

Local News.

WEDNESDAY, JUNE 5, 1901.

Iola Locals.

Again with your permission, Mr. Editor, we will try to give the many readers of the INTELLIGENCER a few gleanings from this community with the sincere hope that they will prove of interest to at least a few of the admirers of Anderson County's best newspaper.

Our inhabitants are all in very good health at present writing. Some have been having the chills, but are now able to be performing the many duties incumbent on the tillers of the soil.

Messrs. John O. and Claude Harris went to Columbia in order to be in attendance at the reunion, which is held in such high esteem by so many grey haired veterans of the Civil War.

Mr. and Mrs. J. H. Hutchinson visited their daughter, Miss May, at the Williamson Female College last Saturday.

A Sunday School is very much needed in this community, and we think that the people should meet at the Iola school house some time in the near future and organize one.

We have had good rains and everything seems to have taken on new life.

Mr. W. D. Garrison, of Denver, passed through this community on his way to Greenville last week.

Mr. Tom Bolt visited relatives in this community last Saturday and Sunday.

Mr. Joe Erskine and family were visiting in this section a few days ago.

Mr. Adolphus Holder, one of Iola's dashing young gents, visited the Willis Chapel section last Sunday, taking in the all-day singing at that place.

The Debating Society is getting along nicely. Our boys are beginning to take a great deal of interest in the meeting. Some time in the near future we are going to have a special meeting and invite everybody to come.

Mr. Claude Harris went to Central last week to play ball with the Autun boys in a match between Autun and the "Central Base Ball Team."

Miss Cora Brooks has returned home after spending several weeks with her grandmother near Whitefield.

The wheat and oat crop is looking very promising just now. The farmers are elated over the good prospects.

There does not exist at the present time, never has in the past, and never will in the future, a more pleasing exercise of the mind than gratitude. It is accompanied with so great inward satisfaction that the duty is sufficiently rewarded by the performance. It is not like the practice of many other virtues difficult and painful, but attended with so much pleasure that were there no positive command which enjoins it, nor any recompense laid up for it hereafter, a generous mind would indulge in it for the natural gratification which it affords. If gratitude is due from man to man, how much more from man to Maker. The Supreme Being does not only confer upon us those bounties which proceed more immediately from His own hand, but even those benefits which are conveyed to us by others. Every blessing we enjoy, by what means soever it may be conferred upon us, is the gift of Him who is the great Author of good and the Father of mercies. If gratitude, when exerted towards one another, naturally produces a very pleasing sensation in the mind of a grateful man, it exalts the soul into rapture when it is employed on this great object of gratitude; on this beneficent Being, who has given us everything that we already possess, and from whom we expect everything we yet hope for.

W. C. BARNETT. May 30, 1901.

Bear Creek Items.

Mrs. John Moore, of the Globe section of Abbeville county, died at her home on Tuesday, May 28th. She had just married Mr. Moore when she was attacked with that ever fatal disease, consumption, and for ten months she has been confined to her room. She often told her devoted husband and friends that she was ready to go when the Lord called. She passed away calmly and easy, leaving the evidence behind that she was going to rest with Jesus. Her remains were buried at the Keowee Baptist church, of which she was a zealous member, the funeral services being conducted by Rev. N. G. Wright in the presence of a large congregation of friends and relatives. May the Lord comfort and bless the bereaved ones and help them to so live as to die in the faith of the Lord, as she did.

We are having an abundance of rain and very little plowing has been done in this section the past week.

The health of the people of this section is very good at this time.

Wheat has been somewhat damaged by the long wet spell. Oats are fine, and are badly needed now for horse food.

No complaint is heard now in this section of not having a stand of cotton.

Meeting of Camp.

Camp Tally Simpson, 1,006 U. C. V., will elect officers again on Saturday evening at Farley Hall, Pendleton, June 8th. This is important to the success of the organization and all veterans in reach should attend.

J. C. STRIBLING, Commander. R. E. SLOAN, Adjt.

Midway News.

Mr. Joshua Pratt has returned home from the Reunion in Memphis. We hope he enjoyed himself during his stay there.

Miss Gretchen Rhody has returned home after a two weeks stay in Belton, and reports a nice time.

Miss Ruby Hammond, who has been a student at Chocora College, Greenville, has returned home to spend her vacation. Her many friends are glad to welcome her in their midst again.

There is an abundant crop of peaches on the trees this year. Come and help yourself, Mr. Editor, when they get ripe.

The general rains have been an advantage to the oat crop, which is now ripening very fast.

The cold weather has been very unfavorable to the cotton, which is not looking so well just now.

I think there will be a great many of our friends who will visit Charleston when Mr. L. P. Smith runs his excursion on June 11. "The One" will try to be with them and would like very much to be accompanied by the "We Three."

We regret to say that Mr. Arthur Rhody was suddenly taken sick while away from home with Mr. Reubin Vandiver running the County road scrape, and on account of the rain could not be brought home, which his family regrets very much. He is resting very easy at Mr. William Vandiver's, who, with his sympathetic family, is giving him all the attention that could possibly be expected. His many friends wish him a speedy recovery.

Mr. J. R. Vandiver, who is a business young man that always pushes his work to the extreme end, will continue to run the County road scrape, with the assistance of Mr. Findley, until Mr. Rhody will be able to work again.

Mr. Van Martin, a most successful and popular young carpenter of this section, has ordered him a complete outfit of carpenter's tools and is now ready to do some fine work for his customers, who have always been much pleased with his work. THE ONE.

