

BRIEF MENTION.

Cotton is off a little. Good midding sold yesterday at 102.

The housewives have put the old hens to setting, and consequently eggs are scarce in town.

The Council sent Sam Johnson to the calabos for twenty-four hours on Tuesday for contempt.

Rev. W. F. Pearson, of Due West, will preach at Robert's church on the third Sunday at 11 a. m.

Real estate in and around town has advanced one hundred per cent. within the past twelve months.

Pay your town taxes to-day and save the penalty, which will attach to all unpaid amounts to-morrow.

Hunter's Spring Grange will meet on next Saturday afternoon at 2 o'clock for the transaction of important business.

To-day will be the last opportunity for paying the S. V. and A. F. B. V. R. taxes without the penalty of twenty per cent.

Rev. R. C. Ligon performed the marriage ceremony on the 24th ult., of Mr. J. M. Reid and Miss O. H. McAlister—both of this county.

Mr. C. G. Andrews, of Cousers & Tabler's drug house, Nashville, Tennessee, was in town on Saturday in the interest of his establishment.

We direct attention to the new advertisement of Reed, Moorhead & Co., which appears in to-day's paper. They are diligent and progressive merchants, and know how to please their customers.

The small grain crops have improved wonderfully in the last two weeks. Every body predicts now that it will be a good year for small grain simply because there has been so little of it sowed.

Not a single person was sent to the Penitentiary from this County by the Court of General Sessions, which adjourned Wednesday of last week. This speaks well for old Anderson, the best county in the State.

The Court of Common Pleas has been in session since Wednesday of last week, and has been occupied with cases of very little interest. The petit jury will probably be discharged to-day, though the Court will likely remain in session until Saturday.

The town was crowded on Monday with people, horses and vehicles until it was difficult to cross from one part of the town to another. There was very little disposition, and everything passed off quietly and orderly, not a single arrest being made by the police.

Messrs. J. E. & L. P. Smith, merchant tailors, have received their spring goods, and are prepared to furnish their customers with any quality or class of goods they may desire. They treat all customers alike, and treat them well. Look out for their advertisement next week.

Mr. G. F. Tolly publishes this week a price list of his stock of furniture, and challenges the State to beat his prices. He has now a larger and finer stock of furniture on hand than ever before, which is constantly being enlarged. Read his advertisement and then call and examine his stock and prices.

To-day's paper contains a novel advertisement from the well-known and popular house of Arnstein & Rose, who, by their enterprise, have established an enviable reputation and an extensive trade. Their spring stock is now arriving, and will be complete, varied and attractive. Call and see it.

The relatives and friends of Mrs. Wm. B. Gibson, who moved from this place to Texas about twenty-eight years ago, will be pained to hear of the sudden death of her eldest son Willie, which occurred in that State on 22nd of January, in his twenty-fifth year. He was not a church member, but had no dread of death, and expressed a confident hope for his blissful future.

Rev. Edward Carswell, of Ashawa, Ontario, Canada, the great temperance lecturer who has twice before visited this State, has written to Mr. L. P. Smith, of this place, Grand Scribe of the Sons of Temperance, that he will come to this State about the first of April with a view of canvassing it thoroughly for the cause of temperance. He is one of the most humorous speakers we have ever heard, and never fails to make a fine impression on his audience and to accomplish good for the cause. The news of his contemplated visit to the State will be hailed with pleasure by those who are agitating the question of prohibition.

