Echoes from Prospect.

What do you think about war? Did you see the Almanac man who was retching up pictures for the '98 Almanac? He was sent across the creek? Don't you think he will find some suitable over there?

We had a nice shower of rain last Sunday, which did the crops a great deal of good.

Cotton and corn are looking fine since the rain, and most everybody has a supply of grass.

Among the many farmers of this section, Mr. Abe Bolt has the best patch of cotton. He is a man who knows just how to treat the plant.

Why should we go to war to help Uncle Sam fight, when we have a Sam at home who needs help.

Mr. Oscar Sanders, who has been sick, is some better. We all hope to see Oscar out soon.

School at this place will open soon. Mr. Oscar Browne, a very prominent young man of this section, will be our teacher. We believe Oscar knows just how to manage the Prospect boys and girls.

From all appearances, wedding bells will soon ring about Prospect.

Mr. Lee Sanders, who has been very sick with fever, is up again.

Mr. Mat Barbin, who has been very sick for some time, is better. We hope he will soon be well.

Ask one of our boys what time his meeting adjourned last Sunday night.

We have only one candidate subject to the action of the Democratic primary election. Let us all vote for him.

How many candidates have we for matrimony, and who will vote for them?

We hear some cry of mad dogs, but they are not very numerous yet. Hope they will be scarce this season, for some of us may want to travel about at night and mad dogs lack a good deal of being good company.

The protracted meeting will begin at Prospect next second Sunday. Let us all get done work, so we can attend.

Ask one of our girls which coat she does she keep "Chicky" in. ROMKO.

The Committee adjourned for fifteen minutes.

Upon the Committee reassembling, Mr. Prince made the following report for the Committee on campaign meetings, which was adopted: To Democratic Executive Committee: Your Committee on County Conventions meetings be leave to suggest the following appointments, to wit:

Holland's Store, Aug. 4, 10 a. m. Iva, Aug. 6, 10 a. m. Marin Grove School House, Aug. 9, 10 a. m.

Anderson, Aug. 25, 10 a. m. Mr. Clardy made the following report for committee on assessments, which was adopted: The Committee on assessment of candidates respectfully report that we assess candidates as follows:

County Treasurer—\$5.00. Supervisor—\$5.00. Superintendent of Education—\$5.00. Judge of Probate—\$10.00. County Auditor—\$5.00. State Senate—\$10.00. House of Representatives—\$5.00.

On motion, it was agreed that what money remains in the Treasury after paying expenses of campaign be prorated among defeated candidates; provided no one shall not receive more than he has paid in.

The Committee on the question of submitting the liquor question to the voters of the County recommended the adoption of the following preamble and resolution: "Whereas the County Democratic Convention has requested the County Democratic Executive Committee to submit the question of the sale of intoxicating liquors to the voters of the County at the primary election; and whereas the State Democratic Convention has refused to submit the said question to the voters in the State, but has left it for each candidate to declare himself upon the question, while expressing itself in favor of the dispensary law."

Now, therefore resolved, that in order to meet the requests of the County Convention, every ticket for County officers and members of the General Assembly shall be placed at the foot thereof the following words:

"I do not vote for Dispensary. License with Constitution restriction. Prohibition."

Resolved further, that said vote shall be for the information of the members of the General Assembly and for their guidance. Resolved further, that should none of the three modes of dealing with the liquor question secure a majority of the votes cast on said question at the primary election, the two modes receiving the highest number of votes shall be submitted to the voters of the County at the second primary.

Resolved further, that the submission of this question shall not exonerate any candidate for the Senate or House of Representatives from expressing his opinion as to the best mode of dealing with liquor in this State, and that all such candidates will be expected to discuss the matter at the different campaign meetings in the County.

The resolutions were adopted. On motion, the following Committee was appointed to arrange for the state campaign meeting and the reception of the candidates: Geo. E. Prince, T. H. Burriss, J. A. Hall, S. N. Pearman, J. E. Breazale, C. G. King, G. F. Tolly.

By the terms of the constitution of the party, all candidates for County offices must file their pledges with the Chairman of the County Executive Committee on or before the first county campaign meeting, and pay their assessments to the Treasurer of said Committee.

The several members of the County Democratic Executive Committee were requested by the County Chairman to furnish the County Chairman the names of three persons to be appointed managers of the primary election for his club, and the County Chairman was authorized to make and publish the appointments, and to fill all vacancies which may arise.

On motion the Committee adjourned. J. E. BREAZALE, Chairman. W. H. SHEARER, Secretary.
