Boston, which gave McKinley a plurality of 18,000 last year, elected a Democratic Mayor last Thursday by about 4,300 plurality.

In a card published a few days ago in some of the daily papers W. C. McGowan, Esq., denies that he is a candidate for Governor.

It looks now that China is to be divided up among the great powers of Europe. Germany and Russia have already secured their portion and England is selecting hers.

The Republican Congress has agreed "not to disturb the Dingley tariff bill." Certainly not! The problem is to find some way of preventing the Dingley bill from disturbing the Republican Congress.

Never before has a Presidential selection for an Associate Justice of the Supreme Court been opposed so earnestly by the bench and bar. McKenna will make the McKinley administration memorable if nothing else does.

Senator Archer, of Spartanburg, it is said, will be a candidate for Governor next year, and the main plank in his platform will be opposition to appropriations for the State Colleges. On that issue he will never see inside of the Governor's office.

Hon. Wm. J. Bryan has been elected anniversary orator of the Euphemian Society of Erskine College at Due West. It is to be hoped that the distinguished gentleman will find it convenient to accept the invitation and honor the occasion with his presence.

Senator Hanna's political prospects in Ohio are of the most desperate character. The appeals for help which are going out read the party air. The administration is being called on to interpose, even to the extent of threats of war and political destruction on all who fail to come into line.

Bishop B. W. Arnett, D. D., the historian of the African Methodist Episcopal Church, at the 34th annual session of the Conference of that Church in Charleston last week, declared that the word "negro" was good enough for him. He does not hanker after the title "Afro-American."

George W. Vanderbilt is determined that after he leaves this cold and cheerless world, his family shall have sufficient means to keep the wolf from the door. He has just insured his life for \$1,000,000, the largest policy ever issued in the world. It is what is known as a twenty-payment life contract with a yearly premium of \$35,000. At the end of twenty years the payments cease and the principal becomes due at death.

Congressman Norton, of Ohio, declared in the House that "Most of the men on the pension rolls are perjurers." He wished to change "most" to "many" and the privilege was denied him. He should have stood by his declaration. It can be proved in cold figures. There are at present over 900,000 names on the pension rolls, while the best statistics obtainable make the number of living federal soldiers less than 100,000. Mr. Norton hit the nail squarely on the head. It is a fraud and a steal in comparison with which the credit Mobilier and Panama affairs are but cases of petty larceny.

Mr. Joseph A. McCullough, member of the House of Representatives from Greenville, is going to try to stop the killings in South Carolina by instituting a kind of dress reform. He has prepared a bill that will doubtless be one of many on the same subject to be introduced in the Legislature, to prevent carrying concealed weapons. The bill makes it unlawful to wear what is known as a "hip pocket" in the rear of trousers or coat, and fixes the minimum penalty for the violation of the law at six months imprisonment and \$100 fine. The bill also provides that if for any reason a person wishes to wear a pistol he shall apply to the Clerk of Court, who, if he considers the reasons given by the applicant sufficient, shall grant him permission to carry a deadly weapon. The Clerk of the Court will also supply the said person with a badge, which shall be worn on the outside of the lapel of the coat or in some other conspicuous place.

NOTICE.

ALL persons indebted to the Anderson Co-Operative Alliance Store are earnestly requested and urged to pay their Accounts by Salesday in January, as the affairs of the Store must be speedily wound up. The Slaughter Sale of our Goods still continues for a short while when we propose selling out in bulk. Many will regret that they did not anticipate more of their wants when this golden opportunity has passed. The prices we are forced to make in order to move the Goods entails a heavy loss on us, but we are glad of the benefit it is to those who feel the low price of cotton which embraces our whole people.

Very respectfully,

R. S. HILL,

Manager.

We are always reaching out for more Trade, and making bids for new customers

By Offering Inducements

Which we KNOW will attract them.

THEY are not special inducements in the strictest sense of the word, but the attraction consists in our offering the best and most reliable Merchandise at the Lowest Prices. We do this every day, not once every two or three months, and the inducement to trade with us is not because we mark one line of Goods below cost and charge double profit for another, but because everything we sell is at a—

Uniformly Low Price.

We conduct our business on strictly honorable lines, and offer only reliable Merchandise. We do not buy everything that is offered us, but choose such Goods as are best adapted to the wants of our trade, and Goods that we can recommend to you with absolute confidence.

While the season, so far, has been rather unpropitious for

SHOE SALES,

It has now reached the stage when it will be absolutely necessary for you to provide against the rigorous weather by being properly shod. We can fit any style of foot with any style of Shoe at any kind of price, and assure you that you will be protected against any kind of weather. We have new Shoes arriving every week; don't buy all at one time, but keep them coming fresh from the factory, and you can know that you are getting something just out of the works when buying from us. Just come in and let us figure with you for all of the Shoes you will need for yourself and family this Winter, and see if we can't make it greatly to your interest to buy from us. We have some excellent articles in

Heavy Underwear

Which we know will interest you in price. You will need something heavy from now on, and there is no use delaying purchasing.

We are always ready to buy your Cotton. See us before selling.
