WEDNESDAY, NOV. 28, 1900.

EDITOR INTELLIGENCER: At your request I sit down to write you a few lines from my present station at Anderson. On last Sabbath we attended preaching in the old Presbyterian Church left vacant by the resignation of the office of pastor, which the Rev. Mr. Summerell has so successfully held for a pastorate of five years. By his invitation of the elders, the Church was supplied with preaching by the Rev. Mr. Byrd, late of Columbia Seminary, on last Sabbath morning and night. The Church is looking out for a pastor to supply the vacancy of Mr. Summerell. It will likely be hard to find a pastor who will be successful in the pulpit and other duties of pastor as the former has been, but doubtless the right man will eventually be found. The old Church has been seriously depleted by the establishment of a Second Presbyterian Church in the town of Anderson, whose membership has been made up principally from the old Church. This new Church starts off with a membership of 85, with a flourishing Sabbath School under the Superintendence of Mr. D. H. Russell. This congregation has been looked for for many years, and it is to be hoped that the result will be the engendering of a generous spirit of rivalry to advance the best interests of both Churches. Bro. Summerell was so well convinced that there was a necessity for a Second Presbyterian Church in Anderson that he was only prevented from tendering his resignation at the expiration of a pastorate of five years by the unanimous protest of the elders. Events have developed since which made the former resolution of the pastor a necessity, though not involving the character of pastor or people. Under these circumstances, it is the plain duty of both Churches to build each other up, and not tear down. As an incentive to this course we would cheerfully cite the course of the present Presbyterian Church in Greenville in helping to build up three other Presbyterian Churches, and the mother Church is no weaker, by reason of the existence of three daughter Churches, with the best of feeling existing between the mother and the three flourishing daughters standing by her side. Boleman News.

Rain! rain! Oh, how it does rain. The people are almost through sowing their grain and picking cotton, and are almost ready for Christmas. Some of our young folks have been very much disappointed for the last two Sundays on account of the inclement weather. Cheer up, young folks, for the first Sunday. Five of our young men went out opossum hunting last Saturday night, and while on their route were called to the relief of a sick horse. By the way, boys, we didn't know 'possum hunters turned out to be doctors. Rev. W. W. Leathers visited the family of Mr. J. M. Jolly last Sunday. Miss Maude Dalrymple is visiting Mrs. Jno. Mounce at Pendleton. Mr. C. E. Barton attended the reunion at Augusta. He reports a very pleasant time. Mrs. G. W. Maret and her lovely granddaughter, Miss Hettie Jolly, returned from Augusta last Saturday. Mrs. J. L. O. Maret and Mrs. L. O. Bradberry went to town shopping last Friday. Miss Nornie Jolly went to town last Saturday shopping. Horseback riding seems to be the order of the day with our young girls. Our clever merchant, Mr. L. O. Bradberry, has a very full line of goods. Miss Maude Cromer has a very flourishing school at Tugaloo Academy. The people of this community had the pleasure of attending Mr. G. T. Davis' "Great Magic Lantern Show" last Wednesday night, but it was not as good as the people expected. Our postmaster, Mr. L. A. Cole, has been very sick with lagrippe, but under the skillful treatment of our young Dr. Jno. Hicks, he is able to be out again. Mrs. E. C. Tribble, we are glad to say, is able to be out again. With the exception of these, the health of this community is very good. With best wishes to the dear old INTELLIGENCER and all its readers, VIOLET.

We have been having some fine grain sowing weather lately and our farmers have been making good use of it. Rev. Mr. Herron, pastor of the Baptist Church here, was unable to fulfill his appointment Sunday, being sick at his home. Rev. J. T. Morgan filled his place. Squire Morgan, from Moffatsville, with his daughters, worshipped at Union Sunday. Mr. Capers McPhail and Master Charley Leverette, from Moscow, were the guests of Mr. and Mrs. McPhail Sunday. Miss Kate Hutchison has charge of the school at this place, and Miss Annie Beatty is teaching at Liberty. The trustees are to be congratulated on securing the services of these young ladies. Not long ago one of our young men went calling and when he made his departure he came in contact with the old man at the door, who remarked that he believed there would be frost by morning. It seems there must have been something the matter with the young man's heart or intellect, as he replied: "No, thank you, I'll be compelled to go home." Luther, you ought to do better than that. Mr. and Mrs. S. T. McCullough spent a few days in Doe West last week. Messrs. Bob Pettigrew, Florence Young and T. S. McCrary went to Augusta last week. A Boy.

