Our little town is enjoying the greatest building boom in its history. R. J. Gambrell, C. E. Clement, Allen Cheshire, Dr. Parker and R. A. Lewis have completed modern cottages, which adds much to the appearance of that part of town. The Baptist parsonage is nearing completion, which, when finished, will be a model for beauty, comfort at 7:30 o'clock. Everybody ought to the Johnny Rebs. and convenience, and 'ere long our beloved pastor, Bro. W. T. Tate, will be a citizen of our town. Henry Tollison, Senators, Judges, Bishops and the an engineer on passenger train on Southern Railroad, is completing two cottages in northern part of town. He dren. has already built a nice store room in vicinity of the cotton mill. Two store nephew of G. E. Smith, is spending rooms are being crected near by-one by J. G. Cannon, of Toney Creek, and the other by James Woodsides, of Pelzer.

whose death has already been mentioned, arrived home Wednesday at 11 o'clock, accompanied by Dr. Haynie, of flour or warm suit of clothes, or of our town, who was with him when he died. His composure was wonderful as he faced death. Just before the end he called his physician, nurse and servants to his bedside and paid them with lighter hearts and feel that we for their services, and had Dr. Haynie to buy his casket, describing what he last Christmas. wanted, and also dictating as to how his trunk should be packed, saying he would be in Heaven in a few minutes. He sent many sweet and comforting messages home to mother and family, who have the heartfelt sympathies of every one. Charlie was a noble boy, and will be greatly missed by all; especially will he be missed by his widowed sister and her fatherless children, for whom he provided a home. After impressive funeral services, conducted by Rev. W. T. Tate, on Thursday at 1 o'clock, his remains were interred in the Belton Cemetery by Myrtle Forest, No. 69, W. O. W., of which he was a prominent member. The members of this order escorted the remains from home and the hearse and procession were photographed on the way.

We were grieved to hear of the removal of Rev. P. F. Kilgo, pastor of the M. E. Church. Bro. Kilgo was universally loved by all, and our best wishes go with him in his new field of labor. Rev. Mr. Cauthen, the new pastor will receive the hearty support of all.

Mr. and Mrs. James Ballentine, of Columbia, are visiting Mrs. Balentine's parents, Mr. and Mrs. A. R. Campbell.

In a few days Belton will be called upon to mourn the loss of two of her most popular and attractive young ladies, On the 19th Miss Beatrice Cheshire will be married to Mr. F. W. Vaughn, of Anderson, and on the 20th Miss Rena Rice to Prof. Geer, of Furman University. We hear of other wedding bells to ring in the near future.

We look upon it as a great loss to give up so many of our best girls, while we have noble young men, who should and are, trying to prevent this.

Mr. J. B. Shirley, who resides midway between Townville and Fair Play, got his left hand badly mangled in a corn shredder one day last week. All the fingers except the thumb were torn off, and it is feared that amputation at the wrist will have to be resorted to. Mr. Shirley is a brother of Mr. J. W. Shirley, of Townville, and is a large and successful farmer. Rev. F. M. Royal and wife, returned

The annual reunion of the Confederate veterans of South Carolina will be where they will make their future held in Columbia next May, and the home. Mr. Bruce lived in Texas about 8th is the day selected by Camp Hampfive years. His health failed and he ton. The time is always selected by had to return to this country and stay the community which invites the veterans. Heretofore the reunions have been held in August, but for a good many reasons it was thought best to hold it in Columbia in May. The principal reason is that it is proposed to have an encompment as well

as a reunion, and May is the most suit-Monday evening, 17th inst., beginning able month for such a diversion for At the regular monthly meeting of

Reunion Day Has Been Settled Upon.

Camp Hampton last night the following was read as an official communication from Gen. C. I. Walker, the official head of the veterans' organization of this State:

SUMMERVILLE, S. C., Dec. 1, 1900. Captain D. R. Flenniken, Columbia, S. C.:

My Dear Captain: I have advices that the Memphis reunion will be held either July fith or 17th. So May will do admirably for our State reunion, so far as the general reunion is concerned. From previous experience I find that the only time in the Spring which suits the planters is between planting and the first working of the crops. Usually, though, it depends on the season, the latter part of April or early in May is the time such a cessation of farm labor is most apt to come. So we had best have it as early in May as possible. The first Wednesday in the month is inconvenient for business men, so I think the next week had best be decid-ed on-say Wednesday, May 8th. Please consult the committee and see if they agree with me, and if so fix that date.

