The "flying jenny" has reached the city, and the small boy is delighted. Rev. R. H. Smith and family have gone to Greenwood to spend a few weeks.

Our young friend, Louis C. Harrison, left Anderson a few days ago for Rock Hill, S. C., where he has accepted a position in the Bank. Mr. Harrison is a worthy, upright young man, and our best wishes go with him to his new home.

One day last week a Baltimore drummer called on Messrs. G. F. Tolly & Son, furniture dealers of Anderson, to sell them some good practice in their dealing and hearing their, the drummer took their goods and is now travelling for them.

We invite the attention of our readers to W. H. Harrison, Co.'s new advertisement. These young gentlemen keep their stock of groceries and confectioneries fresh and complete, and by their fair dealing and low prices are making new customers every day.

Mr. U. E. Seybt, of Jones, Seybt and Co., left yesterday for the Northern markets to lay in a big supply of Spring and Summer goods, and will return here to engage a first-class milliner, who will accompany him home and take charge of the millinery department.

Messrs. D. S. Maxwell & Son are now supplying their customers with some very fine jelly, which we have had the pleasure of sampling. They have a large stock of it, and are selling it at a very low price. Give them a call and try it. You can get almost any flavor and in any quantity you may want.

Mr. Joseph C. Stribley left Anderson yesterday for Lancaster, Ga., where he will take charge of a school and continue to teach the "young idea how to shoot." Mr. Stribley is not only an excellent teacher, but a deserving, worthy, upright young man.

Andersonville Items. The farmers are very much behind, not being able to do scarcely any work on their farms. Very little oats have been sown up to this time, because some have taken advantage of the very few fair days and dobed them in.

The water crop is looking very promising in the Park. The water courses have been very high, and from the number of saw-logs that are being floated down the Seneca some one is a heavy loser. It is estimated that not less than eight hundred or a thousand logs passed this place the 9th inst.

The members of our Church are very much put out in the way of a preacher. They met and called one, requested the Clerk to write and let him know the action of the Church, and ask him to meet with them the next time.
