STATE DEMOCRATIC TICKET.
For Governor, BENJAMIN E. TILLMAN, of Edgefield.
For Lieutenant Governor, EUGENE B. GARY, of Abbeville.
For Secretary of State, J. E. TINDAL, of Clarendon.
For Attorney General, Y. J. POPE, of Newberry.
For State Treasurer, W. C. T. BATES, of Orangeburg.
For Comptroller General, W. ELLENB, of Marion.
For Adjutant and Inspector General, HUGH L. FARLEY, of Spartanburg.
For Superintendent of Education, W. D. MAYFIELD, of Greenville.

In our humble opinion, at no time in the history of South Carolina has such a grave crisis presented itself as now confronts the people of this State. Two tickets, for the first time since 1876, are presented to the white people for State officers—one nominated by delegates constitutionally elected according to the rules and regulations of the Democratic party, and headed by Capt. Tillman, and the other put forward by a conference—self-elected and representing, as we conscientiously believe, a small minority of white people, and headed by Judge Haskell.

It is the solemn duty of every Democrat in the State to vote for the ticket regularly nominated, with Capt. Tillman at its head. We also believe that the ticket headed by Judge Haskell to be an Independent ticket, and as such should be defeated, as its success would endanger all we hold dear. Such being the case, every Democrat in the County should look up his registration certificate, and be prepared to vote against it.

BE TRUE TO THE DEMOCRACY.

Last week we said, "We prefer Tillman with a solid Democracy to Haskell with a divided party." This we repeat this week, and with even more emphasis. We have repeatedly said that we do not favor Tillman on Tillman's account, but we favor the Democracy. We are Democrats, and one of the rules of Democracy is that the majority shall rule, and since Tillman has been chosen by a majority of the Democracy of South Carolina, and will unquestionably receive a majority—and a big majority, too—of the Democratic votes of this State, we support him, and look upon the Haskell ticket as an Independent move. Our idea of a political Independent is one who refuses to submit to the rules of the party to which he belongs, and votes or runs as a candidate not subject to those rules. This, we believe, that ticket has done, or those putting it in the field. Consequently, we look upon them as Independents, and hope to see them completely snowed under by the white men of Democracy, notwithstanding any foolish remarks or speeches or declarations that may be made by Tillman or his followers. Tillman cannot drive us away from Democracy, even by a speech advising bloodshed or by threatening it, for we are not supporting Tillman on Tillman's account, but for the sake of Democracy. Bacon, who is on the Haskell ticket, is tainted bacon, and will not season our beans and tripe well this fall, for he sought a place on the ticket put out by the September Convention, but falling, bolted the ticket and now runs on this Independent ticket. We like bacon, but it must be sound and free from taint or we will discard it.

Now, we call on our readers, and every Democrat in South Carolina, to look away from the men who compose the Democratic ticket to the Democratic party represented by that ticket; and in the interest of that party talk for it, work for it, and vote for it. This we purpose doing with all our heart.

THE DEED IS DONE.

An Independent Ticket by the Haskell Conference.

Special to the Greenville News.

COLUMBIA, S. C., Oct. 9.—The convention called to nominate a State ticket in opposition to Tillman was in session to-night one hour and twenty minutes.

A full State ticket was nominated, an address to the people issued, and committees appointed to conduct the State canvass.

Nineteen Counties were represented by 164 delegates. They were called to order by Chancellor Johnson and Gen. W. W. Hattle was made chairman.

J. D. Blanding, of Sumter, introduced resolutions to go into nominations.

J. E. Macdonald, of Fairfield, spoke against it, but it passed, and the following nominations were made:

For Governor, A. C. Haskell, of Richmond.

Lieutenant Governor, W. D. Johnson, of Marion.

Secretary of State, Edwin Harper, of Williamsburg.

Attorney General, Joseph W. Barnwell, of Charleston.

Comptroller General, Edmund Bacon, of Spartanburg.

State Treasurer, W. A. Annum, of Kershaw.

Adjutant and Inspector General, R. N. Richbourg, of Richland.

Superintendent of Education, E. B. Magallon, of Greenville.

The following address, offered by Chancellor Johnson, was adopted:

"We as citizens true to the principles we believe to be right, and as Democrats true to the principles of Democracy, faithful to the national democratic party and adhering to the doctrines upon which our government was established in 1876, state briefly the reasons which have led us to present to you a ticket for State officers in opposition to the Tillman ticket.

The first principle of the democracy is a government of the people by the people and for the people. The Tillman ticket is a government of the few by the few, and for the few. The national democratic party and adhering to the doctrines upon which our government was established in 1876, state briefly the reasons which have led us to present to you a ticket for State officers in opposition to the Tillman ticket.

The first principle of the democracy is a government of the people by the people and for the people. The Tillman ticket is a government of the few by the few, and for the few.
