Bryan and McLean are the latest suggestions for the Democratic presidential ticket next year.

A great political battle will be fought in Kentucky and Ohio next Tuesday, and the Democrats are very hopeful of success in both States.

Let no man be deceived by the advance in cotton. The short crop is the only reason for the upward tendency of prices.

Loving cups are a very pretty testimonial of esteem but they are destined by our slushing New York friends to become very common.

Farnsworth, the Chicago bigamist, who confesses to the ownership of two dozen better halves or more, bases his defense on the recognition given the Sultan of Sulu with his well-filled harem by the President.

The Keosauqua Courier of Walhalla speaks out in no uncertain sound in reference to the penitentiary scandal, every word of which we endorse.

The case against Bill Neal, ex-superintendent of the State penitentiary, has been continued until the April term of court for Richland county.

The influence of present social conditions in the United States upon the birth rate is beginning to attract attention, for the reason that the size of the average American family is steadily decreasing.

A strong effort is being made to induce the House of Representatives to refuse to seat Congressman-elect B. H. Roberts, the polygamist from Utah.

Blount, a negro who attempted to assault Miss Maloy Moore and her younger sister, as they were returning from church Thursday night, was captured and tried before Judge Hesse Battle, who was holding a special term of court at Lumberton.

The Washington correspondent of the News and Courier says that Sir Thomas J. Lipton has determined to invest \$500,000 in tea culture in South Carolina.

Speeches are made after dinner because when men have eaten they are too torpid to resent old jokes.

LAUNDRY SENSE

IS sound, common sense. You may have always got along with your linen done up by unskilled hands.

President McKinley has named Thursday, November 30th, as a day of thanksgiving to God for our many blessings, benefits, and deliverances, and it is but meet and proper that a nation should acknowledge its debt of gratitude for guidance and protection.

According to her story, which has been verified by the Rochester police, Mrs. Colthar about a month ago, by a letter of introduction through an agency, began a correspondence with James Monroe.

Bride Robbed by the Groom.

ROCHESTER, N. Y., Oct. 16.—Mrs. Mary J. Colthar, 45 years old, of Bunker Hill, Ill., whose husband died two years ago, leaving her a farm and \$2,000, is penniless in this city, having been robbed of \$4,075 by a New York confidence man.

Mrs. Colthar, realizing that she had been deceived, immediately laid the case before Chief Cleary, who has taken steps to catch the man.

DR. J. LOUIS GRAY,

Office and Telephone: HILL-ORR DRUG CO., ANDERSON, S. C.

As Straight as a Woodpecker ever Flew to Its Hole.

Crooked as a ram's horn, our house was! Straight as an arrow, that's what it is now! And straight as a woodpecker ever flew to his hole, we want you to come.

Yes, after two months of hard work, and push and rush we are at last in our new quarters, straight for business.

If you want a hat, then try our new hat department. Caps at 8c, 10c, 15c to 25c. Hats at 20c, 25c, 35c, 50c, up to 75c.

We have 420 pairs of odd pants, mostly fine goods, manufacturers' surplus stock bought at less than cost to make, and will sell you at a little the rise of half value—some at exactly half. Think of all wool pants, the \$2.50 goods, at \$1.25! Will sell 176 pairs at this price, and you pay no middle man's profit.

Does your foot need protection? Then see what inducements we offer. We have determined to make the name Shoe carry with it a thought of our store. Are you satisfied to buy your shoes at cost and -10 per cent. profit, or would you rather pay some one else 25 per cent. profit.

We have about 1,300 Capes and will sell at 35c, 65c, 95c, and up to the finest silk plush goods, full length and broad sweeps. We carry comfort at the lowest possible price, and beauty thrown in for good measure.

We can please you in Shirts, 15c to 50c., Undershirts, 15c to 37c. Children's, Misses', Ladies' and Gents' Hose at 3c, 5c, 8c and 10c per pair. A few fine Imported Hose at 15c per pair. These are the regular 25c goods.

A job lot of nearly 400 Ladies' Waists, assorted shapes and colors, at 25c each. Do you want one? Calicoes at 3c to 5c a yard. Ladies' Scarfs in many styles, at 15c each. Gents' Scarfs and Neckties at 10c, 15c, and 20c. Ladies', Gents' and Children's Handkerchiefs at 1c, 2c, 3c, 5c, 10c, and up to the finest Silks, all colors and shapes. Linen Collars at 5c for best goods. Cuffs at 10c and 15c per pair. Celluloid Collars at 5c; Cuffs at 10c. The famous H. B. Turkey Red Embroidery Cotton—does not fade at all—3 spools for 5c.

Now, what are we going to do about it? We can't retail no car load of trunks at a profit on this market. So we are just going to cut loose and retail Trunks at wholesale prices till we cut the car half in two. Doubt it, you say? Well, that's no surprise to us. But will show you the price list or even our bills for the goods. Now, what do you say. But how do we pay the freight? Well, we get a cash discount, which a little more than balances that off. Now come on and do your shooting. Yours always truly,
