The February Term of the Circuit Court

never did have any patience with a nan, or a poky set of men, particularen they are paid for their time. naking Anderson a city the Legislaid a good tining, and did it very nice-

has our thanks, and the thanks of others besides. we must all realize our promotion sintain the dignity of our new post-

efore the world. ways must be put off and new ways

ill never do to go back on the friends have helped us up, by bringing disupon them for placing us in a posiat we could not appreciate or adorn. must not say town any more when ng of Anderson.

t term suits small places, but don't in connection with Anderson. most always say city.

t's the way city people talk, and you you live in a city now. s a great privilege to live in a city, for people can put on airs without being 'stuck up.'

you see your libertles are enlarged, for you are thankful, no doubt. Charter, which fills over three colon our first page, is a voluminous ent, but not more so than the neces of the case required. There are many provisions in the Charter, and we re end a careful perusal of the entire ment by all our citizens. The prons are all that we could desire at pres-

e Act of Incorporation says that the rate limits of the City of Anderson l include all of the area embraced in rcle whose centre is the Court House whose radius is one mile," and that Hanna, S. A. Branyon, G. W. Farmer, W. id city shall be governed by a Mayor six Aldermen, who have resided in the "at least twelve months immediately ling the day of their election. The Mayor and Aldermen shall be known nd called the City Council of Anderson, shall be elected on the second Monday lugust of the present year, and at the time in every second year thereafter, shall hold their offices for the term of years and until their successors shall been elected and qualified." To be led to vote in an election for a member he City Council, the citizen must be a ent of the city "for six months next eding" an election. The wisdom of provisions will readily be appreciated se familiar with our past experience. e Mayor and Aldermen are required to the oath against duelling in assuming

offices, and are vested with all of the rs and jurisdiction for the violation of rdinances as is now given a Trial Jusexcept in civil cases. The Mayor is full power and authority to try all ers against the city ordinances, and sentences. ose such fines and penalties as in his ion he may deem just; but no fine exceed one hundred dollars, nor no can be imprisoned for a longer term thirty days, and any person sentenced maj. Lee found carp fish ten and twelve isonment, be required to work upon streets of the city, unless they be exly exempted therefrom in the sentence unced by the Mayor. he City Council have full power to grant ses for the sale of spirituous liquors, not for a less sum than three hundred irs per annum to retail by the drink,

for less than one hundred dollars to sell he bottle or quart, and no license shall ranted for a longer period than one year. e tax section is well drawn up, and cts our citizens from oppressive taxathirty cents on each hundred dollars' of real and personal property being highest levy allowed in any one year. ceuse for any circus can ic granted for sum than three hunder collars a day, while the City Council have the power create a bonded debt, with and by the ent and approval of a majority of its ens, such debt shall not exceed the sum wenty-five thousand dollars, on which higher interest than 7 per cent. per anm shall not be paid. m shall not be paid.

The Mayor is allowed a salary of two If we were called upon to put a valuation

ndred dollars a year, and the Aldermen on this class of stock in this county we have to be satisfied with exemption a street tax during their term of office. by are made amenable for neglect of duty use of their offices.

ll ordinances passed by the Town Counare of force, and until an election for yor and Aldermen the Town Council serving arc declared the City Council the Intendant and Wardens vested h all the powers and duties of Mayor Aldermen.

The Act received the approval of the vernor on last Friday, and is now of fu'll ce and effect.

Changes in Railroad Schedules. There was a general changing of scheds on the railroads in South Carolina on anday last. The North-bound morning senger train on the Air line now passes eca City about 11 o'clock, and as the wn passenger on the Columbia & Greenle road leaves Walhalla nearly two hours dier than before, there is, of course, no nection at Seneca with the train from Atits, though connection is made with the in going to Atlanta. The up passenger the C. & G. also fails to connect at Seneca th the West-bound train on the Air Line. e schedule on the South Carolina road also been changed so as to connect at

"You are always advising the farmers to plant corn, plant corn, when some of their farms wouldn't make three bushels to the acre. Don't you reckon the farmers have sense enough to run the!. own business, umbia with the passenger trains on the and to know what crops their lands will & G. road, which leave that place about make the most of?" That's the way they hour and a half later in the morning and score it to us occasionally, when we venture rive some two hours earlier in the afterto advise or suggest. But then others pat us on the head and say, "You are right, and The great inconveniences occasioned to citizens of this section by these changes apparent to all, and we sincerely hope present schedules will not be of long ding. We do not know what has ined the change, and cannot see wherein public are accommodated or the rail-

A party of dissatisfied farmers of Chattooga township, Oconee county, held a meeting on the 3d and resolved to "keep up our fences as we did before the passage of the Stock law; and we further bind our-selves to allow the stock belonging to those ids benefited, except the South Carolina ad. Breaking the connection at Seneca ill certainly cause less travel on the C. & who favor these resolutions to ru - t largo as we do our own, and that we withhold our protection from any member who and the delay of mails to and from Atwill not comply with the requirements of ta is very annoying. The mail from the these resolutions."

wer part of the State arrives two hours er in the afternoon, and at a most incon-Complaint has been made from several portions of the city that the sidewalks are ient hour for our business men. The schedule suited every one in this section being cut up by persons driving over them. d inconvenienced none of any other sec-The streets are in horrible condition, owing to the continuous rains, and the temptation stands now all sections are inconvenienced to get out on the walks is very great, but it ept those on the South Carolina road, and will be well to remember that it is against seems to us the advantages gained there the city ordinances to do so, and that the not sufficient to justify the disadvanpenalty for such violation is a fine of five dollars. If the sidewalks are used as wagon pe the old schedule will soon be restored ways, it would soon be almost impossible Under the new schedule the down passenfor pedestrians to get along on them.
