

Stock Taking is Over

And we are now bringing to the front and displaying conspicuously

ALL SUMMER GOODS!

As the good housekeeper would say, we are having a

HOUSE CLEANING,

Preparatory to the reception of Winter Goods. We are more than ever determined to clear out all

Hot Weather Goods,

Even if it must be done at a sacrifice. Now is a great opportunity for the public to secure rare bargains in all the departments of our Mammoth Establishment. It has always been against our policy to carry Goods over, and we are now more thoroughly convinced of its correctness. For the next two months we will concentrate all our efforts towards the carrying out of this policy, and by the first day of September next we hope to have succeeded in clearing our Store of all Goods not saleable at that season. In this connection we would invite your especial attention to our stock of—

DRESS GOODS OF ALL KINDS,

And more especially to our—

BLACK GOODS,

As we have undoubtedly the largest and best Stock to select from in the city. Also,

DRESS TRIMMINGS,

LACES and

EMBROIDERIES,

In great variety. We also have a great many nice things in our—

Millinery Department,

And an artistic and experienced Milliner to do the work. We are offering some bargains in—

Ribbons and Sashes.

We will sell—

Fine Shoes and Oxford Ties

Cheaper than ever before.

All Summer Goods Must be Sold.

If you fail to participate in their distribution you will be the loser.

The Chickamauga correspondent of the Columbia State, writing under date of the 14th inst., says: "B. T. Norris, of Company C, who was so seriously injured by being kicked by a mule, is considered to be worse to-day. There were hopes for his recovery yesterday, but his condition is now very grave. Capt. Watkins paid a high compliment to the poor boy to-day, saying that he was one of the most faithful soldiers in the regiment. Norris was assigned to the hospital corps, and did his work well. The mule which kicked him was one issued by the Government to the regiment and is a vicious brute. The soldiers all hope that their comrade will get well through." Mr. Norris is the eldest son of Mrs. Maggie Norris of the County. Good friends of his country and his many friends who will regret to hear of his misfortune. The latest information from Chickamauga says he is now improving rapidly, and will soon be ready for duty again.

The Columbia State of the 14th inst. says: "It was expected that the appointment in the new regiment made vacant by the resignation of Quartermaster Sullivan would be made by Governor Elliott yesterday morning, and all day the friends of the numerous applicants hung about the executive department, first to press their claims and then to see the direction in which the plan was going to drop, but those anxious gentlemen were disappointed, and they finally retired to snoop with their noses. Late last night, Governor Elliott made his decision and gave the appointment to Mr. G. C. Sullivan, of Anderson, a thoroughly competent man and a bright and popular city editor of the *Register*. His appointment will be the source of great pleasure among his many friends throughout the State." Mr. Sullivan came home last Friday to spend a few days, and is receiving the congratulations of his friends. He will make a model Quartermaster.

A shocking and fatal accident occurred last Thursday at the home of Hon. B. E. Crayton, two miles west of this city, by which his grandson, Mr. William Crayton, lost his life instantly and a negro laborer was so badly wounded that he died a few hours later. Feed for stock was being cut up in a machine led by the negro and run by an engine, and occasionally the machine would catch and cause the hind on the mill to slip. Without stopping the engine Mr. Crayton lifted the top of the cylinder containing the knives and attempted to clear it. Suddenly the cylinder burst and the knives were thrown from their position, striking Mr. Crayton and killing him instantly and another striking the negro, crushing his left thigh and hip. Mr. Crayton was the eldest son of the late Samuel M. Crayton, and about 33 years of age. He managed his grandfather's farm, and was a bright and energetic young man. He was highly respected by a wide circle of friends, all of whom deeply sympathize with the sorely bereaved grandparents, mother, brothers and other relatives who are left to cherish his memory. On Friday morning the funeral services were conducted at home by Rev. J. N. H. Summers, after which the remains were interred in Silver Brook Cemetery. A very large crowd of friends attended the funeral.

Death of Mrs. Tate.

Mrs. Cynthia Tate, relict of Tilman Tate, died at her home near Moscow, S. C., July 12th, in her 77th year. After funeral services, conducted by Rev. J. B. Herron in the presence of many relatives and friends, her body was laid peacefully to rest in the First Rock cemetery until the dawn of the resurrection morn. She was the mother of nine children, of which six survive to mourn the loss of a kind and affectionate mother. We feel sure their loss is Heaven's gain. To her family, neighbors and Church her life is forcibly described in Acts, 9:36. This woman was full of good works and almsdeeds, which she did with pleasantness. She had been a consistent member of the Baptist Church for more than a half century, but she has gone from us, we believe, to realize Rev. 21:4. And God shall wipe away all tears from their eyes, and there shall be no more death, neither sorrow nor crying, neither shall there be any more pain; for the former things are passed away. While it is not possible for her to come back to us, it is possible for us to go to her, which happy reunion may all the bereaved ones experience.

The State Board of Equalization met in Columbia last week and the reports of all the County boards were sustained. A comparison between the returns this year and those last year shows no material difference in the totals, that the valuation this year is about the same as last year. But there is a remarkable difference shown between different sections of the State. There is considerable increase in real property in the Piedmont section, while the middle and lower part of the State has greatly fallen off. The increased valuations from Anderson, Laurens, Oconee, Pickens, Spartanburg and Greenville aggregates \$1,600,000.
