

A Grand Demonstration. It has finally been decided to celebrate the completion of the Savannah Valley Railroad on Thursday, 12th of August.

The advertisement of Furman University appears in this issue. This is an excellent institution, and young men contemplating entering college should write for a catalogue.

When you visit a printing office keep your hands in your pockets, and never talk to the compositors while at work, or read copy over their shoulders, or inquire of them who is the author of any article.

A little more than two years ago, such a bird as an English sparrow had never been seen hereabouts. Now they can be seen by hundreds, and they seem to make war on all other members of the bird family.

We call special attention to the advertisement of the Due West Female College. This is one of the best Colleges in the State, and young ladies desiring to complete their education should consider the advantages offered by it.

Wiggins has ordered a terrific storm for the afternoon of September 29th. It will be a tempest of unparalleled violence, sweeping across the Atlantic and traversing this country, finally exhausting itself against the Rocky Mountains.

W. A. Chapman is offering the balance of his summer stock at greatly reduced prices, in order to make room for the fall goods. If you need anything in his line, look out for his new advertisement next week.

The following candidates are announced this week: Senate, R. P. Clinkscales; House of Representatives, Col. J. N. Brown and J. C. Whitfield; County Commissioners, Jesse P. McGee, J. H. Jones, W. F. Boatner, Thomas Girard and C. B. Gilmer; Auditor, T. J. Webb.

Our good friend, Mr. T. G. Gassaway, of Martin Township, has placed the INTERLOCK force under many obligations by presenting us a lot of fine watermelons and cantaloupes. Mr. Gassaway gives us a nice treat every year, and they are always highly enjoyed.

Last Thursday, white-troucing in Cochran's bottoms, our little friend, Master Joe McCully, shot and killed a blue-racer that measured six feet and four inches from tip to tip. The bird was dying when it was killed. Joe is a bright, manly little fellow, and is an excellent shot.

The Young America Cornet Band contemplates making a trip to Greenville at an early day and rendering the burlesque opera "Mr. Mikado." We bespeak for the boys a liberal patronage from the citizens of the Mountain City. The entertainment will afford a good, solid half-dollar's worth of amusement.

List of letters remaining in the Post-office for the week ending July 28th: Sam Dickson, Marshall Dickson, Buntun Ellis, Mamie Graham (2), Press Gary, Gene Jenkins, M. C. Kratz, Anderson Morris, Jennie Moss, J. H. Robinson (2), Daniel Sweet, Mrs. M. F. Wakefield, J. W. White, Mrs. Sarah Williams.

Tickets will be on sale at the C. & G. R. depot on the 3rd and 4th of August at Columbia and return for \$6.35, good for seven days from date of purchase. The Democratic State Convention and the Summer Meeting of the State Agricultural Society will both be held in Columbia next week, and these rates are made for the benefit of delegates and visitors.

The advertisement of the R. H. Jones & Sons Manufacturing Company, of Cartersville, Ga., appears in the INTERLOCKER. Mr. W. B. Sadler, who is well known to a number of our citizens, is a member of this firm, and any orders entrusted to them will receive prompt attention. They put up substantial, reliable vehicles, which they sell at low prices.

Bishop Howe has been compelled to withdraw his appointment at Pendleton on August 28th. He has been appointed by the Presiding Bishop one of the consecrators of the Rev. Dr. Weed to the Episcopate of Florida. This consecration takes place on Wednesday, August 11th. He will preach and administer Confirmation at Anderson on next Sunday, August 1st.

Hones Path Plauditor: "The Methodist will commence a protracted meeting here on the first Sabbath in September. The pastor, Rev. C. H. Pritchard, will be assisted by the Rev. J. W. Welling, of Anderson, and others. This promises to be one of the greatest religious meetings Hones Path has had for many years, and we hope there will be a full attendance from the beginning to the end."

C. F. Jones & Co., in order to close out their summer stock, are offering goods at remarkably low prices. If you want a bargain, give them an early call.

Two car loads of watermelons (about twenty-five hundred) were received in the city last week from the low country. They were sold at from 5 to 15 cents apiece.

The Normal Singing School. Mr. Editor: Prof. Showalter's Normal Singing School at Lebanon has been successful beyond the expectations of its most sanguine friends, and all who attend the Concert next Friday evening will find a treat in store for them.

Educational and S. S. Convention. Mr. Editor: Please give notice that the above Convention will take place according to appointment by an act of Mt. Olive Church. The brethren will please attend early Saturday, July 31st.

For Aldermen. Mr. Editor: The following gentlemen are suggested as suitable candidates for Aldermen, subject to the action of the primary election:

Nominations for Aldermen. Mr. Editor: We would respectfully nominate the following ticket for Aldermen to be voted for, subject to the primary election to be held by the Democratic Clubs of the City of Anderson on the 30th July to select candidates for a Mayor and Aldermen.

