Conclusion of the Investigation

The preliminary hearings in the cases of the State .s. Mrs. M. E. Keese have been terminated, and all were sent to the Court of General Sessions for further investigation. She is now charged with arson in two cases—one for burning Mr. L. H. Seel's barn and stables, and the other for burning Mrs. C. D. Bewley's residence. She is also charged with forgery, one allegation being that she forged and passed an order purporting to be signed by Mrs. J. Trowbridge to Mr. W. A. Chapman. The amount of the goods ordered was about nine dollars.

The bond in the first case of arson was fixed by Judge Wallace at \$2,500, which was given with Mr. F. J. Pelzer as security. The other bonds have not yet been given, but it is understood that they will be fixed at \$2,000 for the arson case and \$500 for the
