RIX MONTHS.

The time for presenting the prohibi must all be in by next Saturday week. If you have not worked up your territory, and feel any interest in the matter, work it up at once. Do not wait until the last minute to send in your petitions, and be sure to send them in, even if they do not contain more than one name. Let us have the petitions as large as possible.

Among others manufacture or sale of spirituous liquors | were those of Secretaries Bayard, Whitin that State, failed to pass the legisla- ney and Fairchild; the French, German ture last wee'r. The vote stood 142 for and Brazilian Ministers, Baron and Bathe Biff, and 79 against it. The Consti- roness Rosen, Admiral Porter, Admiral tution requires a two-thirds vote to carry John H. Bussell, Medical Director F. L. such a Bill, and therefore one hundred Harvey, and the officers of the Washingand sixty votes were necessary to pass ton Monument Association, of which the Bill. It, therefore, failed to pass by Mr. Corcoran is the president. While eighteen votes out of two hundred and there has been a marked improvement in thirty-nine votes. The State already has Mr. Corcoran's condition since Tuesday, prohibition over the greater part of its and he is now able to sit up a portion of

The telegram from Maine relative to the unfavorable condition of his extreme the sale of imported liquors is evidently old age, the rareness of recovery in such know, or as other attorneys with whom we have conversed know, any such provision of the National statutes as would exempt imported liquors from a remarkable strong constitution; and his being handled subject to State laws. The United States revenue license is granted subject to the provisions of the laws of the State, and there is, we take it, no immunity given to foreign liquors which is denied to domestic liquors. We have no idea that the prohibitionists of Maine are troubled by any such dilemma. Who can cite the section of the United States statute that is relied on as stated in this dispatch? If it cannot be

found it does not exist, and that is precisely what we apprehend to be the situ-Some months ago it was announced that the coffee crop was very short, and mmediately the price mounted up about fifty per cent. In the last eighteen months it has advanced over one hundred per cent, in price. It now turns out that the late rise was entirely artificial, having been brought about by a corner by speculators, who bought up the visible supply and forced prices up. It transpires that the crop is much larger than usual, and the increased supply has broken the corner, and with it several of the large firms who were bulling the market, were completely wrecked mission were closely watched by the Their fate was deserved, and it is only a newspaper men. He failed, however, plty for the country that every one who to realize the expectations of the watcheculates in the necessities of life, by ers as he failed to make his appearance, trying to make corners to run up prices, and after spending the day in driving could not have the same just punishment about the city he left for Fortress Monto overtake them. People cry out roe. against tarius and combinations of com legislation as to them. This is, in too many instances, justified by the facts about which they complete, but in our independent of the petition of John G. Sterrett for a line of the petition of John G. Sterrett f judgment there are no more iniquitous mandamus to compel the Electric Remen in America than the dealers in futures, in crops and the necessaries of life. The criminal who steals for a liven conducts what is known as a "bucket life." ing—yes, all the thieves in America—do on the price of stocks is carried on; that each 98 against 92 for both crops last not rob or damage the honest wage earn- on the price of stocks is carried by year. ing people of our land as much as those transacted by the petitioner, and that, in are no combinations so iniquitous, or ing on "futures" and similiar gambling operations constitute his main business.

In support of this allegation it is further than those combinations which are averred that the fact that the petitioner's formed to force up the prices of meat and business is of the character described bread, and other necessaries of life. was judicially determined in a suit in another Court of this county. These These the people must have, if it takes being admitted facts, the question arises every farthing to secure them. The whether a Court of equity will, by the men who corner these articles to make gain out of them are not so good morally as the highwayman who takes your purse, for the highwayman generally gets a surplus, while these grain and meat fiends | contracts of such character are void as take by force, of a different kind from the against public policy, does not admit of doubt or discussion. By numerous dehighwaymen, it is true, but at the same cisions such transactions have been held time a stronger and surer force—the force of hunger, the scant earnings of the poor as well as of the competence of those more favored. It is the duty of the write of the public policy and utterly void.

