

# Dwarf Prices On Giant Values!

These words fitly describe  
our Selling of

## SUMMER GOODS.

A broadside has been fired your way, causing a most remarkable falling away of prices on all our Spring and Summer purchases. The season is waning. We are anxious to sell. This selling applies to every Department of our Store.

### OUR PRICES DO THE TALKING.

Compare them with others. STUDY THE FIGURES given below:—

We have a great variety of MUSLINS, &c., from 3/4c. to 5c. per yard. A lot of REMNANTS and Odds and Ends, Short Lengths, &c., in SILKS to be sold at a sacrifice. Just think of Silks at 12 1/2c. per yard. We have thrown on the Bargain Counter a number of Ladies' Sailors and Children's HATS and CAPS, and marked them far below regular prices. In fact, you can secure many rare Bargains in—

### OUR MILLINERY DEPARTMENT

JUST NOW!

In consideration of the immense popularity of RIBBONS, we are keeping our Stock thoroughly up, and you will have no trouble in satisfying your wishes in our Ribbon Department.

Though late in the season we are doing a nice business on FANS and PARASOLS, and in order to close out the Stock have made some remarkable price concessions.

### SUMMER UNDERWEAR

At the prices that we are selling it will pay you to buy now and lay away for next Summer.

We are still enthused on—

### LACES AND EMBROIDERIES,

And our Stock is up to high water mark in quantity, style and quality, but at low tide prices.

We have not sold all of those beautiful—

### SHIRT WAISTS

Mentioned last week, and are now offering—

Our regular 50c. Waists.....	at 38c
Our 69c. Waists.....	at 50c
Our 75c. Waists.....	at 55c
Our 98c. Waists.....	at 72c
Our \$1.35 Waists.....	at \$1 00
Our \$1.50 Waists.....	at 1 13
Our \$2.00 Waists.....	at 1 50

We also have a limited quantity of—

### READY MADE SKIRTS,

On which you will note the big reduction:

Seven Linen Skirts, with white insertion, formerly sold at \$2.50, to go now at \$1.98.

Eight White P. K. Skirts, with Insertion, former price \$3.50, price now \$2.50.

Only three White P. K. Skirts, with Tunic and Insertion—have sold quite a number at \$3.98—will close out these three at \$2.75 each.

And we have only one Skirt of extra fine quality White P. K., with Tunic and Insertion, that we sold formerly at \$4.25, will sell the one at the remarkably low price of \$3.25.

In addition to a nice assortment Linen and P. K. Skirts for Summer we have a good line of Black Skirts suitable for any season.

Also, a very handsome Black Taffeta Skirt that would be a good value at \$10.00, our price \$7.50.

If you are bothered with flies, and your slumbers are molested with the pesky mosquitoes, you will find our MOSQUITO NETTING a great protection. We have it in white, red, pink and blue.

We have culled out and marked, and placed conspicuously, all goods intended for this SPECIAL SALE. Our centre counters will not hold them all—BUT WATCH OUR CENTRE COUNTERS. Keep your eyes on them. For the next few weeks they will be burdened with Bargains for the public.

DON'T FORGET that while we are putting forth special efforts to get rid of all Summer Goods that almost every day we open up something new. We are not satisfied to be up-to-date, but up-to-the-moment.

Just received a lot of the Nobby or ("Cyrano") Beauty Pins and Pearl Beauty Pins—the latest Parisian novelty—and Belt Buckles and Back Combs.

Come and see us or write for Samples.

Mail orders attended to promptly.

Yours truly,

Anderson County claims to be the best County in the State in everything and our County Normal, which closes on Saturday, 29th inst., but adds to our claims. We have enrolled seventy-nine teachers, which is the largest yet reported in the State. The teachers speak of the work done by Supt. Thos. C. Walton, the principal, and Miss Sarah Thurston, the assistant, as not only interesting but of the very best educational value. There has been no blow and shooting off of pyrotechnics but hard work. This is what we need and we hope to see another next year upon the same basis. Prof. Walton has demonstrated that a prophet does sometimes have honor in his own country.

Among the appointments made by the directors of the Orr Cotton Mills we are pleased to note the name of Mr. Calhoun Harris as book-keeper. This is quite a nice and deserved compliment to a thoroughly competent and worthy young gentleman, and we congratulate alike the mill and Mr. Harris upon the happy selection.

Rain is very much needed everywhere in this County, not only to cool the hot atmosphere, but to revive the growing crops. Everything is needing rain. Corn and cotton are both suffering, and if it does not come soon the corn crop will be injured badly. The rainfall in this County since the 15th of April has been very light.

That man Minor, of the 10 cent Store, is up to another one of his freaks. He is now in the North visiting some of the largest domestic factories and attending to his direct importations of fine China and fancy holiday goods. Our Mr. Langston, accompanied by his niece, Miss Norma Garrette, is spending this week at the Harris Lithia Springs attending the annual session of the South Carolina Press Association, of which he is Secretary. Peter Gibert died at his home in Monterey last Friday at the venerable age of 70 years. He was an elder of the Presbyterian Church for many years. He was a school teacher in his early life and was a good one. He taught in this county and in Anderson, Pickens and Oconee. He was buried at Long Cane, the services being conducted by Rev. J. F. McKinnon.—*Abbeville Medium.*

Mr. R. M. Wheeler and wife returned Wednesday from a most pleasant visit to friends and relatives in Anderson, S. C. Mr. Wheeler was greatly pleased with what he saw in Anderson, both in town and county. He saw the famous electric plant on Seneca River which supplies Anderson with light and several factories with power. The generating plant is ten miles from the city.—*Toccoa (Ga.) Record.*

It has gotten to be quite a serious matter and one that demands some official attention—the reckless, thoughtless manner of handling fire arms in the city. Especially is this true of those who know best the real danger of such carelessness from repeated discharges of weapons, supposedly unloaded. It would be a very poor joke if some one should lose his life by such rattle-brain foolishness.

Monday night an altercation occurred between Governor Tribble and Miss Ola Wright, both of the colored persuasion, in which the feminine portion of the association came into forcible contact with a brickbat in the region of the forehead. The point of attack being six measured feet from the vital portion of the body no serious damage was done. Green-eyed jealousy was the cause that belled the trouble, if we may rely on current, yet too often erring, testimony. However, Mayor Hood has kindly consented to arbitrate the difference and fix the necessary forfeit, upon the convenience of the second best party mentioned. All rumors will then be set at rest under judicial investigation and all the facts be known. Let us possess our souls in patience and await the sitting of the investigating tribunal.
