand Jury, and having made no appointment in his stead, the County is without this important officer. Our Court is approaching, and our Representatives would do the County a service by securing the appointment of one without delay.

Mr. Samuel George got his right leg caught in the gin upon Mr. George's place, some seven miles from Anderson, on Wednesday, the 9th inst. The flesh was badly torn from the knee down, and the wound is exceedingly painful. Dr. R. F. Dwyer was called in to dress the wound, and the patient has been improving as fast as the nature of his injuries will admit.

New counterfeit five dollar bills have recently been discovered in circulation upon the First National Bank of Hanover, Penn. The paper is thin and color dark, bank number 187, and date February 20, 1864, signed by F. E. Spinner and L. E. Chittenden. It is printed upon the same plate as the counterfeits of the same denomination on the First National Bank of Tanques, Penn., which appeared Sept. 20, 1877. Look out for these counterfeits.

We would ask attention to the advertisement of the Williamson Female College, which furnishing and excellent institution for female education has attained a position in the very front ranks of the Colleges in this State. The spring session will open on Monday the 4th of February. Prof. Lanier's high reputation as a female educator is known throughout the State, and the College over which he presides merits the most extensive patronage.

In our last issue we inadvertently stated that Mr. Prince was the principal of the Williamson Male Academy for this year. Instead of Mr. J. M. Pickett, whose advertisement is given in our columns. Mr. Pickett is a graduate of Furman University, with the degree of A. M., and is a gentleman of very fine scholarly attainments. In him the people of Williamson have secured an excellent gentleman and polished scholar, who will no doubt prove highly acceptable as the principal of their Male Academy.

Mr. Daniel G. Finley, a former resident of this place, was thrown from a horse and killed near his residence, about eighteen miles from Spartanburg, on Wednesday the 9th inst. Mr. Finley was the father-in-law of Mr. John C. Whitfield, of this place, and was well known throughout this section of country for years previous to the war as the popular landlord of the hotel on the north of the public square, now known as the Waverly House. He was 62 years old at the time of his death, and retained the full possession of his mental and physical powers up to the time of his sudden death.

On Tuesday last the letting of the contracts for building the line fences under the new law was cried at public auction from the Court House steps. The bids ranged from \$180 to \$450 per mile, and were all rejected by the County Commissioners, as it

was thought better contracts could be made privately. Indeed, the Commissioners are determined to make the arrangements for the County upon an economical basis as possible, and will not be in any hurry about acting. The law, however, is now in force, and the building of the line fences is not necessary to subject cattle owners to its provisions.

The Chief Justice has announced the roster of Circuit Judges for the Winter session of the Circuit Courts as follows: Judge of the 1st Circuit goes to the 3rd Circuit; Judge of the 2nd Circuit to the 4th Circuit, and so on, ending with the Judge of the 8th Circuit on the 2nd Circuit. This brings us Judge Mackey, the Judge of the 6th Circuit, who will hold our Court, beginning on the third Monday in February next. The same plan of rotation is observed for the Spring sessions, except that the Judges are moved on the next circuit, so that we will have Judge Kershaw, of the 5th Circuit, with us in May.

We are indebted to Col. T. J. Pickett, the accommodating Auditor of this County, for the assessment of real and personal property in this County for the year 1877, the totals of which are: Real estate, \$2,811,079; personal property, including bonds, stocks, &c., \$1,646,874. There are 3,353 persons in the County who pay a poll tax, and he it said, as an evidence of the good sense of our people, that there are only 2,845 dogs in the County, or about one for two men. There are 4,918 horses and mules; 7,185 sheep and goats; 13,792 cattle; and 15,110 hogs. We may make more extended quotations from these assessments at another time.

