On Tuesday evening, at 9 o'clock, Mr. A. F. Chennault, of Lincoln County, Ga., led Mrs. Olivia Moore Stevenson, of this city, to the hymeneal altar. The marriage ceremony was beautifully and impressively performed by Rev. D. E. Frierson, D. D., of the Presbyterian

At the hour named quite a number o friends had gathered at the lovely home of the bride, on South Main street, to witness the happy event. The parlors were tastily decorated with ivy and beautiful hot house flowers, and as the happy couple stood in the centre of the floor, surrounded by the merry crowd of friends, listening to the impressive and solemn words of the minister, a pretty scene was presented. The bride wore a lovely China silk with lace drapery, and

diamond ornaments. After the usual congratulations had been extended, the dining-room was thrown open, and the bountiful feast which was spread before the guests would have convinced an epicure that the hostess was no novice in the culinary art. For several hours following music and mirth reigned, and the happy guests were loth to depart when the wee small

hours rolled around. The bride is one of Anderson's mos excellent ladies, and the groom, who is an extensive and prosperous farmer of Lincoln County, Ga., is fortunate in his selection of a wife.

The couple left the city this morning groom's home, where they will spend a few days. They will return to Anderson and make this their home.

I noticed the Roberts correspondent is in favor of working the roads with convicts, and asks the opinion of other correspondents on the subject. I, for one, am in favor of better roads in this country than we have nowadays for many reasons. By having good roads we would save the wear and tear of our vehicles by a large per cent. We would save our stock and ride more comfortable while taking our afternoon rides. What looks better in a comnunity than to see real good roads and oridges? You all know the plan the roads

Miss Jennie Little, of Rock Mills, is visiting her sister, Mrs. J. P. Gray.

Two young men called on their best girls last Saturday night, and, as it snowed, they had to spend the night. The girls, in preparing the room for the boys, pulled the slats out on one side of the bed so they might get a fall when they retired. But, to their surprise, the trap did not fall until late in the night, and the whole house was awakened with laughter.

Mrs. S. L. Gray was called to the bedside of her sick father last week, Mr. R. W. Todd. Mr. Bob Chamblee has completed his

nill and is ready for grinding. All the standard patent medicines for sale by Wilhite & Wilhite.

"We buy guano and throw away our manure, which is better than guano.
"We throw away our ashes and buy soap and axle grease.
"We buy cabbage in the winter and garden seeds in the spring.
"We let our land grow up in bushes and buy our brooms.
"We throw away the wax out of our gum trees and buy chewing gum for our children.
"We raise dogs and buy wool.

Mr. C. J. Hampton, of the Rocky Rivers again last Saturday p. m.
Mr. John G. Burriss, of Flatwoods, Ga., passed through here recently, returning from Fair Play, S. C., where he had been on an important mission. Mr. Burriss is a polished young man, and would be a splendid catch for the young ladies. There are many other things we might tell the dear girls in connection with the above, but will dollke Sam Weller, "drop off suddenly, to make 'em want to hear more."

Mrs. W. T. McGee, with her daughter, Miss Minnie, and Mr. and Mrs. E. J. McGee, were up on the river last week near Baxter. Those wishing to know the object of their visit will ask Miss Minnie.
