Married in Charlotte.

Mr. Joe W. Prevost, formerly of this city but now of Charlotte, N. C., accompanied by his bride, reached Anderson last Thursday, and the happy couple were given a reception at the home of the groom's sister, Mrs. D. P. Sloan, that evening.

The Charlotte Observer of the 23rd inst. gave the following account of the marriage.

A third love knot was tied last evening at the residence of Mrs. Nancy Kerr Houston, of South Church street. At 8:30 o'clock a pretty "chrysanthemum wedding" was witnessed in Mrs. Houston's parlor, the contracting parties being her daughter, Miss Jennie Houston, and Joseph W. Prevost, of Anderson, S. C.

The wedding was a quiet, unpretentious affair, but claimed the attention of a large circle of friends, the bride and groom being alike deservedly popular and admired. The house was richly decorated in chrysanthemums, ivy and potted plants and presented a most attractive scene. There were no attendants.

At 8:30 Miss Ethel Hunnycutt began the wedding march, and the bride and groom entered the room on the right, taking their stand before a bank of beautiful flowers. The Rev. J. W. Stagg, D. D., of the Second Presbyterian Church performed the ceremony. It was sweetly impressive. The reception which followed was attended by a large number of friends, and a handsome affair.

"The bride—a daughter of the late James Ambrose Houston—wore pearl gray cloth, and carried white roses. She is at all times pretty, but looked particularly so last night in her wedding gown. She is a bright, attractive young woman, who will always make and keep friends.

"The groom is a native of Anderson, but is at present employed as trace clerk in the office of the Southern Express company in this city. His worth is known and recognized. He has a host of friends here and in South Carolina, and they vied with each other in sending beautiful gifts to him and his bride on the eventful evening of their lives.

"Among the presents were handsome pieces of silver and cut glass from the neighboring counties. Presenting them were Messrs. H. C. Kaulay, Richardson, Allen, James and Blankship, route agents and from the messengers."

Denver society regretted to see Mr. Arthur Erwin leave. He has accepted a position as clerk with the firm of Bigby and Co., at Pelzer. He is well worthy of the confidence of his employers, and the esteem of Pelzer's best people.

After the many weeks of a bright, balmy India Summer, we are having the cold, wet weather of "sad and drear" November. But with the crops all gathered and grain sown, the farmer can sit contentedly by the warm fire and read his paper or play games with the children. With a comfortable home to shelter them, plenty to eat and wear, wood laid in to burn through the long, cold winter, and none of the family sick, they are ready to keep a glad Thanksgiving next Thursday. And as you feast and give thanks, remember to share with the poor, knowing that "it is more blessed to give than to receive." It is a poor, selfish soul that never felt the blessedness of giving. The People are accepting our plain statement of Facts and are coming to us right along.

We have been trying to impress on the trade that we mean what we advertise and sell as we advertise. It is encouraging to know the effect it is taking on the trade. There is always something attractive about real staunch facts. People are not going to buy from us just to accommodate us. We have to offer the inducements and live up to them to the letter. We must have everything pretty near right, for we never sold Goods with as much ease before. Right kind of Dry Goods, Millinery, Clothing, Shoes and Gents' Furnishings, with the right kind of Prices make easy sales.

The burning question with us now is, the final round up of the year's business. Every man, woman and child in the County is likely to buy something within the next four weeks, and we are anxious to sell you.

WRAPS.

You will find that you can buy a Jacket or a Cape from us cheap. No doubt of that. You see the prices, the style and the quality. You will never find better value for the money than we give you in a Wrap just now.

DRESS GOODS.

Our minds were made up to cut down our Stock of Dress Goods and have done so. Still have some we are anxious to get off. Whilst we can't replace them for the money we are selling them for, we don't care to carry a yard over, and will give you some Dress Goods that sold the first of the season for 50c at 25c.

MILLINERY.

Thousands of Ladies haven't been fixed up in Hats yet, and we would like to have you come to see us. We are in shape to fix you up with the very latest styles and most artistic trimmings at exceptionally low prices. Hats that we are turning out now from \$1.00 to \$3.00 are certainly beauties for the money.

Many other things that will interest you on our Dry Goods side.

December is always a good Clothing and Gents' Furnishing month. We have filled up all the little weak places in our Stock and are ready for the rush. We want to make two points interesting to you: Great values for little money. We have the Stock to fit up men and boys from head to foot in good, dependable-wearing stuff. Make the investment with us. It will pay you in handsome dividends of good array.

As stated we want to round up with a big month's business. We have thousands of dollars worth of Goods all over our big establishment that we feel like must be sold. They are all well worth the money we are asking for them. Would like to have you visit us. Will try and make every transaction satisfactory.

Yours truly,