"The write of mandamus is not a mat-Congress, the people should demand it, ter of right, but its issue is for the sound to enact laws that will cut up by the discretion of the Court, Equity will roots this whole evil system, that is the never grant relief where the object worst form of gambling. It is gambling sought to be attained is an immoral one, worst form of gambling. It is gambling which makes fifty millions of people sell their products upon a basis other than legitimate supply and demand, and which makes them pay more for the necessities of life, in many instances, than lawful business. The mandamus is they are worth. The laws of this land they are worth. The laws of this land therefore refused and the petition distribution distribution of the supply and demand, and grant the relief he asks well known liquor dealer of this city, who has brought to Augusta from Liverpool a large invoice of foreign distilled spirits, which he is selling to all who wish to purchase. He closed his shop in punish gambling where men voluntarily missed at the cost of the petitioner." sit down together and play for stakes which they put up willingly, but there is no penalty for the few speculators who make the people of this land, and particularly the working and producing people, pay their stakes. It cannot be reached by State legislation. If the evil is ever cured, it must be done by Con-

GENERAL SUMMARY.

Last year it was estimated that 19 per cent. less farm supplies was purchased than in 1885, and this year 16 per cent. more than last, still making a decrease of 3 per cent. less than in 1885. This inrent as to the object of his visit, and the crease is due to freshets, which destroyed the entire corn crop on the bottoms, forcing farmers to huy at the beginning

But our farmers are cheerful, hopeful when it is recollected that less fertilizers

OTHER CROPS. The condition of sorghum sugar cane is reported good. Correspondents esti-mate that the acreage has been increased.

The estimated increase in acreage of so-called financiers, whose business is to fact, no stocks whatever are bought or gamble in the crops of the land. There sold by him as a broker, but that wager or 101 for the State, and condition at 99 per cent. The acreage of Irish potatoes has been

reported 1 per cent, decrease, and the condition for the State 91 per cent., the same as last year.

The prospects for the fruit orop of nearly all kinds are not encouraging. Apples, peaches and pears were badly injured by the cold winds in early Spring. The grape and berry crops are reported as very promising. The condition of fruit is reported as follows: apples, 50; peaches, 28; pears, 38; grapes, 98; berries, 89. The condition of garden products is reported at 96 per cent., against 88 last year.

Out of two hundred and twenty-three correspondents reporting the state of the weather, 146 report good, 70 fair and 7 bad, showing that the seasons have been propitious for the growing crops.

The Maine Llquor Law.

AUGUSTA, June 8.—The prohibitory law of Maine has just received a most terrific setback in this vicinity. The or of pernicious or immoral tendency, or against public policy. Stock gambling being of this character, it follows that to March last and departed for Liverpool, where he entered into negotiations with one of the largest importing houses in that city for an unlimited supply of all kinds of distilled spirits. The United States protects all persons importing liquors from foreign countries from prosecution under any State prohibitory law for selling such goods in the original unbroken packages, and the dealer has landed in this city an advance lot of goods came through the Portland Custhrough the streets, the police looking upon the scene with wildly staring eyes. It was an unusual thing to witness the transportation of liquor through the and every lawyer in town has been their original packages.

Ho for Hondaras!

From the Atlanta Constitution, Yesterday, the ordinary quiet that pervades the state house was broken by the pondents regarding the crops, of an reception of a letter from Secretary of average date of June 1, of which the State Bayard, in which the alarming inreception of a letter from Secretary of telligence was conveyed that at Savannah a party was being fitted out with the intention of invading Honduras, and overthrowing the present government there. The letters containing the infor-

mation are as follows: DEPARTMENT OF STATE, WASHING-TON, June 7th, 1887.-The Honorable John B. Gordon, Governor of Georgia-Atlanta, Ga., Sir: I have the honor to bring to your attention with a view to the adoption of such measures as may be found necessary to prevent a violation of your neutrality laws, the enclosed copy of a letter from Mr. Jacob Bairz, consul general of Honduras, at New against the republic of Honduras. I have to be, sir, your obedient servant, T. F. BAYARD.

