BRIEF MENTION.

Little Lizzie, infant daughter of Mr. R. P. Clinkscapes, died on last Friday.

Upland corn is being "laid by." Where it has recently had rain it is looking well.

Miss Essie Burgess and Pet Reed returned home from the Williamson Female College last week.

Cadets C. H. Orr and Prue Fant, of the Kings Mountain Military School, are at home on vacation.

The sale of excursion tickets on the Blue Ridge Railroad, good for three days, has been resumed.

The public schools of this County will open on next Monday week, which is the first Monday in July.

In some portions of the County the crops are suffering for rain, while in other sections good "seasons" have been had.

Col. B. W. Edwards and wife, of Darlington, accompanied by a son and daughter, are visiting Hon. J. S. Murray and family.

Work on the new Presbyterian Church is progressing finely, and if nothing happens to retard the work will be finished some time this fall.

We are gratified to learn that Mr. Archy Simpson, who has been quite ill for some weeks past at the residence of Dr. R. F. Dirver, is convalescent.

After the crops are "laid by," when the farmers will have a little leisure, look out for a thorough ventilation of the Savannah Valley Railroad question--of the affirmative side, at least.

Miss Susan Reid, an aged lady of this County, died at the residence of Mr. J. H. Little on last Wednesday. Her remains were interred in the grave yard at Rober's Church on Friday morning.

Appointments of the Y. M. C. A. for next Sunday: To conduct the afternoon meeting, A. B. Towers; Poor House Committee, J. W. Daniels, H. G. Scudder; Jail Committee, G. F. Tolly, W. D. Maroney.

Another lot of sewing machines just received by C. A. Reed, Agent, with new attachments and improvements. He is prepared to offer great inducements on his popular machines.

Quite a number of our citizens called at the residence of Mr. C. A. Reed on Tuesday night to see a night-blooming species in bloom, a plant that blooms but once a year, and that at night. The flower is large and very beautiful.

A Mr. Gardner, who lives on the plantation of Mrs. Wakefield, of this County, has just received a number of bundles of wheat from the four bushels. This is ahead of anything we have heard of so far, and is certainly a very remarkable yield.

Wednesday's mail brought us three cotton bales from the Fork. One from Mrs. E. E. Lebetter that bloomed on the 20th; one from Mrs. H. T. Brown that bloomed on the 22d, and one from Mr. W. W. Holland that also made its appearance on the 22d.

Mr. John Kaufman has commenced the erection of a storehouse on the lot of Messrs. B. F. Crayton & Sons between the Masonic Hall and the Centennial House. The building will be 80 feet long by 22 wide, and will be occupied when finished by Mr. J. Reese Fant.

The regular meeting of the Third Union District of the Saluda Association will convene at Cross Roads Church on Saturday morning. The introductory sermon will be preached by Rev. J. S. Murray, and the missionary sermon on Sunday by Rev. W. H. Strickland.

Capt. Kirk, the chief engineer of the Belton, Williamson & Eastley Railroad, was in town on Tuesday and expressed himself as confident the road will be built. He is now engaged in securing the rights of way through the plantations through which the proposed route passes.

The Baptist Courier, Col. Hoy's paper, announces that it will, at an early day, publish sketches of the lives of Rev. A. Rice and Rev. Robert King, of this County, both of whom died last year. The sketches will be prepared by Rev. J. S. Murray, who is fully competent for the task.

Mr. W. W. Brown, of Williamson, who has been attending Furman University, received at the close of the term last week certificates of distinction for proficiency in the following studies: senior Greek, senior mathematics, constitutional and international law and advanced rhetoric, political economy, mineralogy and geology.

Miss Rebecca Dalrymple, an aged and respected lady, died at the old homestead of her father, Mr. John Dalrymple, in Hope-well township, on Sunday last. Her remains were interred in the family burying-ground, in the presence of a large number of relatives and friends, on Monday. She had been a member of Midway Church for more than forty years.

At a meeting of Anderson Lodge, Knights of Honor, held on last Wednesday night, the following officers were elected to serve the ensuing term: J. D. Maxwell, Dictator; W. S. Ligon, Vice Dictator; J. M. Hubbard, Asst. Dictator; Rev. J. E. Carlisle, Chap.; W. D. Maroney, Guide; J. Baylis Lewis, Reporter; J. J. Baker, Financial Reporter; Dr. W. H. Nardin, Treasurer; James M. Payne, Guardian; R. L. Keys, Sentinel.

The picnic at Silver Brook on last Saturday, under the auspices of the Presbyterian Sunday School, was a very pleasant affair. A large number of children, with a considerable number of old people, made up the party, and at an early hour the pleasures of the day commenced at the place selected for the picnic, which was a most appropriate one. The Evans Cornet Band was present, and added much to the pleasures of the occasion.