Col. James A. Hoyt, of the Columbia Register, paid Anderson a brief visit last week, spending Saturday and Sunday in our midst. After his arrival on Friday night, the Anderson Cornet Band, in company with a number of our citizens, repaired to the residence of Mrs. Webb, where he was stopping, and after a serenade of welcome, called loudly for him, in response to which he appeared, and expressed his gratification at being in Anderson, the place of his residence for so many years. He said that the scene upon this occasion was so familiar, that it reminded him of the great year 1876, in which Anderson had made such a magnificent Democratic canvass, and in that that it gave him pleasure to know that the initiatory steps had again been taken to keep this County true to her Democratic record, and urged unity of action upon all of our citizens. He urged the most thorough organization of the Democratic party, and warned our people of the danger to arise in the shape of independent candidates, who should be discontinued by every Democrat. His remarks were well received, and elicited frequent and hearty applause. He was occupied on Saturday in the transaction of private business, and on Monday he returned to Columbia.

STOCKHOLDER'S MEETING.
The stockholders of the Carolina Collegiate Institute held a meeting on last Saturday over which the President, Col. James A. Hoyt, presided. Maj. John B. Moore, the Secretary and Treasurer, reported that the debts of the institution had been fully liquidated, and a resolution instructing the officers to issue the stock to persons entitled to receive it was passed, and will be carried out as soon as possible. The stock amounts to \$10,000, in shares of fifty dollars each. A resolution remitting fifty dollars of last year's rent, and fixing the rent for the present year at \$200 instead of \$300, was adopted, and, in consideration of this reduction, Prof. W. J. Ligon agreed to teach the two beneficiaries from the Masonic Lodge free of tuition. An election for officers was then gone into, upon which Col. Hoyt, in a beautiful and eloquent address upon the subject of education and his interest in the Carolina Collegiate Institute, declined a reelection, after which the following was announced as the result of the election:
President—A. B. Towers.
Directors—N. K. Sullivan, J. W. Norris, B. F. Crayton, T. W. Humphreys, W. H. Nardin, B. F. Whitner, John B. Moore, J. P. Reed, T. M. White, S. Blackley, John B. Watson and J. C. Featherston.
Secretary and Treasurer—John B. Moore.

The institution is now clear of debt, and a prosperous career is confidently anticipated for it by the people of our County.

THE BERGER FAMILY TROUPE.
This splendid company of musical artists, after an absence of several years, are to visit Anderson on next Saturday evening, and give another of their superb entertainments. This troupe are favorites of our citizens, and the announcement of their coming inspires them a full house. The company this season is a very strong one, including, besides the wonderful cornet soloist, Miss Anna Teresa Berger, who of herself is an attraction unequalled in any other company, the Misses Coleman, said to be the most versatile musical artists in America, the renowned saxophone soloist, Miss Etta Morgan, the soprano vocalist, Miss Kate Douglas, and the great humorists and impersonators, Jeffe and Fannie Delano, together with the music of the Swiss Bells and the cornets, harps, violins, &c., etc., will make up an entertainment unequalled for variety and meritorious features. Tickets have been put at reasonable prices, and the sale of reserved seats is now in progress at the Postoffice. We advise all who intend going to secure their seats in good season, as the hall will undoubtedly be filled.

NATIONAL BANK STOCK.
The Spartanburg Herald says: "Several shares of stock in the National Bank of Spartanburg, belonging to the estate of Dr. Alexander Evans, deceased, were sold at Executor's sale last Monday, and brought \$116.50 per share, or \$18.50 above par. This is good evidence of the sound condition of our Bank. Several shares in the National Bank of Anderson brought \$111.00 per share." The last sale of stock in the National Bank of Anderson brought \$125.00 at this place, and it cannot now be bought at all, except where estates are sold; but its value is far above the sale quoted in Spartanburg, and if it had been known here that it was to be offered for sale there would have been bidders from this place present who would have given more for it than the stock of the Spartanburg Bank brought in the instance cited.

THE FENCE LAW.
MR. EDITOR: There seems to be considerable doubt in the minds of the people in regard to the new Fence Law, and numerous enquiries have been made as to when it will go into effect. We desire to state that the Commissioners have declared and published the result of the said election, and that the new Fence Law, according to the Act, and not of the Commissioners, took effect in those Townships adopting it the first day of January, 1878. Parties who suffer their stock to run at large, do so at their own risk. The line fences will be built as soon as practicable, and the fact that they are not built is no license for parties to suffer their stock to run at large.

