Ayer's Sarsaparilla, being a powerful and highly-concentrated alterative, is the most effective and economical spring medicine ever prepared. Take it yourself and give it to your children.

"For several years, in the spring months, I used to be troubled with a drowsy, tired feeling, and a dull pain in the small of my back, so bad, at times, as to prevent my being able to walk, the least sudden motion causing me severe distress. Frequently, bolls and rashes would break out on various parts of the body. By the advice of friends and my family physician. I began the use of Ayer's Sarsaparilla and continued it till the poison in my blood was thoroughly eradicated."—Luther W. English, Montgomery City, Mo.

"I have used Ayer's Sarsaparilla as a remedy for the various diseases common to the spring time, and also as a tonic for the system. "Every spring for the last nine years I have been in the habit of taking Ayer's Sarsaparilla and I can truly say that I never used any medicine that did me se much good. I am convinced that it is the best medicine of the kind in the market, and recommend it to all who are in need of a reliable and effective blood-purifier."—