Remember your local committee has to look after low railroad rates. They usually give 1 cent per mile for soldiers, but as we have asked the Georgia division, this had best be asked for to include Georgia. If desired, I will co-operate and also ask for low rates. But I cannot do this until you advise me that you wish it and that you have agreed on the date I name.

As the Georgia division has been asked, please provide headquarters for it and proper registration thereat.

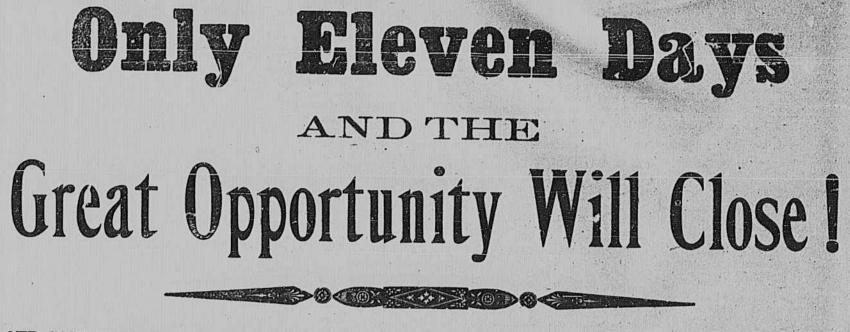

I would further submit that you might ask the North Carolina division, but I am not at all fixed on that. They were asked at Chester and did not respond generally.

Another thing, in providing free meals and quarters, let me advise that you take such precautions as will prevent imposition, and that you furnish them only for the indigent. At Augusta a party told me that he saw a man worth \$40,000 apply for free meal tickets. I don't think this is right. Thanks for personal advice in your

favor of the 30th inst. Yours very truly, C. I. WALKER.

Comrade U. R. Brooks moved that the 8th day of May be adopted. This was carried.

Capt. Augus P. Brown moved that Gen. C. Irvine Walker be requested to J. M. RICHARDSON, M. D. cooperate with the committee on rail-

Mr. and Mrs. B. Bolin Allen and Mr. and Mrs. E. R. Horton attended the State Baptist Convention at Greenwood. Mr. and Mrs. Horton re-Mrs. Allen are still in the pushing city of Greenwood.

Not only the Methodists, but the whole community was disappointed to Cook, of Bowersville, Georgia, Mr. hear that Mr. and Mrs. Stokes would Haynie, of Flat Rock, Misses Hattie not return to Lowndesville. During Wilson and Mary Horton, of Belton, their stay here and during Mr. Stokes' pastorate of the Methodist Church they made many warm and sincere friends, and have been strong factors for good, in a social way as well as otherwise. Mr. Stokes preached Sunday night for perhaps the last time as pastor here, speaking very earnestly of the kind and considerate treatment received during his stay in our midst, and asking for his successor, Rev. J. L. Daniel, late of Cokesbury, a continuance of the same courteous and hearty co-operation. The heartfelt good wishes and fervent prayers of many will follow them to their new field at Piedmont.

Miss Nelle Moseley delightfully en-tertained her friends Monday evening at a party. Mr. J. C. Allen and Miss Ethel Speer were the lucky couple who secured the prize in the guessing contest, which was a feature of the evening.

Mr. J. E. Allen went to Anderson Friday, taking with him little Ida and Rembert, whom he left with relatives for a few days.

Dr. Hutto and Mr. Lang Anderson, -of Williamston, were in town Monday and Tuesday.

Mr. Robt. J. Hutchison and Mr. Jas. Bruce Moseley visited Moffattsville Sunday afternoon.

Mr. I. H. McCalla and daughter, Miss Liela, were in Anderson Monday. Say, don't tell anyone, but a certain young man was calling on a young lady here not many Sundays ago, and, judging from results, must have found it very interesting, as he missed his train and had to walk about ten miles home, but I almost told the whole thing. Col. D. Cardwell was then called up-on by Comrade T. B. Legare for an ex-pression of opinion as regards rates, and in reply stated that he thought that there would be no trouble in get-ting a very low rate, and in his opinion the time was fast approaching when the veterans would be transported free to their reunions.—The State.

At a recent meeting of Myrtle Forest, No. 69, W. O.