"Men who live in glass houses should not throw stones" is an old adage the truthfulness of which we often see exemplified in every-day life. Last week in a case in the Court of Common Pleas ex-Judge Cooke represented the plaintiff to the action and ex-Solicitor Perry represented the defendant. The defendant had several colored witnesses, one of whom was a very black, ignorant fellow, whose testimony the Judge sought to destroy by proving to the witness himself that he had served a term in the Penitentiary. The questions and replies bearing directly on the point were in substance as follows: Ex-Judge—Were you ever confined in the Courts of this State? Witness—Yes, Ex-J.—What for? Ex—For burning Rankin's Mill. Ex—Were you convicted? W—Yes, Ex—What was done with you? W—I was sent to the Penitentiary. Ex—Well, how did you get out of the Penitentiary? W—I was pardoned. Ex—Pardoned! Well, who pardoned you? W—Well, sir, I don't believe I know exactly now who it was. Ex—It was Gov. Moses, wasn't it? W—Well, sir, I can't say exactly who it was; but I remember mighty well who got up the petition for me. Ex—You do. Well, tell us who that was. W—It was Judge Cooke. [Suppressed laughter, in which the Court participated.] Ex—Slightly irritated—How do you know Judge Cooke got up the petition? W—Because my people wrote me a letter saying he got it up for me, and then his name was on the paper. Ex—Well, that will do; you can come down. The witness never once intimated that he knew who was questioning him.

Stono Acid Notice. I will have plenty Stono Acid on Friday. Give me a call. W. S. LIGON.

The Preachers' Temperance Meeting.

In accordance with a previous call, a number of ministers of the county and friends of temperance assembled in the Court House on Wednesday, 21st of March. Rev. R. F. Bradley was called to the chair, and H. G. Scudday requested to act as secretary.

The chairman, in a few well-timed remarks, explained the object of the meeting to be, to secure a united moral and religious influence against the evils of intemperance.

He was followed by Rev. W. A. Hodges, A. B. Towers, L. P. Smith and Rev. S. Lander, who appealed to the people of Anderson county to give the effort their earnest support.

A. B. Towers, Rev. W. A. Hodges and Rev. S. Lander were appointed a committee to distribute petitions among the audience to be circulated throughout the county.

A motion was made by Rev. S. Lander, and unanimously adopted, that the minutes in the various counties of the State be requested to call meetings at their respective county seats for the purpose of stirring the people to put forth greater zeal and earnestness in their efforts to promote the cause of temperance in South Carolina.

A committee of five, consisting of Rev. S. Lander, Rev. W. A. Hodges, A. B. Towers, L. P. Smith and H. G. Scudday, was appointed to communicate with the ministers and prominent laymen of each county in the State, urging upon them to call similar meetings to the one then in session.

Upon motion, the chairman of the meeting was added to the committee.

The following resolutions were unanimously adopted:

Resolved, That the action of the Legislature, looking to the suppression of the liquor traffic in the State, deserves to have, and we do hereby give the same, our hearty endorsement, and extend to it the assurance that the religious and moral elements of the State will ever stand by it in its efforts to overthrow and annihilate the sale of liquor as a beverage in our State.

Resolved, That the County papers be requested to publish the minutes of this meeting.

R. F. BRADLEY, Chairman. H. G. SCUDDAY, Secretary.

Tribute of Respect.

The following preamble and resolutions were adopted by the Anderson Board of Trade at a meeting held on Thursday, 3rd instant, viz.:

Resolved, That in the death of N. K. Sullivan this Board has lost one of its most useful members, that the community has lost an honest and patriotic citizen and his family a fond parent and devoted husband, and that a copy of these resolutions be communicated to them.

—Several citizens of Pickens County, who went West during the fall and winter, have returned, satisfied that, taking health and other advantages into consideration, this is a better country than Texas, and just as good as any other.

—The peach crop around Yorkville will be almost a total failure this year. In different sections of the county the buds were killed by the severity of the weather during a part of the winter, the most serious damage having been sustained a month ago. Apples and other varieties of fruit are also more or less injured.

A new era is dawning upon woman. Hitherto she has been called upon to suffer the ills of mankind and her own besides. The frequent and distressing irregularities peculiar to her sex have long been to her the "Bread and Butter" of her life.

In the mansion of the rich and novel of poverty alike woman has been the constant yet patient victim of a thousand ills unknown to man—and without a remedy. "Oh Lord, how long!" in the agony of her soul, hath she cried. But now the hour of her redemption is come.

She will suffer no more for Endometritis, Pains, Regulator, "Woman's Best Friend," is prepared only by Dr. J. Bradford, Atlanta, Ga., and sold at \$1.50 per bottle by Wilhite & Wilhite, and Simpson, Reid & Co., Anderson, S. C. 15-17