Enclosure: Mr. Bairz to Mr. Bayard, Tune 4th, 1887.
The following is the enclosure:

CONSULADO GENERAL DE HONDURAS. EN LOS ESTADOS VRIDOS DE AMERICA, NEW York, June 4, 1887.—Hon. Thos. F. Bayard, Secretary of State, Washington, D. C.—Sir: I have the honor of addressing you the present for the pur-pose of bringing to your attention that I have received advices from my government relative to a projected hostile expedition which, it is rumored, is to start In the absence of any positive infor-

mation, I would request your honor to communicate the foregoing to the proper vent any hostile acts against Hondurss, and anticipating my thanks to the name

Consul Gen. The state house officers were rather surprised at the information conveyed. The good people of Savannah had not manifested any symptoms of interference with the government of the Central American republic, and the information was not generally regarded as trustwor thy, notwithstanding the official channels through which it arrived. It was thought that the Honduras authorities had been imposed upon. Governor Gordon addressed a letter to

the Mayor of Savannah, acquainting sold in the State for the past season, as is him with the information he had received, shown by the books of the Department, and requested him to investigate the is less than the season of 1885 and '86. matter and report to the executive dematter and report to the executive de-The government of Honduras is re-

in legitimate undertaking. It was not publican in form. It has been free from the constant revolutions so common in tions, other than soliciting subscriptions, would begin before October. In this we Central America, only one attempt of the kind having been made in many years. That attempt signally failed.

The Constitution at once wired its Savannah correspondent for full particu-lars from that point, and received in reply the following dispatch at a late hour last night.

SAVANNAH, GA., June 9.—[Special.]

Only the slightest and most indefinite information can be obtained in reference to the report of a filibustering expedition being planned here for the invasion of Honduras. As far as can be learned today, it is probable that the Spanish govand buoyant, and do not complain. And ernment is watching some suspected movement against Cuba, or some other have been purchased, labor cheaper and the crop cultivated at less cost up to this ive point of the conjectured scheme. time than any crop for years, they have some reasons for rejoicing. Labor in sentatives, is in all likelihood the source nearly every locality has been more plentiful. Owing to the failure of the such information Mr. Bayard is acting. ing here against a foreign dynasty are rens and Spartanburg Counties will be nah gentlemen still living in this city Warker just prior to the late war, and assaulted Honduras and Costa Rica, but they disclaim now any intention of fili-

bustering any more. Your correspondent saw two representatives of a foreign government, but they said they would have to decline for the present to furnish any information for the press. It is impossible to discover the names of any filibusterers at work here. The associated press agent at Savannah writes; The rumor that a filibustering expedition is fitting out at Savannah against

Honduras or Cuba, so far as yet known substitution of the state of the to have started from a Spanish consul who was recently stationed here and who notified the collector of the port that he had reason to believe that a hostile expedition was fitting out somewhere on the Georgia coast and intimating that it was for the purpose of destroying sugar plantations in Cuba, sugar cane at this is almost entirely laid waste; public season being in a condition to burn buildings and private residences are readily. The custom house officials have received instructions from the depart- safe roof in the place. There are a few ment and place no credence in the houses left standing, but the people canhis letter to the collector of the port that | One hundred and twenty persons were information of expedition came from cuba. To an associated press reporter, he denied any knowledge of the expedition came from killed and one hundred and twenty more or less injured, half of whom, because of exposure and lack of medical attention,

Liquor Campaign Fund.

ST. LOUIS, June 11-A delegation of wholesale liquor men of Texas, repre-senting anti-prohibitionists of the State, have been in town several days in the interest of the campaign fund. They are soliciting contributions from leading brewers and distillers of the north and west with the view of raising \$50,000 to aid in carrying on the campaign against the adoption of the prohibition amend-ment which Texas is to vote on in August next. In an interview, one of the delegates stated that from present indications, the State will go for prohibition by 25,000 majority unless a campaign fund can be raised sufficiently unbroken packages, and the dealer has landed in this city an advance lot of Irish whisky and Jamaica rum. The code come through the Portland Charles defeat prohibition, the liquor men will tom House and arrived here by freight.

CREAT

REDUCTION IN PRICES

IN EVERY DEPARTMENT.

WE have just received a beautiful line of FRENCH SATTEENS, for which we ask only 15c. They cost 221c. toumport. Also, a large line of BATISTE at 81c., worth fully 121c. SILK MITTS, in every variety of color and price 25c. to \$1.00 per pair.

