Tudge: The Grand Jury beg to report that

they have passed upon all bills of indict-

ment given out by the Solicitor, and have

otherwise discharged their duties.

Through a special committee they have

xamined the reports of the School Com-

missioner, County Commissioners and County Treasurer, submitted at the last term of Court, and find them correct.

They found the School Commissioner

badly in need of proper books for keep-ing a record of his transactions and of office furniture, and we recommend that the same be furnished him by the County

We are not altogether satisfied with the methods pursued in the conduct of the County Commissioners office. We think

he accounts against the County are ap-

proved without sufficient investigation of

their correctness, and especially is this the case in the department of repairing bridges and highways, and we would recommend that such accounts be required to be itemized so as to show the quantity

and class of material used and the amount of labor performed. We would also recommend that the Steward of the Poor House be required to make to the County

be followed, and we recommend this course because it will be a safe precedent

We further notice that large sums are

We find the Treasurer's books and

vouchers kept in a most creditable man-

ner, and are highly pleased with the way in which he is conducting his office.

The County jail is badly in need of heating during the Winter, and we recom-

mend that steps be taken before the next

Winter to have a proper heating apparatus

placed therein.
We have examined the new indexes of

the Mesne Conveyance Office, being at present prepared by the Clerk, and are much pleased with the work. We believe it will be, when finished, of great service to the County, and therefore recommend that it be pushed to completion as soon as resemble.

We have received a communication

from certain citizens residing on Big and Little Twenty-Six Mile Creek, making

complaint about flooding of lands lying along those creeks by persons engaged in the cultivation of rice. We append the communication to this report and recommend that it be referred to the County Commissioners to take such steps as the

law requires.
We desire to congratulate the County

upon the fact that it has an efficient, able, and trustworthy corps of County officers—were greatly pleased in our recent examination of their offices, to find our County

We also desire to return our thanks to

the Presiding Judge and Solicitor and other officers of the Court for the many

We do not believe, nor do we in-It is right consoling to think of blackberries being ripe and spring chickens tend to say, that there has been pecuniary benefit derived by those in charge of that institution, but we think in the conduct of public business, the best methods should large enough to fry. No danger of us poor fellows starving over here.

Crops continue to look fine, and our farmers are laying by their corn. Rev. Baxter Hays will preach at Long Branch Church the first Sunday morning in July, at 11 o'clock, on the subject of temperance or prohibition. He will also preach at Neal's Creek at 4 o'clock in the alternoon of the same day.

The Neal's Creek Sunday School will meet and sing with the Dorchester Sunday School next Sunday morning at 9 o'clock, consequently the former School will not meet until 4 o'clock in the afternoon.

Our Sunday School

Our Sunday School was addressed last Sunday morning by Col. J. G. Clinkscales, in his usual pleasant and interesting manner. He was followed by Rev. D. W. Hiott, who made a most earnest speech in behalf of the temperance cause. After a short intermission, the congregation re-assembled in the house and listened to a most excellent sermon by Rev. G. M.

Rogers. The speakers all touched on prohibition, which was well received by the congregation, for the Neal's Creek people are on the right side.

MR. EDITOR: I have been waiting for some time for some one to whoop up old Brushy Creek, to let the outside world know that she is a portion of old Anderson County, situated in the extreme Northeast corner of said County. There has been several efforts made in the past to cut her off to Greenville County, but she had enough loyal sons to kick against any such a slice being cut from her to Greenville or any other County, especially after we have got our roads in such good condition, although some were last Winter in a state of rebellion, but had no idea of seceding; but now (to use the language of Bill Arp all is calm and serene on that subject, except two Overseers—Mr. J. M. Davis and Mr. John Long. They say they cannot get pecially those sowed in the Spring, are through in the time prescribed by law they have worked faithful, some five or six

The fruit crop is almost a total failure.

What few peaches the cold weather left way. Now, what is to be done in their I see no other way out of the diffiout for the petition. What next?
Well, prohibition deserves some notice.

George Sullivan, colored, of whom we spoke of some weeks past, is suffering considerably from the bullet, which is still in his leg. He got up able to work, and did work for several days, after which his leg became inflamed and very much swollen, giving him a great deal of pain and prostrating him. He is thought by some to be in quite a critical condition.

Mr. Willis Evans has invented a novel plan to catch fish. He sets a common I hardly know what to say on that subject to vote on prohibition, as they claim that they are already prohibited in the County. So you see, Mr. Editor, the various ex-

certainly have charge of that part of the

ones gone before, they shall see more clearly, and in the light of the glorious radiance streaming from the Throne of the Eternal, Loving Father, they shall be allowed to see that which now seems so dark had a blessing hidden in it, and they will be enabled to say, He hath done all things well.

A FRIEND.

Can har them all around which is cheering, indeed.

Mr. John Laboon has just moved into his new brick building, which is said to be the finest building in the township, if not in the County. Mr. J. M. McElreath, contractor and builder, erected the building. A FRIEND.

Symp in his family with the most satisfactory results, in all cases of Coughs, Colds and Croup, and recommends it in particular for the little ones. Sample bottle free at Orr & Sloan's.

Just What They all Say.

Hon. D. D. Haynie of Salem, Ills, says he uses Dr. Bosanko's Cough and Lung Syrup in his family with the most satisfactory results, in all cases of Coughs, Colds and Croup, and recommends it in particular for the little ones. Sample bottle free at Orr & Sloan's. J. F. Stone has on his farm a young at Orr & Sloan's.

C. F. Jones & Co. have received another ries, Flouncings, Dress Goods, Mills' Corsets, etc., which they are selling much under former prices. All who have mon-ey to spend would do well to visit their store, which has been more popular than ever this spring.

\$1.00, at C. F. Jones & Co.