Broyles News.

Another week has passed and more rain. "General Green" is here upon us with his mighty host. The old saying is more rain, more grass, but I think there will have to be a seven days battle in the wilderness against Gen. Green with a large army of plows and hoes to thin out his ranks to make room for more to come.

Wheat is ripening and the harvest will soon be here and then we will hear the tattoo of the cradle-rock.

Mr. Bob Price has purchased a binder and is ready to cut grain for the public. Bob is an energetic young farmer, and we wish him much success in his new enterprise.

Messrs. R. D. Earle, Paul Earle and Mrs. Black visited Mrs. N. O. Farmer last Saturday and Sunday.

The Rev. O. J. Copeland preached a very interesting sermon to a large and attentive congregation on last Sunday afternoon.

Mr. James M. Broyles and family visited relatives at Westminster last week.

John R. Heller, our young doctor, is quite popular now. He gets lots of practice and is meeting with much success. He is on this side of the creek a good deal and makes it convenient to call by Broyles postoffice to get his mail. E. PLURIBUS UNUM.

Big Creek News.

Our pastor, Rev. Willie McCuan, on account of sickness in his family, could not be with us last Sunday. Rev. P. J. M. Osborne, of Williamston, filled his appointment.

Misses Mary and Ella Copeland and Mallie Kelley, of Cedar Grove, worshipped here Sunday.

Messrs. Frank Poore and Ed. Mattison, of Shady Grove, visited the family of Mr. F. A. Spearman Sunday.

Miss Lula Poore visited the family of Mr. Hindman last Sunday.

Miss Eva Spearman visited her friend, Miss Ethel Smith, last Sunday.

Mrs. Carrie Smith has been quite sick, but we are glad to say is better.

Mr. Moffit Dellis, of Level Land, was the guest of his uncle, Mr. S. M. Callahan, last week.

The Singing at Mr. Patrick Hindman's last Sunday afternoon was greatly enjoyed by all present. The singing was led by Mr. Culbertson and Mr. Ruth McAllister, of Williamston, was organist.

Mr. J. L. Hindman, of Pelzer, was the guest of his parents here last Sunday.

Little George Reeves is very low with measles at this writing.

Mr. S. M. Callahan has built a piazza to his residence, which helps its appearance very much.

Mr. J. P. Black's child has been quite sick but is convalescing.

BLUE EYES.

Eureka Personals.

We have had plenty of rain the past week and are glad to welcome the beautiful sunshine.

Mr. and Mrs. L. E. Campbell have issued invitations to the marriage of their daughter, Miss Lena, to Mr. John Gambrell at Eureka, June 5th at 8 o'clock p. m.

Mr. Arthur Jones of Starr, visits our community quite often, but it seems very hard for him to make a decision as to which one he likes best.

Wheat crops in our community are looking fine. Mr. F. R. Brown has the finest we have seen.

We notice that Midway correspondents have been revealing a great deal of their wit in their items, making bright remarks concerning blouses.

Miss Fannie Harper of Anderson Graded School has returned home to spend vacation.

Nobody's Darling.

Whitefield Notes.

Mr. Ellis Jennings, of Lebanon, visited friends near Whitefield last week. The lawn party given at Mr. Andrew Harris' Saturday night was enjoyed by a large crowd of young people, especially Mr. Luther Burgess, our "baby" sport.

Miss Carrie Pearman, of Anderson, is visiting her sister, Mrs. Samuel Moore.

Miss Beulah Brown, of Anderson, visited her sister, Mrs. William Hampey, Saturday and Sunday. Come again, Miss Beulah, you are always welcome.

Sunday was our regular preaching day, and there was quite a large crowd present, the visitors being too numerous to mention.

Mr. W. A. Watson spent last Sunday with his friend, Mr. Samuel Moore.

Mrs. J. W. Smith has been quite sick, but we are glad to note she is improving.

Several of Whitefield's young people attended preaching at Union Grove Sunday afternoon.

Mr. J. A. Bowden lost a nice horse Saturday. This is pretty bad, as he has started farming for himself.

A Saving All Around.

"Saves time and expense" is what a school trustee who secured a first-class teacher through me wrote.

"Saves trouble" are the words of a teacher who secured a good position through my services.

Saves money is what the school authorities do who buy their school supplies from me.

Trustees in need of teachers and supplies, and teachers in need of positions should write me. All communications cheerfully answered.

J. Frank Foose, Winnsboro, S. C.

Florence, S. C., Nov. 16, 1900. I was first advised by our family physician in Charleston to use TREPHINA with our baby when she was but a very young infant, as a preventive of colic and to warm and sweeten the stomach. Later it was useful in teething troubles, and its effect has been found to be so very beneficial and so safe that the dangers that are consequent upon the use of drugs and soothing syrups, that we have come to regard it, after use with three or four of our children, as the only safe and there is a new baby in the house and until the teething troubles are over, and we take pleasure in recommending it to our friends instead of the horrid stuff that so many people use to keep their babies quiet.

McCall Bazar Patterns.

WE have been often asked why we did not keep Paper Patterns, and could only answer that the right pattern had not come our way, and we did not feel that we could recommend anything in this line that was not strictly up-to-date and all right in every way; "but we have it now, a reliable and in every way a good pattern." After using this pattern once you will get confidence in it, and will always want it.

THE McCALL BAZAR PATTERN is not a new one, it is a pattern that has won a reputation for itself since 1870, and the publishers are connected with some of the largest representative stores in the world.