Primary Election. By resolution adopted by the Executive Committee of the two Clubs a primary election for the nomination of Mayor and six Aldermen of the City of Anderson for the next two years will be held in the Court House on Friday, the 30th of July inst., from 9 o'clock a. m. to 4 o'clock p. m.

Our City Election. Mr. Editor: The city election is upon us. Candidates are discussed every day upon the streets, and insinuations are even made against them in the public journals. The question is often asked, will prohibition be enforced if carried in December? It is generally conceded that our present Mayor has enforced all city laws during his term, including the ordinances restricting the sale of spirituous liquors.

Railroad Celebration. The completion of the Savannah Valley Railroad marks an important event in our history, and it having been arranged to appropriately celebrate the occasion on the 12th of August next, the Committee charged with the arrangements most cordially invite the citizens of the Town and County to co-operate in making the day one of unusual interest and pleasure.

Special trains on the different lines of railroads have been applied for, and will no doubt be furnished. Every family in the County and Town is requested to bring well filled baskets. A committee will be on the grounds to receive the baskets and arrange the tables.

Williamston Correspondence. We are pleased to see our hotel so full of summer boarders, and still they come in search of private boarding houses. Mr. J. J. Fretwell and family of Anderson, Mrs. Brown and daughter, Mrs. Booser and daughter, Col. J. G. Clinkscales' family, Mrs. Charles Simpson and family, Mr. and Mrs. Blalock, Prof. M. Pickle of Florida, Messrs. Frank Pickle and Thaddeus Horton from Greenville, Miss Carrie Shell of Laurens, with many others, offer our Spring Park delightfully cool and pleasant. The croquet grounds, the base ball grounds, the hammocks, the rustic seats, the densely shaded walks, the elevated grounds around the health-giving fountain of cool water, lying just under the eaves of our flourishing College, and but a few steps from the depot, is enough to attract the eye of a weary, care-worn overhauled soul hunting for rest. Let, come who can; they will find peace, quiet, contentment, love and good will to all mankind throughout our little town.

Mr. Horace Horton has charge of the Depot now, and will fill his place well. All who know Horace can speak for his industrious habits, honesty, truthfulness, piety and sobriety in every sense of the word. We can, indeed, congratulate ourselves on having him for a depot agent, and wish for him the most excellent success. A new drug store will soon be completed and put in operation in Pelzer, very near the one which has for some time been carried on successfully by Mr. Baxter Carpenter. His soda fountain, with its cooling, delightful drinks, is a place of attraction to the numerous hot and tired laborers wending their way home from the Mill as the "evening shades appear."

Mrs. N. A. Williams and daughter, Miss Minnie, have taken leave of their old home and gone to seek for themselves new scenes and friends in the old "North State."

Miss Sallie Donald is spending the Summer with friends in Hartwell, Ga. Hope she will not be persuaded to desert us for life.

On last Sabbath Rev. T. P. Bell preached an able and beautiful farewell sermon to the Anderson Baptist Church, and on Monday afternoon removed with his family to Richmond, Va. His congregation was very largely attended. Maj. Whitner has been invited to attend and address the Club in the afternoon with the other candidates for the Senate. We will try to give our readers next week a synopsis of these speeches, that they may get the views of these candidates on the issues of the day.

The regular Quarterly Communion service will be held in the Presbyterian Church on the third Sunday in August. The pastor will be assisted by Rev. J. L. Wilson, D. D., of Abbeville. Services will probably be held on Friday night and Saturday morning preceding. Rev. Dr. Burkhead will arrive in the city on Tuesday following and the meeting will continue for a week or more. Both these gentlemen are able, eloquent divines, and it will be a treat to our people to listen to their preaching.

Give Us Light! Mr. Editor: In your valuable paper you publish on the 21st July a communication signed "S." To the purpose that gentlemen high in official authority—church and municipal—or if not so, wishing to be so, are playing a two-sided game. Now, Mr. Editor, in my opinion, the people would like to know something about these things, because the moral and religious element of no community can afford to support a gentleman for office who does not give the office his moral support in every day life; and a man holding high position in church does not entitle him to the confidence and suffrage of the people if he has bar-rooms and engages in dram-drinking, however lightly the church to which he belongs may regard his department. And, sir, if true, as has been stated, that any gentlemen filling these positions, or wishing to do so, do participate at hot suppers with the colored people in a hilarious manner, in order to gain votes, the moral element cannot sanction or approve it, but it would have the tendency to influence the colored people, and lead them in a channel not calculated to be of benefit to the cause of reform. Be it said to the credit of the colored people, a great majority of them are not to be caught that way.

Another reason is, that no man can serve two lines of principles at the same time to the interest of both. One other and more potent reason is, that Holy Writ says no man can serve both God and mammon. Mr. Editor, election time being close at hand, we believe the people want to be fully informed on these questions. The cause of prohibition is rapidly nearing the great conquest, and we, as a moral and religious people, in this day of enlightened progress, want of proper information in regard to the policy of our leaders. So let us have the facts, or a "dark horse." Enquirer.
