The religious meeting being conducted by Rev. H. S. Abbott and wife, in the tent between the oil mill and cotton mill, is still going on well and continues through the week. A most distressing and perhaps fatal accident happened in Martin Township at noon yesterday. The victim was Miss Palle Hall, daughter of Mr. J. B. In a few seconds she was enveloped in a blaze and, screaming aloud, ran out of the house. Mr. Hall, hearing her cries, ran and met her about one hundred yards from the house, and as he began tearing the burning clothes from the unfortunate young lady, she was so badly scorched that she was unable to walk. Her arms were carried into the house, and she was laid on a bed. Her back, breast and stomach was burned brown, and one of her arms was burnt almost to a crisp. She was lying at an early hour in the morning, but her death is expected at any moment.

We believe that the most effective way in which women's work can be carried on in the Counties is through the organization of a woman's auxiliary in each District Union. And as our Associations let our societies be represented, not as societies, but as Unions, composed of several societies, we have been organized in District No. 2, only since the year 1892. We will soon give our annual report, showing what we have done as a Union independent of individual society work. Please see printed program for coming meeting.

### Lebanon Items.

Your "visitor" of last week, Mr. Editor, gave a pretty correct statement about the meeting, but did not write all. The Church elected Jephtha Harper, Wm. Harper, Homer Holland and Henry Walker as delegates to the World's Fair. They hope to meet a full delegation from every Church. They will bear something about the most proper and best conditions of success, its management and its wants. Now, as the Supreme Being will not let down his people in their hour of need, send your best men and say to them "leave your 25 and 50 cent pieces at home and bring your 10 cent pieces." They will return to your Church and give them some encouragement." Those who give cheerfully never miss what they give, for it is theirs.

Mr. W. B. Qualls has sold his land to Dr. Duckworth for \$15 per acre, and will move to Seneca, S. C., to live with his wife and children. Oh, how we hate to give them up. Mrs. Qualls had a class in the Sunday school, I think, for 14 years, summer and winter. Dr. Duckworth is a very good man, and will do well to have a higher price than he received in this transaction.

Our crops are right good, especially potatoes.

The health in our community is very good.

The farmers can haul their cotton over Burris' Bridge when it is completed. Can't tell when that will be.

Mr. Wm. Harper and family will move near Six-Mile Church, Pickens County, soon. They must come to Lebanon when they wish in a half day's drive.

If there is any courting going on about here I know nothing about it, nor do I care.

C. W. GRIFFIN.