THE ANDERSON DEMOCRACY.
INTELLIGENCER OFFICE.
ANDERSON, C. H., S. C. Jan. 11, 1878.
Pursuant to call the Executive Committee was convened, with Maj. John B. Moore, 1st Vice Chairman, in the chair. In calling the Committee to order he stated the object of the meeting, and upon calling the roll of members it was ascertained that the following Clubs were represented: Anderson, Belton, Broadway, Brushy Creek, Centreville, Fork No. 2, Garvin, Hopewell, Hunter's Spring, Martin, Pendleton, Rock Mills, Sandy Springs, Savannah, Slabtown and Varennes, leaving only five without representation, to wit: Corner, Fork No. 1, Hall, Hones Path and Williamston.

The Secretary's statement that no records of the last canvass were preserved was received, and his action approved by the Committee.

The report of Col. James A. Hoyt, County Chairman, upon the finances of the Committee, was submitted through the Secretary and approved.

Mr. W. H. D. Gaillard moved to call a Convention of the Democratic party of Anderson County to meet in the Court House on Monday, the 4th day of March next, at 11 o'clock a. m., and after discussion the resolution was unanimously adopted.

The Committee then proceeded to fix the time for the meeting of the various primary Clubs for the purpose of reorganizing and electing delegates to the County Convention.

For the fourth Saturday in January, at 2 o'clock p. m., Garvin Club, Slabtown, Fork No. 1, Rock Mills, Corner, Hall and Hones Path.

On the fourth Saturday, at 1 p. m., Martin Club.

On the fourth Saturday, at 11 a. m., Pendleton Club.

On the first Saturday in February, Sandy Springs Club meets at 1 p. m.

On the first Saturday in February, Hunter's Spring, Williamston and Belton at 2 p. m.

On the second Saturday in February, Centreville and Savannah, at 1 o'clock p. m.

On the second Saturday in February, Broadway Club, at 10 o'clock a. m.

On the second Saturday in February, Varennes and Brushy Creek Clubs meet at 2 o'clock p. m.

On the third Saturday in February, Fork No. 2 meets at 2 p. m.

On Friday, the 25th of January, Hopewell Club meets at 10 o'clock a. m.

On the fourth Saturday in January, Anderson C. H. Club meets at 7 o'clock p. m.

Mr. E. B. Murray offered the following resolutions, which, after remarks from Dr. W. C. Brown and Maj. T. H. Russell, were unanimously adopted by a rising vote.

Resolved, That the Executive Committee hereby express its opinion that the Senators and Representatives in the General Assembly should closely scrutinize the State debt, with a view to selecting the valid and honest portions of it from that which was created in fraud, and which was squandered by officials known to be corrupt.

Resolved, That we favor the repudiation of all of the debt which was created in fraud, and of all the bonds which were sacrificed at nominal prices; and further that we favor the repudiation of all bonds, the proceeds of which were squandered by Republican officials, inasmuch as their character as public plunderers was notorious, and those dealing with them did so at their own risk.

Resolved, That we favor the payment of the valid portion of the debt, for which the State received a valid consideration, according to the rate of composition agreed upon between the creditors of the State under the Consolidation Act.

The following resolution was offered by Mr. E. B. Murray, and unanimously adopted:

Resolved, That it is the opinion of the Executive Committee of the Democratic party of Anderson County, that the prosecution of all persons, whether Democrats or Republicans, who have been in any way connected with the corruption practiced by the Republican officials during the past regime in South Carolina, should be vigorously prosecuted with in good faith and steady earnestness until the guilty have been brought to punishment, without partiality or favor to any one.

Mr. L. E. Campbell stated that Broadway Club had passed a resolution favoring the plan of primary election for the nomination of party candidates, and on motion the action of the Club in this respect was endorsed by the Executive Committee, and recommended to the other Clubs of the County.

