

JULY AND AUGUST,

Once considered off-months for

Dry Goods Retailing,

Have come to be so important with us that we find some inconvenience in arranging for Summer vacations. We attribute this to our progressive, up-to-date methods; to our keeping such Novelties as the trade demands at this season.

Our Dress Goods Stock

Is overflowing with the very best the markets afford. Full lines of—

Black Goods,

Suitable for Separate Skirts and Full Dresses. Nothing more popular just now than Black Mohairs, Black Brilliantines and Black Sicilians. No better values than our 50c, 75c, \$1.00 and \$1.25 numbers.

Our Summer Wash Fabrics

Are as attractive now as at any time during the season, and in some instances the price is lower. For instance, we have just thrown on our centre counters a line of Fancy Corded Muslins at 5c, worth 7c.

We have carefully considered the Little Wants of the people—the Dainty Novelties, Knick-Knacks, and many accessories of Dress, &c. Summer Belts, Summer Ties, Summer Collars, Summer Gloves, Summer Hose, Summer Handkerchiefs, &c.

Our Ribbon Stock

Is much in demand now. It is Ribbons for Belts, Ribbons for Ties, Ribbons for Trimmings or Dress Decoration. Ribbons for almost all purposes. We have moved our Ribbons down stairs, and placed them in the centre aisle, near the front entrance, convenient to all. We have Ribbons in all correct widths, kinds and colors. A variety of Baby Ribbons, and Nos. 1, 1-2 and 2. Also—

BLACK VELVET RIBBONS

That have been so popular that manufacturers have had difficulty in supplying the demand. Black Velvet Ribbons in Cotton and Satin back, in all widths, and especially Nos. 1, 1-1-8, 1-1-4, 1-1-3, 1-1-2, 1-3-4 and 2.

Summer Trimmings.

Light, airy Tissues, Crepe De Chine, Mousseline De Soie, Chiffons, &c., in all colors, and All Over Laces, as well as Edgings and Insertions.

Our Embroideries

Grow more popular every day. It is a rare thing that the public have such a stock of Embroideries to select from.

We are prepared to supply—

ALL YOUR SUMMER WANTS

In the way of

Dry Goods and Notions.

We would not have you forget that we have some extra good things in our—

Millinery Department.

Also, that we offer some extra inducements in Ready-to-Wear Garments—Shirt Waists, Skirts, Wrappers, Summer Underwear, &c. Also, our special offerings in—

Summer Footwear.

You will find our Store a pleasant and profitable place for Summer Shopping. We are putting forth extra effort to greatly reduce our Stock before taking Stock about the first of August. Therefore, you will find some jobs and odds and ends at Bargain Prices.

Yours truly,

Brown, Osborne & Co.

Wholesale and Retail Dealers in

General Merchandise.

The stockholders have done more than well in selecting their officers, and the success of the Bank is assured. The Bank will be ready for the transaction of business in a short while.

Mr. William Hanks died rather suddenly at his home in this city last Friday night of apoplexy. The deceased worked at his trade of a carpenter all day Friday, came home and ate a hearty supper. About 9 o'clock he complained of feeling bad and his son soon had Dr. W. H. Nardin, Jr., at his bedside. He gradually grew worse, and by 11 o'clock his soul took its flight. Mr. Hanks was the third son of the late Stephen Hanks and was 50 years of age. He was born and reared and spent his life in this County, and had the confidence and good will of a wide circle of friends and relatives, who deeply regret his death. He leaves a widow and one son to cherish his memory. The remains were carried to Ebenezer Church, in Martin Township, on Sunday morning and interred, Rev. J. B. Campbell, of this city, conducting the funeral services.

By reference to an advertisement in another column it will be noticed that the books of subscription to the capital stock of the Anderson Fertilizer Company will be opened to-morrow. Next Monday at 12 o'clock the subscribers will meet in the Court House for the purpose of organizing the Company and electing a Board of Directors. This is an enterprise that every progressive farmer in Anderson County

should feel an interest in. The shares have been placed at fifty dollars each, and every farmer who can possibly do so should subscribe to one or more shares. It will be a good investment, and at the same time it will enable the farmer, who is a stockholder, to buy his fertilizers at a lower price. He will share in the profits of the Company, and in purchasing his fertilizers will be patronizing himself and building up a much-needed home enterprise, which will be independent of the trust that now controls nearly all the fertilizer factories of the South. It is proposed to begin the erection of the plant at once. If you desire any information concerning it call on Mr. Fred. G. Brown.