The special meetings in the Baptist Church at this place, which have attracted so much attention during the past three weeks, closed yesterday evening with a praise meeting. Altogether, fifteen persons united with the Church, thirteen by experience and two by letter. Nine of the new members were baptized in Rocky River on Sunday afternoon, and the whole number who have joined during the meeting were received into full church fellowship at the meeting on Monday evening.

Rev. W. H. Strickland, who some time ago received a call to the pastorate of the Fourth Baptist Church in Augusta, Ga., has recently decided not to accept the call, and has accordingly notified the Church extending it of the fact. Mr. Strickland was formerly Pastor of this Church, and has very many friends in Augusta, who have a tender interest in him to return, but we are glad to say his love for his work and people at this place has induced him to continue in charge of the Baptist Church here. His work in our midst during the past two years and a half has been attended with great success, and the members of his Church are highly pleased to know that he has declined the call to the pastorate of the Augusta Church.

Round trip excursion tickets to Charleston will be sold at all ticket stations on the Greenville & Columbia Railroad on the 27th, 28th and 30th of June and the 1st of July, good to go by any regular passenger train on either of the above named dates. They will not be received for passage in the direction of Charleston after the latter date, and persons holding them, in consideration of the low rate at which sold, will not be permitted to lie over at any place between the point where purchased and Charleston and resume their trip on the same ticket. Tickets will be good to return on any day previous to and up to the 7th of July inclusive, but will in no instance be extended or received for passage after that date. Price of tickets from Honea Path, \$5; Belton and Anderson, \$6.75; Williamson and Pendleton, \$6.25.

Maj. John R. Williams, who has sold his interest in the drug business at this place, will leave Anderson the latter part of this week for Central, at which place he contemplates opening a drug store at an early day. Maj. Williams is extensively known in this County, and his many friends and acquaintances will regret exceedingly to see him remove permanently from our midst; but we are satisfied they will all unite with us in the wish that he may meet with merited success in his new undertaking, and that the people into whose midst he is going may receive him and his with open hearts, and accord them that confidence and consideration, both in social and business circles, of which they are so eminently worthy. Anderson's loss is Central's gain.

The firm of Messrs. Whitte & Williams, druggists and apothecaries of this place, well and favorably known to the trading public of this County, has been dissolved. Maj. John R. Williams having disposed of his interest in the business to Mr. F. T. Whitte, who enters into copartnership with his father, the senior of the old firm. The new firm will be known as Whitte & White, and will continue the drug business at the old stand of their predecessors. Dr. Whitte is too well known to the people of Anderson County to need any words of commendation from us, and in announcing Mr. F. T. Whitte as a candidate for public patronage, we only need say to insure him the confidence of the trading public that he is a worthy successor to Maj. Williams.

The announcement last week that the Ladies' Sewing Society of the Presbyterian Church would give a promenade concert and party at Hampton Park on to-morrow evening was a mistake. The party at whose instance the announcement was made was laboring under a misapprehension, it seems, as the entertainment is not to be a concert at the Park, but a festival at the Masonic Hall, at which refreshments in the way of ice cream, cake, sherbet, melons, peaches, etc., will be sold, the proceeds of which will go to the building fund of the Presbyterian Church. The doors will be opened at six o'clock in order to accommodate those who cannot conveniently attend after dark.

We have received quite a number of cotton blooms during the past week. Mr. M. White, of the Corner, sent two taken from a single stalk, one of which bloomed on the 19th and the other on the 21st; Mr. J. C. Parsons, of Centerville township, sent one that bloomed on the 21st; Messrs. L. Reid Watson and Whit Gustin each had blooms on the 20th, and Messrs. H. K. Crawford and John Maddox report blooms in their fields on the 24th.

Proceedings of the Town Council. COUNCIL CHAMBER, June 24, 1879.

The Town Council met this morning at 9 o'clock. Present--G. F. Tolly, Intendant; E. F. Murray, J. F. Wilson, W. S. Ligon, J. C. Whitfield, Wardens.

On motion it was decided to have the public square properly drained.

The case against T. J. Potts for disorderly conduct was called; he plead guilty, and the Council, considering the circumstances, only fined him the costs in the case.

The case against Reuben Young and others, for gambling, was returned to the Solicitor.

The Chief Marshal was ordered to have the nuisances in the different parts of the town removed.

After auditing accounts amounting in the aggregate to \$15.10, the Council adjourned.

Anderson Market Reports.

The prices current for the following articles in this market are:

Cotton--middling, 19 1/2-quiet. Cotton--80 to 85c. Peas--100 to 125c. Flour--\$5.50 to \$7.50. Meat--C. E. sides 6, L. C. sides 6, shoulders 5. Lard--10c. Molasses--N. O. 85c to 90c. Meal--\$3 to \$4c. Sugar--7 1/2 to 10c. Coffee--12c to 16c.

