from the barracks, and have been posted around the executive mansion. There is however, the country has been at pro- great excitement and the streets are found peace for sixteen years, and for thronged with anxious inquirers, eager to learn the condition of the president. The shooting occurred in the presence of the shooting occurrent in the president has been made as comfortable as possible, and all persons excluded from the grounds. He is conscious and does not complain of great suffering. It is impos-dictoriant as you what the result will sible to say, as yet, what the result will

> the wounds are not necessarily fatal. The following dispatch was sent to Mrs. Garfield, at Elberon, Long Branch, The president wishes me to say to you

from him that he has been seriously from him that he has been scriously hurt; how seriously he cannot yet say. He is himself, and hopes you will come to him soon. He sends love to you. "A, F, ROCKWELL."

LONG BRANCH, July 2 .- So far the on-ly particulars received of the shoeting of president is that learned from the following dispatch dated at the executive mansion, Washington, July 2, addressed to General Swain, Elberon, N. J.: We have the president safely and com-fortably settled in his room at the execu-

tive mansion, and his pulse is nearly normal. So far as I can determine, and the ande and startling shock that was from what the surgeons say, his general condition and fceling is hopeful. given them by the wild and fiendish act on soon as you get this. Special advices o Charles Guitteau on last Saturday. To of the movement of your train, and see a man in a land of law and liberty ident said on a similar occasion sixteen

stricken down by the dastardly blow of years and, "God reigns and the govern-an assassin, is always revolting to the "A, F, Rockwerth,"

Chickson, July 2. – Charles J. Guitteau, who shot the president this meruing, has been known in Chicago for the past that of a decidie tran of such mental. Postmaster-tione cil targes here inter-tionale transfer transfer transfer transfer transfer to a decidier. Il and the transfer to a decidier tweive years, and for much of the time

tweive years, and for much of the third has been considered as more than half insane. He may have had French bload in his veins, but was to ad appearances in his veins, but was to ad appearances whom he had obtained a cash introduce. "Yes," replaced Mr. Lineshi, "and in "Yes," replaced Mr. Lineshi, "and in WASTINGTON, July 2.—Andrew Clark, Collector, Atlanta, Ga., While the presi-dent and Secretary Elaine were passing through the Sixth Street depot this morn-ing to take a train, a man maned Charles ing to take a train, a man named Charles the began practicing law. The tearried a for manned with the aronaly of a vehicle callibre pistol in the arm and the right side, the latter ball fodging in the body. The attending physicians will probe for the became a unisance, and was finally with a bit product of estimates and the side of the became a unisance. The attending physicians will probe for the ball, with a view of abaracting it, at 3 o'clock. A favorable reaction has oc-eurred, and the president is now resting easy at the executive mansion. The wound, although dargerous, is not be-lieved to be fatal. My opinion is that it will not be. The president is strong phy-sical constitution is greatly in his favor.

AS WHAT THE LATHER OF THE ASSASSING HAS TO SAV MOUT THIS SUS.

Boston, July 3. The following extract from a letter dated March 59, 1853, from the father of the assassin to GREEN B. RAUM, Commissioner, Dr. Townsen I, health officer of the dis, trief, in a conversation this afternoon, said : "I found the president, when I ar-rived at the Baltimore and Potomac de-seribed by hawyers here as having been." A software was taken of him whatever the disappeared in an endpotential as follows is "I have been reary or benever him capable of almost any folly, stupil-ity or rascality. The one possible excuse there as having been. Indeed, if I was eithed as a witness upon while here what is known as a "sityster," the stard 1 are inclined to think 1 should whatever practice he had 1 drig in the tostify he is absolutely insure and har light lower criminal courts. He was regarded to the issues and har light responsible for his acts. My own integrated as weak-noinded, and at one time was a finate on temperance, and delivered a fiecture at the First Methodist Church on that subject. Failing to pay the *Triburg* for its advertisement of the lecture, that paper wrote him up as a fratid and was sued by him for libel, the suit never com-state by him for libel, the suit never compaper wrote him up as a trand and wiss sued by him for libel, the suit neverent ing to issue. He then wrote a pamphlet on the Second Coming of Cirist, which was published by Jansen & MetTurg as a curiosity. Very little is definitely known of the man, and that little is un-browed of the man, and that little is un-browed of the man, and that little is untavorable in every way.

