attention of our citizens, we would make the following suggestions:

The soil should be analyzed and its adaptability for that purpose ascertained. For sanitary reasons it should be located beyond the city limits. The road which leads to it should be as smooth and even as possible, and high and long hills especially avoided. The place where the dead are buried should be located on a slight eminence as a flat surface, where water rises, is very objectionable. We will here add that as "a city of the dead" naturally becomes a place of resort, it should be located comes a place of resort, it should be located where the surroundings are attractive and susceptible of a high degree of improvement. Shiloh's cougn and consumption cure

If the Sufferers from Consumption, Scrofula, and General Debility, will try Scott's Emulsion of Pure Cod Liver Oil with Hypophosphites, they will find immediate relief and a permanent benefit. Dr. B. H. Brodnax, Brodnax, La., says: "I gave Scott's Emulsion to Mrs. C., troubled with a severe Bronchial affection. Added to this the birth of a child and substantial library and reasons. sequent illness, she was in a very bad con-dition. I ordered Scott's Emulsion, which ahe commenced taking, giving at the same time some to the baby, which was very poor (weight three and one-half pounds). Since taking the Emulsion, cough is gone, looks fresh, full in the face, flesh firm, good color; baby same, fat and in fine condition.

the abdomen, causing the patient to supture like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and present. Indeed, it wore a splendid foliage of green through the winter. It is superintended by Mr. D. D. Gentry. We understand that the Rev. D. Weston Hiott, pastor of the church, will be present next Sunday, but will not be able to preach. All will be glad to meet him, and would rejoice if he could be given back to them again in health, and in the power of his ministry.
