SHOES TO BEAT THE BAND.

WE don't have to talk through our hats to sell our Shoes. The Shoes sell themselves if you will only take the trouble to look at them. Quality and Prices do the work. We just stand aside and grin. You don't have to buy from us just because we grin. We have to grin, anyway, because we can't help it. When our Shoe sales almost double last year's we don't have to look sad-eyed and imposed upon, because we can't. So come on to the place where the brainless feet in Anderson County are shod, and if we can't shoe you and your family, your son John and his family, it'll be because you rather go barefooted.

P. S.—We can also "Shoe" the inner-man with such substantial as DEAN'S PATENT FLOUR and J. K. NO. 2 COFFEE that will make his mouth water, and clothe comfortably the legs of the outer-man with a First Class, Capital pair of Gentleman's PANTS for Sixty Cents that will just elevate the superannuated linen from the infantile shrubbery.

DEAN & RATLIFF.

N. B.—Parties owing us on Note or Account will save themselves considerable expense by settling up same before December 1st. If you haven't got a clear receipt from us we are talking to YOU.

A HAPPY CHRISTMAS AND A MERRY NEW YEAR

To all the good people of Anderson and of Anderson County; to all the good people for 50 to 75 miles around this bustling little city; to all the good people everywhere whose knowledge, forethought or instincts have led them to recognize and acknowledge a good thing when they see it; to all the bright, foreseeing people throughout the length and breadth of this pushing, progressive community who from selfish or philanthropic motives, who for self preservation or for pity's sake have so generously allowed their inclinations to lead them this way, C. S. Minor, the indomitable, and the Great and Good 10c. Store sends greeting and wishes you a Happy Christmas and Merry New Year.

We wish to thank you for the most liberal patronage it has ever been our good fortune to enjoy. This comes as a grand climax to a decade of pleasant and prosperous business relations with you which we trust and believe has been mutually satisfactory. We do not believe there has been anything approaching our good fortune for the past ten years, and it is with much pleasure that we place the prize where it justly belongs, at the feet of a discriminating public. And again we wish to extend our special thanks to those who have so kindly felt a friendly interest in us and have lost no opportunity of passing it down the line that this is the Place and we are the People.

To begin the New Year right we propose to cut the bottom right out of the old ship and let her sink or swim on her merits. We are going to clean up our stock now for a purpose and that purpose we shall tell you about later. Now look 'out' here's the way we start it off:
