Denver Dots.

Still the cry is "hot and dry." Not ever a good shower has fallen here in the past two weeks...

Miss Lillie Boggs, who has been spending some time with her sister, Mrs. J. H. Bowden, left this week for her home at Brookston, Texas.

The protracted meeting at Sandy Springs closed last Friday. The congregations were large and attentive.

That courteous gentleman, and "Soldier of the Cross," Rev. Mike McGee, postponed his meeting at Welcome so as not to conflict with the one at Sandy Springs.

Our good neighbor, Mr. John Jolly, and two of his sons have been quite sick with malarial fever, but we are glad to say they are nearly convalescent.

Mrs. Tom Webb has also been sick but we hear she is better.

Miss Minnie Blackman does not seem to improve.

Mrs. Emma Major, of Pickens, who was visiting Mr. Marshall Blackman's family, was taken sick with malarial fever and is unable to return home.

The Buchanan, Farmer and Elrod crowd have returned from their mountain trip, reporting a delightful time. While we were sweating in heat here, they had to have fires to keep warm and slept at night under blankets. Just think of it.

Miss Blanche Brown has gone with Mrs. G. M. Harper, Mr. and Mrs. Will Tolly and others on a trip to Table Rock, Caesar's Head and other places near Asheville, N. C.

Miss Mattie Eskew is visiting her brother, Mr. Lawrence Eskew, of Pendleton.

Miss Della Browne, of Fairdeal, and brother, Mr. Sam Browne, of Laurens, visited relatives in Denver last week.

Miss Ella Garrison and brother, Mr. Ed Garrison, of Greenville County, have been visiting relatives near Denver.

The young people had a most delightful picnic at Portman Shoals last Saturday in honor of Miss Erwin, of Honea Path, who is visiting Miss Leila Buchanan and other relatives in this community.

We are due many thanks to Mr. H. N. and Will Garrison for nice melons. Also to Mr. Wm. Elrod and good lady for nice fresh fish and a basket of most delicious grapes.

Toney Creek News.

The drought still continues in this section, and the crops are suffering badly. There have been good rains all around in places. The crops are very poor in this section, and the cotton is opening very fast in some places.

There was preaching at Shady Grove Sunday by the pastor, Rev. Tate. He preached a very fine sermon to a large congregation, his text being "Let us work together till the harvest."

Mr. Sam Shirley and wife attended Church Sunday; also Mrs. B. A. Willson visited in this section.

Misses Lovie McDavid and Ethel Willson are spending awhile with the family of Mr. J. M. Acker.

Miss Annie Harper has returned home after several weeks stay.

Miss Annie Griffin has also returned home.

Miss Callie Jones has been on a visit to friends in Laurens County.

Capt. J. S. Acker has been confined to his bed for the past two weeks. He is still unable to be up.

Miss Eva Poore, who has been so sick, is improving slowly, and is now able to sit up.

Mr. J. F. Mattison is preparing to build a new piazza to his house.

Mr. Wister Sutherland has bought a new buggy. Look out, girls, you will all get a ride.

The community regrets very much that Mr. Guss Foster is going to move away. He will be greatly missed as a citizen.

Mr. W. L. Sutherland and family have been to the mountains to visit his aged parents.

Messrs. J. P. Acker and Gordon Acker are at home on a visit.

Mrs. J. M. Cox is in bad health.

Born, to Mr. and Mrs. C. F. Lawrence (nee Miss A. O. Norris) a girl baby. Mother and babe both doing well.

The weather is extremely hot now. It is a wonder there is not more sickness than there is.

Well, Mr. Editor, it is too hot to go around and find the news, and then it is too hot to write it if there was much.

So come down, if you can live on fried chicken, for that's all there is in this section to eat. PATTY.

Lebanon Items.

A most interesting and successful meeting has just closed at this place, being conducted by Rev. J. F. Singleton, our pastor, and Rev. Mr. Burts, of Tennessee. Either of these noble and pious loved men certainly know how to reach the hard and unregenerated hearts of men.

Quite a number of fair young ladies are visiting in and around Lebanon now.

Miss Mittie Tribble, of Anderson, is visiting Miss Robbie Pearl Wakefield.

Miss Carrie Martin, of Hopevell, was the guests of Misses Gussie and Carrie Welborn last week. Miss Carrie has a number of friends at Lebanon who are always delighted to have her in our midst.

Mr. Joe Campbell and Miss Carrie Nicely, of Rock Hill, are visiting Miss Effie Richardson.

Miss Ella Grant, a very sweet girl of Mt. Carmel, visited Miss Ethel Welborn recently.

Mr. H. C. Holland and family, of Greenville, spent last week with his sister, Mrs. M. J. Gentry. Mr. Holland has many friends around here who are delighted to see him come back to visit his old home and settlement.

Mr. Ernest Tucker and sister, Miss Minnie, and Misses Lula and Birdie Gentry, of the Neal's Creek section, visited the family of Mrs. M. J. Gentry, last week.

Miss Eva Burrell, a charming girl of Salem, spent last week with her aunt, Mrs. Hunter McMurtrey, and attended the meeting at this place.

Miss Cleo Mosely, of Hopevell, is spending awhile with her uncle, Mr. John Smith.

Ha! ha! I hope "somebody" didn't have a very hard time finding his slipper that was misplaced while falling from the church door steps, but the steps are no longer broken; so come again.

We have Miss Era Gentry as the third teacher in school now, and some excellent work is being done. There will be an entertainment at the close of the summer term, which is in about three weeks.

Miss Ola Thompson, one of our fairest young girls, has fever. We wish her a speedy restoration to health.

Mr. Nimrod Smith, one of our oldest citizens, is in very feeble health.

Messrs. J. D. and R. L. Welborn, are kept busy sawing for the public these times.

A lawn party was given at the residence of Mr. T. M. Welborn last Friday night, in honor of Miss Ella Grant, of Mt. Carmel, and Miss Fannie Rodgers, of Anderson.

The lawn was beautifully lighted with Chinese lanterns, and ice cream, caramel and chocolate cake were served for refreshments. It is useless to say every one had a pleasant time, and I hope many of us may meet at another "gay old lawn party."

Your scribe is in a big hurry, as a mountain trip is the order of the day, so I bid you adieu.

SEMPER IDEM.

Belton Items.

Mr. H. A. Griffin received a letter from his brother at Murphy, N. C., which conveyed to him the sad news of his mother's death, which occurred at her home at Murphy on the 10th inst. Mrs. Griffin's maiden name was Francis Acker, daughter of Holbert Acker, Esq., and was reared in the Calhoun section of this County, where the news of her death will bring sorrow to a host of relatives and friends.

Mrs. Griffin was 72 years old, and since very early in life was a consistent and devoted member of the Baptist Church. Her remains were laid to rest on the 11th inst. in the cemetery of Ogrecta Church, N. C.

An independent military company was organized here last night, with M. E. Geer as captain, J. C. Acker 1st lieutenant and C. W. Rice 2nd lieutenant. The body is composed of some of the best material in the community, and receives the hearty endorsement of the citizens of the place. Under the leadership of its very efficient officers there is hardly a doubt of its being a success.

Mr. M. B. Wright and wife, of Honea Path, are visiting at Mr. Geo. W. Grubbs.

Mr. J. T. Rice, who has been away for several days on a business trip, returned home yesterday.

Mr. W. K. Stringer and sister, Miss Eva, are sojourning in the mountain resorts of North Carolina for a season.

Miss Hattie Todd is visiting the family of Hon. A. C. Latimer.

Miss Marvieve Quattlebaum, of Ridge Springs, has been employed as first assistant in the High School here, which begins its next session Monday, Sept. 4. Miss Quattlebaum is eminently fitted for the position to which she has been chosen. She is a full graduate of Winthrop College, and has had several years experience teaching in some of the best schools of the State. The prospects for a large school here the coming session are very flattering indeed.

B. F. SLOAN, Sec. and Treas. O. S. C. and C. A.

Autumn Items.

Everything is calm and serene and seems to be waiting in eager expectancy for a long and very much needed rain.

Cotton seems to have reached its volcanic orb, and is being subject to incessant eruptions, which is sending forth volumes of snow-white lava from almost every mature protuberance, which will appeal to a host of conscientious rescuers ere long.

Rev. Dr. Watson closed the protracted meeting at Sandy Springs last Friday night. The results of his meeting was that:

He did not bring a legion into the fold. He did not use a magic wand. He simply made the Word stand out bold, and brought down God to them.

Fodder is getting ripe very fast. There will be several bundles ready for gathering this week. Doubtless horses and mules will be glad of it.

Messrs. Sylvester Elrod, R. A. Buchanan and sister, Miss Leila, together with others, returned from a pleasure trip over in the mountains the other day. They report fine times.

BOB AMATEUR.

A Family Reunion.

MR. EDITOR: It was our privilege to visit our old home in Abbeville County recently, and on our way, by invitation, we took in our old uncle, J. W. Cann's, family reunion. It was a grand gathering on the old gentleman's birthday, he being 75 years old the 4th of August.

The day was a day with kindred. There were present children and grandchildren and great-grandchildren. In all they number 79, 50 of whom were present. The old man has been married three times. The old gentleman has lived a consistent Christian life and has raised his children in the way they should go. One son is a minister of the Gospel, and has charge of three good working Churches in Georgia. Two others are Deacons of Baptist Churches and the other sons are worthy, upright citizens.

The 4th of August was a day that will long be remembered. It was a grand sight to see all the family gathered around a 50-foot table, laden with all the good things. A photographer took a picture of the group.

Well, we must go on our trip down through our old home town, Abbeville, a place that feels near to us. We did not see as live a town as we expected to see, but the people are as good as you will find on this earth.

Our stay among our kindred and friends was most pleasant. While there we also enjoyed the meeting going on at Midway Church, conducted by the pastor, Rev. Mr. Mitchell, a good man, one that speaks with power and is loved by all. On our way back home we attended the old soldiers' reunion at the Carswell Institute, which was a delightful occasion. A FRIEND.

What are the improvements on the "Champion" Mowers? Newspaper space costs something and we can only recite one feature.