50 beautiful White and Colored ROBES at \$1.50 to \$3.50-worth twice that amount. We have put them do cheap because we are overstocked in them, and do not want to carry them over.

We will place on our Special Bargain Counter a lot of WHITE GOODS and WOOLEN GOODS, to which we Alabama. Under the Cherokee law one | your attention. They are well worth looking after, as some of the bargains offered cannot be picked up every day.

> The remainder of our stock of STRAW HATS is to be sold at fifty cents on the dollar, in order to close then entirely. They consist of all kinds, from the finest Mackanow to the lowest Bullrush Hat, from 5c up. Think of it. Hat that you have to pay \$1.25 to \$1.50 for elsewhere, you can buy from us at 5oc. They are doomed, and must go,

Our Dry Goods trade has so enormously increased this Spring-thanks to the kind and generous patrons. friends and customers-that we feel very much encouraged in our efforts, and will in future try still harder to Ladies, by keeping a Stock of Goods that shall surpass in beauty and elegance anything in the country.

Yours truly,

Bleckley, Brown & Fretwe

OUR GIGANTIC SALE!

TO COMMENCE THIS, THURSDAY, MORNING WHEREAS, James T. Jones has applied to me to grant him letters of Administration on the Estate and effects of John C. Whitefield, deceased.

MARVELOUS AND STRANGE, BUT YET TRUE.

IN the rear part of our Store we have arranged three large BARGAIN COUNTERS, and have placed on them and the good and desirable Goods that they are worthy of everybody's attention.

COUNTER NO. 1.

Will contain 2,000 yards Figured Cambricks, 30 inches wide, used for Ladies' and Children's Dresses, guaranteed fast col worth in any large city 10c—we offer at only 5c. Here is a hummer: 5,000 yards Indigo Calico, beautiful designs, a recently at wholesale for 7c, but our recent purchase enables us to offer at only 5c. Now you will become paralyzed: 1; vards handsome Striped Crinkle Seer-sucker-light cream and tan ground, interwoven with a small stripe, in colors of blue and black—these sold in Anderson last week at 15c—you can have ours at 84c. This takes the cake: 1,000 yards that exquisite large satin check Mull White Dress Goods—all the rage in the Eastern and Northern cities—worth today any retail store 30c, we offer them at 121c. Something far more precious than gold: 6,000 yards Check Nainscoks; s finish, 34 inches wide, we offer as long as they last, at 64c.

COUNTER NO. 2

Keep cool, Ladies! We have in stock 500 yards of Navy Blue and Seal Brown Nuns Veiling, warranted all wool on way—you know the price everywhere else is 20c, you can buy ours for 10c. Tell your neighbors about it! A large lot of Cheese Cloth—in pink, blue, tan, lilac, cream and white—our brother merchants all charge 8c to 10c, we offer our big lot at only 5c. A large size inducement: In order to introduce our French Imported Batiste, which we have in very Lundsome and new patterns, we have marked them down from 18c to 10c. To be appreciated must be seen! One piece of each color—tan, light blue, navy blue, cream, pink, white—Fine French Satins, real imported, and cost to manufacture 35c, which no bought at a sacrifice, hence offer at 20c, one yard wide.

COUNTER NO. 3.

This is a dandy: 5,000 yards India Linen White and Colored Lawas-one yard wide, nearly as fine as Mull, go nough for any queen to wear-our price will be only 10c. In the reach of all: 50 large White Quilts, free from starch and a perfect gem—housekeepers should not pass this by—price only \$1.00. Oh, how pretty: Those Canvas Dress Goods which you have been reading about. Some old time merchants want a quarter per yard, but we bought ours to sell and not to keep on hand. Our shades are cream and tan. Price 12½c. Lest, but not least, 75 doz. Misses' Brilliant Lisle Ribbed Hose—black, navy blue, seal, purple are our shades. New York retail merchants sell them at 35c. We have only large sizes, 7½ and 8½. Our price will be only 15c. Thanking the public for past patronge we cordially invite you to call again. Honest dealings, polite attention, if