Townville.

Whooping cough prevails in this community....An infant daughter of Mr. and Mrs. E. P. Earle died last week....The crops throughout the Fork appear to have been very well cultivated, and in some instances corn is "laid by"....There will be divine services in the Presbyterian Church in this place next Saturday and Sunday, 28th and 29th....Cotton blooms appeared in the crops in this section as early as the 19th--ten days sooner than last year....Dr. J. B. Brown, the champion bee grower of the Fork, and perhaps of the County, has been eminently successful with his bees this season. He estimates that less than twenty of his colonies have produced this Spring at least 500 pounds of choice honey....Hartwell, Ga., is going to build a railroad to connect that town with the Elberton and Toccoa Air Line, and Mr. C. A. Magee, an experienced civil engineer of this place, has been employed to engineer the route. Work will be commenced at once, we learn....Maj. G. W. Maret, who is sixty years of age, works every day on his farm, because of an innate love of labor. He is one of the Fork's most substantial farmers, and his present crops are fine....There are some exceptionally fine bottom lands in this township on Big Beaverdam Creek, near its junction with Tugaloo River, which up to within a few years back, were inundated by a thorough system of drainage the whole has been dried and brought under cultivation. Dr. Sam. Holland's plantation embraces a large body of this tract, and the growth of corn on it is a pleasing sight as well as cheering prospect.

The following Sub. Granges of Anderson County are clear on my books to 31st day of March, 1879, viz: Nos. 71, 141, 176, 178, 215, 232, 242, 330. Delinquent for one quarter, 154, 155, 214, 216, 251, 264, 267, 295, 300, 340; three quarters, 213, 204; four quarters, 263, 273, 306; five quarters, 177, 212, 294; seven quarters, 272; thirteen quarters, 343. J. W. NORRIS, Sec. P. G. P. H.

Do You WANT TO ENJOY LIFE?--Death, or what is worse, is the inevitable result of continued suspension of the menstrual flow. It is a condition which should not be trifled with. Immediate relief is the only safeguard against a constant running in the channels of suppression, suspension or other irregularities of the "course." Dr. J. Bradford's Female Regulator is the only sure remedy. It acts by giving tone to the nervous centres, improving the blood, and determining directly to the organs of menstruation. It is a legitimate prescription, and the most intelligent doctors use it. Ask your druggist for it.

Sandy Springs. Some of our farmers have had their wheat and out crops threshed, with a good turn out as the result. Mr. W. W. Russell made 35 bushels of wheat on three quarters of an acre. Mr. C. D. Madden made 75 bushels on four acres....Our best farmers pronounce the corn and cotton crops more thoroughly cleared of grass, and finer prospects for a larger yield in this section than they have seen for several years. Mr. R. M. Burns has the best field of corn; Mr. J. D. McElroy the best four acres of cotton; Mr. J. M. Ramplly the best field of cotton, and Mr. T. E. Dickson the best sixty acres of cotton that we have noticed....Messrs. Potts, McCully and Russell having contracted to supply the Greenville and Columbia Railroad with cross-ties are now working about fifty hands in this locality, which makes our woods ring with the sound of the workman's axe and the music of the "darkies' melodious voice"....Col. A. J. Sitton has recently refitted the Pendleton Factory with new and complete machinery, which is a very great improvement....The exercises of Sandy Springs Academy will be resumed Monday, 30th inst. The patrons of the school are especially requested to send their children at once, as there will be an intermission between then and the Camp Meeting, (the 20th September,) at which time the school will close. More anon. M.

Mr. Editor: Last Saturday found us wending our way to Asbury Church to attend a quarterly conference at that place. These quarterly meetings are one of the chief pleasures of Methodism. We arrived there just as the services were being opened. The 11 o'clock sermon was preached by Rev. S. B. Jones, D. D., who is considered one of the towers of strength in the Methodist Church. His address was directed chiefly to the members of the church, telling them their duty to their church and to their God. We wish every Methodist in the land could have heard it. We trust those who heard it were instructed and benefited thereby. The conference was uneventfully transacted. Delegates were elected to attend district conference, which will meet in Greenville. On Sunday Dr. Jones' text was Luke 24: 51-52. His subject--the crucifixion, resurrection and ascension of Christ--was delivered in an eloquent manner. His description of the crucifixion was solemn and impressive, while his description of the ascension was grand and sublime beyond description. While listening to him you could, in your imagination, see Christ slowly ascending from earth to heaven, looking down, talking to, and blessing His disciples, until He almost reached the portals of heaven. You could see, too, after He had entered the celestial city, and hear shouts and praises of thousands as they welcomed Him home. We left Asbury with feelings of devotion, resolving that we as a church member would try to discharge our duty more faithfully, and to live nearer Christ than ever before. METHODIST.