Another Account of the Shouting,

WASHINOTON, July 2-41 A. M. Fress should happen to take a farey to. You ident Gartield was shot twice this morn-ing in the ladies' room of the Baltimore and Potomae station. He had just left to be the ladies and both him, I to do you to keep clear of him and not have any ing in the names boint of the biling of the versation, we had about him, I boil you to keep the data about him, I boil you to keep the data about him, I boil you to keep the data about him, I boil you to keep the data about him, I boil you to keep to him end not have any-thing to do with him. Should myboily ask anything about him i should be com-side and in a very dangerous location. The ball has not yet been extracted, but the surgeon general is probing for it now. The other shot entered his arm. The assessing who is unucertimally

vivel. The doctor said, at 2 p. m., that he could not give an intelligent opinion The assassin, who is unquestionably a character that he is as likely to become insane, is a young lawyer from Chicago, a sity, cuming desperado as anything, named Guitteau, an Italian. He said could be shim i night possibly make that he was a Stalwart, and that Arthur : EVIDENCES OF A PLOT. There is a theory which has many ad-herents that the attempted assassination for the heart and next for the short first for was not the work of a lunatic, but the re-sult of a plot much deeper and darker than has been suspected. It is cited in support of this theory that Guitteau ar-and in the most deliberate manner wrote The first heard of it ep-town was the workly and sometimes atraid be ranged beforehand with a backman to be in readiness to drive him swiftly in the The first heard of it up-town was due In relatives to sirve thin swithly in the direction of Congressional centerby as soon as he made his appearance on to-turning from the depot. In the mean-time he had left a bundle of papers in the hands of a boy with the intention, it is fail speed, and it was thought the horses that will not do it. So you see I regard user running away, but the coachinan its case as hopeless, or nearly so, and of naintained, of creating a belief in his in Surgeon-general's office, and summonsmity in the event of his capture. Guitrun to the station. Gen, Garfield had been removed to a bed in one of the up-per rooms. He was surrounded by Blaine, Windom, Hunt, and James and tean said on his way to jail that the president's assassination was premeditated, and that he went to Long Branch for the

out his intentions. Those by whom Guitteau has been ex-amined since the shooting say that he shows no symptoms of insanity, and it is understood that the letter which has alsoldiers. Soon after the catastrophe an ambuready been tolegraphed addressed, "To

the White House," is the only document in the collection which supports the theory of insanity. It is reported that Guitteau had an accomplice, whose de-scription is in the hands of the police, and further developments are anxiously looked for.

REGARDING THE ASSASSIN The district fail, a large brown stone

structure, situated at the eastern extremity of the city, was visited by an asso-ciated press reporter shortly after 11 o'clock for the purpose of obtaining an interview with Charles Guitteau, the as-

the jail for the purpose of visiting it, but was refused admittance on the ground

good and the true. To General Garfield, as an individual, and to his suffering, faithful and beautifully devoted wife, and his affectionate little children, the sympathies and prayers and sorrows " heir fellow-citizens everywhere goes

a sincerity and truth. But in this deed the sufferings and anguish

nich it carries to a pure and happy home, and the dark shadow . bich it casts over their joys, is a small pertion the coming years of the present administration, and we may say at the very heart of our free institutions themselves. President Garfield represents the best

element of the dominant polities of the country to-day, and for his independence and pluck in maintaining his principles he has been made the subject of as bitter and relentless a war from his own party as has ever been witnessed in this country. To this war upon the President by the stalwart politicians and the stalwart press may be fairly and legitimately ascribed the attempt upon his life. Whether the deed was prompted from as to the final result. Why any source of authority or control among Washington, July 2. To from these any source of authority or control among the stalwarts will never be known, we ter A. Arthur, vice-president, New York City: At this hour, 350, the symptoms presume; but that wing of the Republican party is morally as clearly respon-sible for the effort at assassination as if the edict had gone forth from its cred-ited leaders. The assassin says that he committed the deed because it was a political necessity to restore the unity of very alarming. He is losing strength,

the Republican party. He also said when he thought he had killed the Pres-diverse of State, if unprompted, his deed was the act of chans he is rapidly surking. A monomaniac wrought up to the point JAMES G. BLAINE. This prompted, his deed was the action of nonreal by the deminications and im-precations heaped upon the President from all quarters of the stalwart organi-zation. It was one more in the many acts of mand, violence, usurpation and corruption which has characterized the eareer of this portion of the Republican party, which has clearly manifested it-purpose to dominate American institu-tions or destroy them. The act of Guit-tean was the outcome of the policy and

g driving to yet give his country the scientific, two will take that chance and of his service, and avert the $10 e_{21}$ sident is still sleeping, amity which will altend the restoration 10.22 p. m. The president's symptoms clon of the staiwarts to power, is the continue to grow not. Superational to the autoral more ground for hope. Its temperative who feel togethe the President's halos for hope and matter and the pursues.
