Death of Captain Hill.

Capt. Thomas F. Hill, of this city, died at Cashiers, N. C., last Sunday afternoon at 3:30 o'clock.

The remains were brought to Walhalla Monday, and that night, through the kindness of Superintendent Anderson, a special train brought them from Walhalla to Anderson.

On yesterday afternoon at 4 o'clock the funeral services were held in the First Methodist Church, and were conducted by the pastor, Rev. W. W. Daniel, assisted by the Presiding Elder, Rev. J. B. Wilson, and Rev. W. T. Capers, of the Episcopal Church, after which the remains were laid to rest in Silver Brook Cemetery with the honors of the Masonic fraternity, the Knights of Pythias acting as an escort.

The order of the funeral procession was as follows: Mounted police, City Council, hearse, active pall-bearers, honorary pall-bearers, Masons, officiating clergymen, Knights of Pythias, members of family, friends and citizens.

Captain Hill was the third son of the late Col. Richard S. Hill, and was born in Hart County, Ga., Feb. 2, 1856. He was therefore in the 44th year of his age. In 1865 his father moved to Anderson and he has resided here ever since.

Resolved, That the City Council, as a work of its high regard for the integrity and purity of life of the deceased, both as a citizen and public official, do attend his funeral this afternoon in a body.

Resolved, further, That the Chief of Police and one assistant, mounted, attend as an escort to the remains.

Resolved, further, That the City Hall be closed for the day and crabs be attached to the doors, and that the Janitor toll the city bell from 4 o'clock until the remains reach the Methodist Church, and again from the leaving of the Church until the remains reach the Cemetery.

Resolved, further, That these resolutions be spread on our minutes, a copy be furnished to the family of deceased under the hand and seal of the City Clerk, and that the papers of the city be requested to publish same.

A new and vastly better device is substituted which enables the "Champion" to work amid stumps, rocks, ditches and ground where others fail or soon wear out.

Corner Dots.

Since the last time we wrote, Mr. Editor, we have been blessed with fine rains, which have added much to the life, health and animation of our people, as well as the lasting good and enlivening effect produced on vegetation.

Our crops, considering the very dry weather (which until recently changed for the wet), are remarkably good, and in some sections of the Corner the crops of both cotton and corn would be hard to surpass.

Since harvesting, there has been a good deal of time devoted by the farmers to pea culture. We are glad to see that our farmers are taking so much interest in regard to their own interests and that they are cognizant of the fact that the production of peas and peavine hay rank by the side of cotton and corn, if not surpassing either, while its main quality is to build up land which has been pulled down by the former crops, and to preserve it to the farmer for more abundant crops in future years.

For some time past our community has been the scene of much mirth, merriment and jollity, especially among the young folks. Parties and moonlight picnics have been the order of the day. A moonlight picnic to McGee's ferry, on Savannah river, was much enjoyed. Also parties at the residences of Rev. R. C. Ligon and Mr. R. P. Clinkscales.

Mr. W. T. A. Sherard, accompanied by Mr. Christie Sayre, of Anderson, went to Abbeville last week in order to attend to business.

Miss Bertha King, of Charleston, who has been visiting the family of Rev. R. C. Ligon, left Wednesday to visit friends and relatives in Aiken. Miss King, by her pleasant manner, won a great many friends, who will be glad to welcome her back again.

Misses Edna Whitmore and Della Riser, of Greenville, S. C., who spent several days with the family of Rev. J. V. Black, returned to their home last Thursday. Their stay among us was a source of great pleasure, and we were sorry that they could not stay longer.

A number of our citizens, together with friends from an adjoining neighborhood, took a day off last week and went seining on Savannah river.

Zarline Breezes.

Our farmers are very busy laying by their crops, getting ready for a much needed rest. Their anticipations for the summer is very great, as some of them are speaking of going to the mountains in wagons and taking the whole family, cook and all. Wouldn't that be fine?

There is a great deal of sickness in our vicinity now.

Miss Margaret Robinson, who has been sick with fever, is now able to be out again.

Quite a number of our young people attended the annual picnic at Sunny Slope last Saturday. They must have had a fine time, as that has been their constant talk since their return. Sunny Slope is, as the name explains, a beautiful place for a picnic.

Miss Rozella Bowen is visiting in Lowndesville this week.

Mrs. Belle Ables and little daughter, Mattie, spent Saturday and Sunday in Belton.

Miss Fannie Branyon, who has been visiting in Zarline for the past two weeks, went to Belton Tuesday, accompanied by Miss Leslie Branyon. After spending a few days there they will visit relatives and friends in Anderson.

Well, Mr. Editor, I never hear anything of Bethesda through your paper, so will write a few lines to let the people know there is such a place.

This section was visited by a nice rain last week.

There was a picnic at Portman Shoals last Friday in honor of Mr. W. M. Bolt's birthday, and every one of his children and all of his grandchildren but a few were present. We think that must have been one of the happiest family reunions that ever gathered together. After they had all got there they spread before the crowd one of the finest dinners that could be had at a picnic. The table was just loaded until we wondered why it could stand. Of course the young men in charge of the power house are just as kind as can be, and their kindness added much to the enjoyment of the occasion.

Mr. Ben. Ashley, of Waco, visited friends in this section recently.

The Champion Mower

THE MACHINE FOR THE WORK.

Little, if any, improvements have been made on Mowers and Wagons within the past decade except on—

The Champion Mower.

Wherein is this improvement, you naturally ask? THAT TROUBLE-SOME "PITMAN,"—the weak point on all other Mowers—is abolished on the Champion. A great substitute is devised, which puts the Champion too far up above competitors to talk about. You need not stop the horses or the knife, or throw the Machine out of gear to avoid stumps, rocks, ditches, &c. The driver keeps his seat and the Machine goes on mowing.

The Champion beats the world anywhere—among stumps, rocks, ditches, terraces, &c.

We will explain why!