Mr. and Mrs. Valentine, from near Columbia, are visiting the latter's parents, Mr. and Mrs. A. R. Campbell, of this place. The little child of Mr. Blake's, near town, died Sunday. The cause not reported. Mr. Crozier, a flagman on the Southern, is very sick at Mr. Burch's. The Ladies' Missionary Society will give a "Silver Tea" at the residence of Mrs. A. R. Campbell on Friday night, Nov. 30th. At the "Silver Tea" Miss Quattlebaum and Miss Rice will furnish music. The merchants and other business men will close up on Thanksgiving. The schools will also close until Monday. Two marriages have been reported for Dec. 19th and 20th, respectively, in which two of our young ladies will play first part. Our town is on a boom—six new dwellings about completed, several more contracted for, several new stores going up, and last but not least, wedding bells still chime. On last Wednesday, Nov. 21st, Miss Mamie Clinkscales, of this place, and Mr. F. S. Hopper, of Gaffney, were united in marriage at the Baptist Church by Rev. E. J. Forrester, D. D., of Greenwood, S. C. The Church was beautifully decorated for the occasion with chrysanthemums, ivy, palms and ferns. Mr. W. E. Greer was best man and Miss Inez Campbell maid of honor. The other waiters were J. A. Horton and Miss Maggie Clinkscales, W. H. Cobb, Jr., and Miss Leda Geer, F. M. Cox and Miss Fannie Hopper, (the groom's sister). The ushers were Messrs. J. Cliff Green and W. C. Rice. The music was by Miss Clara Osborne, of Anderson, at the organ, and Mr. Rex Rice, of Belton, with the violin. Mr. and Mrs. Hopper left immediately for a short bridal tour. A reception was given the night before by the bride's parents to the bridal party. They will make their home in Belton, where Dr. Hopper is pharmacist for the Cox Drug Co. It is also our pleasure to report the marriage of Miss Lucy Lewis to Mr. C. C. Hindman, of Pelzer, S. C. The marriage ceremony was performed by Rev. Mr. Kilgo, of the Methodist Church of this place, at the home of the bride's mother. Again W. E. Greer was best man and Miss Inez Campbell was maid of honor. The march was touchingly rendered by Miss Daisy Rice, of this place. The decoration were ferns, etc., and pot plants. After the ceremony refreshments were served, then all departed, feeling happy because others were happy. Mrs. Hindman was a teacher for several years, and Mr. Hindman is a prosperous young merchant of Pelzer. They will make their home at Pelzer. Both of these young brides are very charming and attractive and will be greatly missed from the society of the young people of town, but we extend a hearty welcome and cordially receive them into the ranks of us older folks. Their (the young ones) loss is our gain. B.

Corner Creek News.

It is with much sorrow this morning that we chronicle the death of our dear friend and cousin, Miss Minnie Gassaway, whose sudden death occurred on the night of Nov. 20th. She was only sick twenty days with typhoid fever, but on the twentieth day she grew worse, and during that night the angel of death claimed her as his victim for that mansion above. This entire community was shocked with grief the next morning by her death, which came so unexpectedly. They knew she was very low, but did not think life's end was so near. During the past three months she has been attending the Honea Path High School. So it was indeed a great surprise to her schoolmates, to think they would have to give up a dear friend, one whom all loved, for she was a kind, friendly and true hearted girl to all she came in contact with. She had a very sweet disposition. Mannie always made friends and had no enemies at all, for she was a kind friend to everybody. This several years, and never knew a better girl at school, for she was always ready to take a part in all "school games" with a free will. She was never known to be anything else but a loving, kind hearted girl. She will be greatly missed by her schoolmates, for they know that they gave up a precious one. Minnie was the second daughter of Mr. and Mrs. J. T. Gassaway. She was just budding into womanhood, being sixteen years old last August. It is a great distress to this family to take their dear loved one from them, but it is the will of the Master that such should be done and sometimes we will understand. The bereaved and sorrowing family have the heartfelt sympathy of this entire community. May they look up to Him that gave and say "Thy will be done." Minnie leaves behind a father, mother, three sisters and three brothers, and a host of relatives and friends to cherish her dear memory. The funeral services were held in the Baptist Church at Honea Path, of which she has been a consistent member for two years. Her beloved pastor, Rev. R. W. Burtis, conducted the services in a very solemn and appropriate manner, assisted by Rev. M. McGee, after which her remains were laid to rest in the cemetery at that place in the presence of a large crowd of relatives and friends and her schoolmates. A heavy rain visited this community Sunday evening, the heaviest this fall. Several of our farmers are not through sowing wheat yet, but that which has been sown is coming up nicely. News is very scarce this week. TYRO.

Mr. Samuel G. Earle died at his home of blood poison at Hiram, Kaufman County, Texas, Nov. 6th, 1900, aged 47 years. He was the eldest son of Rev. J. R. Earle, and grew to manhood in this County, where he has many friends who will regret to hear of his death. He leaves a wife and six children. The oldest son is in Manila. Mr. Earle was a man of wonderful energy and a good farmer. He was editor of "The Texas Independent" several years ago, but sold it out. Mr. J. Henry Earle, from Havana, Cuba, is on a visit to his father, Rev. J. R. Earle. Mrs. N. O. Farmer, Mr. J. R. Earle, Jr., of Wallhalla, and Mr. E. P. Earle, Jr., of Tertia, are visiting the family of Rev. J. R. Earle. Cards are out for the marriage of Mr. J. Henry Earle and Miss Carrie Pringle, of Sumter, S. C., on Tuesday afternoon, Nov. 27, 1900, at 4 o'clock, at the home of the bride's father, Dr. W. J. Pringle. Mrs. M. H. McGee has returned from Bowman, Ga., where she has been for many weeks at the bedside of her sick brother, Dr. Gordon Goss, who died last week. We sympathize with the afflicted family. E. E.

Wheat and oats sowing is about over. Pretty good crops of both have been put in and it is up and looking promising. Cotton is about all out, and the advance in the price is making it move lively. Thanksgiving will only be observed in this vicinity by dinings, hunting, etc. There will be no services held at any of our Churches. Last Sunday was such a bad day there was no meeting of our people at any Church. Game is plentiful now. Sportsmen have no trouble in finding something to shoot. Geese are numerous now on the Savannah. Crops are short in this community, but our people are resolute and cheerful. Everyone seems to appreciate the general condition of things, and, instead of growling, are resolved to look on the bright side and press forward. The health of our people, generally, is good. Mr. W. H. Wright has a very sick child, but we learn is convalescent. Mr. Henry Earle, who has been in Cuba for a year or more employed in the transportation service, is in this County visiting his father, Rev. J. R. Earle, and other relatives and friends. He will marry while here and return with his bride about the 10th December to Cuba. He is looking well and seems to be enjoying fine health. Christmas will soon be here. How time flies. BURKE.
