And yet men go on wearstarched and ironed till they're as stiff as a boiler plate, and they pay every week for getting two or three of these things carefully polished. Simpson, in this city, last Tuesday morning, at 8 o'clock, after a brief but painful illness, aged about 62 years. Mrs. Reid came to the city last week to visit Mr. Simpson's family and to attend the meeting in the Presbyterian Church. She was in her usual health until Saturday afternoon, when she was taken with a severe pain in her head, which she thought was earache. This pain continued, and several hours after the attack a stream of blood gushed from the ear, and continued to flow until death ensued. The pain was so excruciatcontinued in an unconscious state until her death. Mrs. Reid was a most excelhear of her death. She was a member of Good Hope Presbyterian Church for many years, and by her many acts of charity and her Christian character has endeared her memory to all who knew her. Barmore is adding considerably to the appearance and comfort of his dwelling. What is most needed now by every inhabitant of our town is the paint brush. Maj. Tom Anderson and wife have just returned from a visit to Asheville; also Mrs. Rogers and family, who have been

on Cæsar's Head, drinking in the magnificent scenery in "viewing the landscape o'er" far away to the sun-rise and sun-set. A sun-set view of Rich Mountain, Tripple Falls or the Bridal Vale is worth the trouble of going there, and we only regret that more of our people can't indulge n a mountain trip every Summer. We have been visited by one or two heavy clouds, attended by a great deal of

SAVE

YOUR FRUIT.

The American Fruit Preserving Powder and Liquid

WAS introduced last year into nearly every section of the County, so that it is not necessary for us to publish certain cates now, but merely call your attention to the fact that Cherries are getting ripe and it would be well to take care of the for next Winter. If you were not fortunate enough to use it last year, you know nothing of its merits, but ask your next door neighbor what he thinks about it and if he don't know, come to see us an we will point you to some friend of your who can tell you all about it. Remember it costs you only \$1.00, and no dollar we ever more wisely invested.