A few weeks ago the city of Anderson, through its attorneys, Messrs. Quattlebaum & Cochran, and B. A. Hagood, Esq., of Charleston, filed a petition before Judge Simonton in the United States Circuit Court, praying that Receiver Beattie, of the Blue Ridge Railroad, be required to replace the present wooden bridge over the railroad cut, on North Main street, with a more substantial structure of iron, brick or stone. Judge Simonton appointed J. H. Heyward, Esq., special referee to take testimony in the matter. Mr. Heyward spent last Thursday and Friday in Anderson discharging the duty assigned him. T. P. Cochran, Esq., of Greenville, and Col. R. W. Simpson represented Receiver Beattie, and the city was represented by the city attorneys and Mr. Hagood. A number of Anderson's leading citizens testified as to the dangerous and unsafe condition of the bridge and the constant caving of the embankments on each side. This testimony will be submitted to Judge Simonton, who will name a date for argument, after which he will render his decision. If his Honor could get a glimpse of the structure and see the number of vehicles that cross it every day, we have no doubt he would soon decide that a substantial bridge is very much needed.

Col. Benj. Blackburn, of Atlanta, Ga., representing the Southern Industrial League, which will meet in its annual session in Atlanta on the 18th, 19th and 20th inst., spent last Wednesday in Anderson. At 4 o'clock that afternoon a meeting of the Board of Trade was held in the Court House. Hon. J. M. Sullivan, President of the Board, called the meeting to order and introduced Col. Blackburn, who stated that the League was organized last year to promote the industrial and commercial interests of the South, and that it was desired that every section of the South be represented in the League this year. At the close of Col. Blackburn's interesting remarks, a resolution was adopted endorsing the League and authorizing President Sullivan to appoint fifteen delegates to represent Anderson at the meeting in Atlanta. The President appointed the following gentlemen as delegates: P. K. McCully, Sr., J. J. Fretwell, T. A. Ratliffe, John K. Hood, G. Geisberg, W. S. Brock, Dr. S. M. Orr, F. G. Brown, J. A. Brock, W. F. Cox, D. P. McBryer, George E. Prince, C. C. Langston, M. L. Bonham, Sr., E. M. Rucker, Jr. On motion, Mr. Sullivan, who had already been appointed a delegate from the State by Gov. McSweeney, was made chairman of the delegation. It is hoped that all the delegates named will attend the League meeting.

The McCormick is the lightest, smoothest running machine in the world. Its cutting is perfect. You cannot stick it. It is the machine for your dollars because you get more value with this machine on the farm than if your dollars were in your pocket. You can use the McCormick in new land—rough and fall of stumps. The McCormick is the king in the meadow and the boss among stumps. See it. It will save you time to come and examine the McCormick.

This is our greatest year. We are proud of our record, and are striving by every honest means to win you for a customer. Give us a trial if you have never done so before. —Vandiver Bros. McCormick Mowers are perfectly built throughout. No guess-work in their construction. They are not only the strongest machines built but will run lighter than any others. The Dynamometer test in August, 1899, extensive scientific tests were made at Worth, Ill., in very heavy rough grass, where the cutting was extremely hard, the grass going two tons per acre. The average of a large number of runs was: for the McCormick 240 2 3 pounds draft; for the first competitor 265 2 3 pounds; and for the second competitor 272 pounds, &c. If you want the lightest draft Mower on the market get a McCormick from Sullivan Hdw. Co.

Who bought their Shoes in solid car lots before the advance for the year 1900. We are selling this Slipper you see at COST. Do you need a pair?

Tell your friends whenever you see them that we can save them money on Shoes.

Many thanks for your past patronage.

THE SHOE STORE, MASONIC TEMPLE.

A WORD TO THE WISE!

A freight train makes more noise than the fast express, and for this reason we do not want to make any extra "large" noise, but in a very modest way we would like to say: We have too many Goods for this season of the year, and we are going to make some very interesting prices on—

Dry Goods, Shoes, Hats and Groceries.

Our Shoe Stock alone comprises over seven thousand dollars worth of Goods, and while we are selling a lot of Shoes we would like to greatly increase our sales for the next sixty days, and for that reason we will make a Special Discount Sale on every pair of Shoes in our House. One lot of Ladies' Dongola Button Shoes, former price \$1.00, now 75c. One lot Ladies' Vici Kid Shoes, all styles, Lace and Button, former price \$1.55, will sell them to you for \$1.25. We only mention these two lots because they are our most popular lines. We have hundreds of similar lots to go the same way.

Remember, we carry Men's, Women's and Children's Shoes of every kind, from the cheapest to the best hand-sewed goods made, and this Discount Sale applies to every Shoe in our House.
