"Whosoever will, let him come!" BRETHREN AND FRIMNDS: On Tuesday, August 18th, we intend, God being our helper, to begin a course of preaching services in Grace Church. We have a two-fold desire and aim : First, to stir up the wills of God's people-those already pledged, through the Sacrament of Bap-tism, to the service of Christ. Second, to invite those who have not yet tasted that the Lord is gracious, to come unto him, that they may have life, that they may have it more abundantly, over and above this life, which to all, saint and sinner, over proves so unsatisfying. All of you, then-will you not come, and let us reason together?

All that we ask of you, and that for your own well-being, is this-come and see! Come with an honest motive, with a hearty willingness to try the tests, whether or not the prince of devils is a better task-master than the Frince of Peace. We implore the earnest prayers of all.
