A LITTLE GOLD WAS SPENT.

Mr. Z. A. Clark, of Atlanta, Ga., in speaking of \$480,000 in gold, desires to say to the readers of this paper, that the whole of the above amount was spent in a fruitless effort in finding relief from a terrible Blood Poison affecting his body, limbs and nose-presenting ugly running ulcers. He is now sound and well, having been cured by the most speedy and wonderful remedy every before known, and any interested party who may need a Blood Purifier will lear from him that three bottles of B. B. B. restored his appetite, healed all ulcers, relieved his kidneys, and added twenty-one pounds to his weight in thirty days. For sale by Hill Bros.

Just What They all Say. Hon. D. D. Haynie of Salem, Ills. says he uses Dr. Bosanko's Cough and Lung Syrup in his family with the most satisfac-tory results, in all cases of Coughs, Colds and Croup, and recommends it in particu-lar for the little ones. Sample bottle free

Liver Pills. Use Dr. Gunn's Liver Pills for Sallow Complexion, Pimples on the Face and Billiousness. Never sickens or gripes. Only one for a dose. Samples free at Orr & Sloan's. Mark Twain.

The American press generally appears to have lost conceit of Mark Twain. One reason for this change of feeling may be that Mark has grown rich. It is an unpardonable error for a humorist to be rich. He ought to live in a garret, like James Triplett, be the happy possessor of one threadbare coat, and shoes that let the water in. But even under these direful circumstances, 25 cents would purchase him a Pomeroy's Petroline Poroused Plaster, which would most effectually protect him from that most painful of all complaints, Rheumatism. They even cure Gout, Cold Feet, Sciatica, and all Neuralgic Affections. They are advertised everywhere. Wilhite & Wilhite agents for Anderson, S. C.
