Mr. W. A. Pant has given us a note that was written under date of March 6, 1811, by Gen. Robert Anderson, for whom Anderson County was named, to our kinsman, Patrick Norris, Esq. who was then Sheriff of old Pendleton District. In substance the note stated that a Mr. Josiah Wright had been indicted by a Mr. Cherry, and that Gen. Anderson would sign a bond for his appearance at Court. The note has been well preserved and was found by Mr. Pant among some old papers. The ink in which it was written has not faded and the chirography shows that the distinguished General wrote a very plain but beautiful hand.

Discovered by a Woman. Another great discovery has been made, and that is by a lady in this country. "Disease fastened its clutches upon her, and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night, and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." This writes W. C. Hamrick & Co., of Shelby, N. C. Trial bottles free at Hill-Orr Drug Co. Regular size 50c and \$1.00. Every bottle guaranteed.