Mr. L. E. Campbell also reported that Broadway Club had passed a resolution favoring the reduction of the voting precincts of the town of Anderson from three to one. The Committee endorsed this action of the Club, and requested the Senators and Representatives from this County to secure the necessary legislation to carry this into effect, and also requested the abolition of the election precinct at Calhoun in this County.

On motion of Mr. J. Belton Watson, the Executive Committee recommended to the Primary Clubs that they continue their former Constitution and By-Laws until the next County Convention meets.

On motion of Mr. W. W. Russell, the proceedings of the meeting were ordered to be published in the Anderson papers, and in the Columbia Register.

The Committee then adjourned, subject to the call of the chairman.

JOHN B. MOORE,
1st Vice Chairman.
E. B. MURRAY, Secretary.

TO DEMOCRATIC CLUBS.
We would call attention to the fact that Democratic Clubs in sending up delegates to the County Convention, are entitled to two delegates for the first fifty members, or part thereof, on their roll, and one for every twenty-five members over this number. Clubs would also do well to select their member for the next Executive Committee.

MR. EDITOR: As one of the cotton buyers of the town of Anderson, I desire to correct an error in regard to the sale of cotton. I see that a resolution "relating to the undue advantage attempted by the cotton buyers, by requiring the producer or seller to lose the weights of bagging and ties on all cotton sold," has been adopted by Clio Grange and concurred in by Flat Rock Grange. Now, I desire to state that there has been no deduction for bagging and ties on cotton bought in the Anderson market at any time. There is a regulation, however, deducting 15 pounds on all cotton weighing under 300 pounds per bale, as it is not considered a merchantable bale. We make this correction with all the respect to the gentlemen belonging to these Granges.

ANDERSON COTTON BUYER.
Why suffer with a bad cold if one bottle of Dr. Bull's Cough Syrup will cure a cough of the worst kind. Dr. Bull's Cough Syrup is sold for 25 cents per bottle, or five bottles for \$1.00 in every respectable drug store in the United States.

"German Syrup."
No other medicine in the world was ever given such a test of its curative qualities as Boscch's GERMAN SYRUP. In three years two million four hundred thousand bottles of this medicine were distributed free of charge by Druggists in this country to those afflicted with Consumption, Asthma, Croup, severe Coughs, Pneumonia and other diseases of the throat and lungs, giving the American people undeniable proof that GERMAN SYRUP will cure them. The result has been that Druggists in every town and village in the United States are recommending it to their customers. Go to your Druggist, Simpson, Reid & Co., and ask what they know about it. Sample Bottles 10 cents. Regular size 75 cents. Three doses will relieve any case.

HONES PATH.
The smell of guano reminds us of preparations for another crop; but the farmers have been able to do but little work since the beginning of the year, on account of rain, snow, ice, &c..... Good time to make home-made fertilizers..... When the spring time comes guano will go off lively, and in the fall everybody will go off lively, may-be..... Prof. Reed's school has opened favorably. Other schools will be located by the trustees of the township whenever applications are made. It is intended by the trustees to locate schools where they will be most convenient for different sections..... Mr. A. W. Hudgens has formed "business relations with a prominent mercantile firm at Easley's Station, and on Tuesday morning last, left us for his new home. May success attend him..... The cotton season is about over, judging from the short receipts at this place.

Now and Then.
It is only now and then that such men as Hon. Alex. H. Stephens, Ex-Gov. Smith and Ex-Gov. Brown, of Ga., endorse a medicine for the throat and lungs, and when they do it is pretty good evidence that the remedy must be good for the cure of coughs, colds and lung affections. They recommend the GLOBE FLOWER COUGH SYRUP, and their testimonials are to be seen round the town-cent sample bottles of the Globe Flower Syrup, for sale by SIMPSON, REID & CO. A simple bottle relieves the worst cough, and will cure sore throat. Regular size bottles, fifty cents, 81.

Ayer's Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair from falling out. It restores the hair to its original color, with the gloss and freshness of youth. This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
