The parlor was becomingly decorated with evergreens. At 6 p. m. the attendants entered the parlor in the following order:
Mr. Ross Henderson and Miss Emma Algood, Mr. Enoch Gambrell and Miss Nora Smith. Then came the bride leaning on the arm of the groom. Before them stood the Rev. D. Weston Hiott, who, after a short ceremony, pronounced Oscar Pepper and Jessie Henderson husband and wife. When congratulations were over, supper was announced, and a supper it was-everything that could be desired—and those present seemed to do full justice to the occasion. As the hours whirled away sweet music was made by Miss Emma Algood and Mrs. Oscar Pepper, the bride. We didn't have the pleasure of being present at Mr. Pepper's at the infair, but from what we know of the family, we are satisfied that those who attended had a de-lightful time. This marriage united two prosperous families of upper Anderson.

JAS. A. DRAKE, and family

Numerous friends and acquaintances are constantly accosting me on the streets for an explanation of the disposal of lots and stock in the new town of Calhoun Falls by the Western Carolina Land and

Improvement Company.

I hereby take this method of informing all who contemplate investing at Calhoun Falls that the plan, as offered by the Com-pany, is the most liberal that could be de-vised, taking into consideration the many advantages as they present themselves for the building of a large and prosperous city. In the first place the site secured is the most beautiful that could be found anywhere requiring such a large body of land in order to carry out all the require ments of a strictly modern town : the sur vey in keeping with the most systematic and modern city in the United States; the proximity to the river where the finest water power in the South will be utilized water power in the South will be utilized for the purpose of running thousands of spindles; the Railroad facilities exceptional, being on one of the most important trunk lines penetrating the South, and the other from the Atlantic Coast (Port Royal) to the West. Secondly, Calhoun Falls is near the centre on the line from Monroe, N. C., to Atlanta, Ga., in the heart of the finest agricultural the South, and where, in the near future, truck farming will be carried on profits-

This Company, in order to stimulate the growth of the town, will encourage and foster every enterprise that can be carried on profitably. In order to prove a success, the money realized out of the sales of lots and stock will be applied towards the improvement of the town—such as the building of a modern and commodious hotel, knitting mills that w..' employ several hundred operatives, the grading of streets and avenues, and lastly take stock in such other enterprises as may be deemed necessary and expedient by the management for the good of all, and in any other way to aid the rapid building

of the town.

The first plan as offered by the Company is as follows: The Company places one thousand lots and one thousand shares of stock, the par value of which is \$100, and "non" assessable. The price for one The price of cotton seed dropped last lot and one share of stock is fixed at \$150, and ten per cent. monthly until the entire amount is paid, when the lots will be as signed to each subscriber by disinterested parties. Subscribers will bear in mind that part of the lots will be business lots, and every purchaser has an equal chance to have assigned to him possibly all bu-siness lots. Those who are so fortunate will get many times the value of their original investment. The business lots are 30x145, and the residence lots 50x180,

> served by the Company, and to be se-lected by the purchaser wherever desired, at the following scaled prices: Inside bu-siness lots, 30x140, \$150; corner business lots \$200 and \$300, according to location; inside residence lots, 50x180, \$100 and \$150; corner residence lots \$150 and \$200, according to location. The Company will also make liberal concessions to parties who, under this announcement, purchase who, under this announcement, purchase with a view of building. The terms are easy—one-third cash, balance from six to twelve months from date of purchase, so as to enable men of moderate or small means to secure a business or residence lot on ground floor figures, and grow up with the town as developments take place. The enterprise is young, and, comparatively speaking, a new undertaking in this portion of the State, really not yet fully understood by the majority of the people, but stop and reflect for one moment to what extent several towns in our State on one line of Railroad only, have grown during the past few years to new town, there were always more to be found to pull down rather than build up a community; but in this instance the promoters of the enterprise have the full object in view to build and develop, to spend the money realized out of sales of lots and stock, to locate enterprises and take stock in all enterprises that will tend towards the building up of Calhoun Falls, Remember that every purchaser of one lot and one share of stock becomes interested in Calhoun Falls as a property-holder and stockholder in all of the lots ments, manufacturing enterprises, and in

future will prove.

Very respectfully,

O. Geisberg,

Manager Western Carolina Land

Mr. W. J. Compton, of Oconee County, was in the city Monday, and gave us a call. Though not a resident of Anderson County, the INTELLIGENCER is still a welcome visitor to his home. Mr. Compton has given up teaching, and is now engaged in farming and merchandizing, and we are glad to know is succeeding well. Our Andersonville correspondent sends us the following: "Married, on Thursday, December 4, 1890, at the residence of the bride's father, by W. F. M. Fant, Esq., Mr. J. C. Feltman and Miss L. A. Wright, all of the Fork. We wish for them a happy career through life, and may the richest blessings be theirs."

Mr. J. B McCuen, a well known citizen of Pelzer, died at his home in that place on Wednesday, 3rd inst. He moved to Pelzer from the Fork Shoals section of Greenville County He was a prominent Mason and a member of the Baptist Church. His death is deeply regretted by his friends, who held him in high esteem.

missed me? I reckon not or they would have said something about it. I was in Anderson last Monday, where I met many old friends and had several hearty hand shakes, but not from candidates. However, one man squeezed my hand unusually hard, and threatened to be a candidate in 1892. He wanted me to be a candidate in 1892. He wanted me to shoot from "long taw," and I came very near doing it, but I feil behind the dead line and told him "I will see you again." Well, I enjoyed myself hugely, but failed to replenish the inner-man at Mrs. Riley's table, (as I usually do) and I've been sorry of it ever since. In fact, I have been hungry ever since.
