There are several other cases for trial by Jury, and the balance of the week may be occupied in this way, though there are no cases of great interest for trial.

Death of a Former Citizen of Anderson County.

The Cleburne (Texas) Daily Enterprise of June 22nd contained the following notice of the death of a brother of Mr. Geo. W. Long and the late John Long, of this County. The deceased married a Miss Smith, of this County, and with his family moved to Texas thirty-five years ago. He has many friends and relatives in this County who will with sorrow read this notice of his death:

Last night at his home at White Mound, Grason county, the soul of Rev. W. B. Long quitted the body and passed into the realm of eternal rest after having suffered for many days from physical ills of the most torturing nature.

Rev. Long was well known in Cleburne. He was the father of Sheriff H. F. Long and that gentleman had gone yesterday to be with the old gentleman during his last hours. Mr. Long was also the father of Mr. W. S. Long of Cleburne, Miss Carrie Long of Cleburne, J. B. Long of Godley, Mrs. Moseley of Glen Rose and B. M. Long of the Fourth South Dakota, all of whom except the latter will be present at the funeral which will take place to-morrow morning at 10 o'clock at the Bethany cemetery, just this side of Godley.

The remains will arrive in the city to-night over the Dallas branch road, and after remaining for the night at the home of one of his sons the cortege will leave the city at an early hour to-morrow for the Bethany burial ground. The funeral services will be conducted by Rev. W. J. Brown, who is an old friend and pioneer associate of deceased, and many friends of both himself and sons will accompany the sad procession to the last resting place of his mortal remains.

William Berry Long was born in Anderson, S. C., March 4, 1828, and was consequently 73 years and 3 months of age. He had been a minister of the Baptist church for thirty and during years and was one of the pioneers of that faith in Texas, coming to Dallas in the fall of 1860, and was among the organizers of the First Church of that city. In the autumn of 1871 he moved to Johnson county, purchasing land and settling near Godley, having been called by the Alvarado Baptist Association as western missionary. Here he organized the church at which his funeral is to take place to-morrow.

About 15 years ago Mr. Long moved to Mineral Wells and for five years served as pastor of the Baptist church, then went to Grayson county and subsequently became pastor of different churches of that county, and presided in his last sermon on his 72nd birthday. He was more widely known throughout Johnson county than any other place of his Texas residence, having been a purveyor of ability and during early days established many land lines and boundaries which stand to-day. He was always a popular and esteemed citizen and hundreds of friends will join the family in mourning his demise.

Citizens of Glencoe, Oklahoma, vow that no negro shall live in that town. A United States deputy marshal was called there a few days since to protect a gang of 40 negroes who were at work raising the grade of the Santa Fe railroad at that point.

In St. Louis a young man, the son of wealthy parents, upon leaving college recently declared that he would have nothing to do with society, and entered a foundry as a molder's helper. Now he is receiving about fifty letters a day from girls who want to marry him.

The continuance of rain has put a quietus on all farm work, much to the regret of the anxious farmer, whose products are needing work and reviving up. Grass is growing rapidly since we have been having so much rain.

Messrs. Gaines, Shirley & Co. are thrashing wheat in this community. They have an entirely new outfit, including a traction engine, which seems to do fine work.

Mrs. J. L. O. Maret is quite sick at this time and cherishes the thought that the angel of death visited the home of Mr. H. F. Dobbins June 7th and took from that home little Pauline, aged fifteen months.

"In the clear morning of that other country, in paradise, With the same face that we have loved and cherished Pauline shall arise! Not changed, but glorified. Oh, beautiful language for those who weep.

Mourning the loss of some dear departed one. VIOLET.

June 29, 1901. Aaron Items.

Some of our farmers are still very "blue" over their recent hard battle with General Green, but we hope to chronicle their joyous victory in the near future, if the sun continues to shine a few days.

The death of Mr. Johnnie McPhail was a shock to the community, as he was sick only one week. His spirit took its flight Tuesday, 25th ult. His remains were interred at Hopewell Baptist Church the following day, after a very impressive funeral by Rev. W. B. Hawkins, choosing for his text these words: "Be ye also ready, for in such an hour as ye think not, the Son of man cometh." He was the eldest son of Mr. Donald McPhail, and was seventeen years old. We sympathize with the bereaved parents, brothers and sisters, and may they live in the blessed hope of meeting their dear one in the better world.

It is with pleasure we note the rapid recovery of Mr. G. W. Williams, who has been very low with pneumonia.

Mr. J. Baker Gentry is attending the Teachers Summer School at Converse. Children's Day will be observed at Trinity the third Sunday morning in July, if no other announcements are made. They have a nicely arranged program and a nice time is expected.

Mr. and Mrs. L. W. Gentry visited the former brother, Mr. Fred Gentry, in the Eureka section recently.

The suicide of Mr. Walter Williams, of E. ptus, committed June 23rd at his home, was a severe shock to this community. His family and other bereaved ones have the sympathy of many friends, and may God's richest blessing be with them. OBSERVER.

Eureka Items.

Our section was visited by a heavy rain and wind Saturday afternoon, which washed the land very bad.

"General Green" seems to be in the lead this year, as he has about captured the county, but we hope with a few days of sunshine the farmers will drive him to another land.

Miss Mamie Major, a charming young lady of Denver, is the guest of Mrs. Ben Pearman. They are intrinsically worth double that amount.

From Clemson College to spend vacation.

Some of our young people had the pleasure of attending a social at the residence of Mr. and Mrs. Robert Ballentine last Friday evening, which was enjoyed by all present. The participants were as follows: Miss Nellie Brown, Selma Shirley, Fannie Harper, Mary Shirley, Lillie Brown, Mamie Major, Cora Shirley, Lucy Shirley, Mr. and Mrs. Ben Pearman, Messrs. Frank Shirley, Robert Shaw, J. P. Harper, and Kyle Shirley. After playing several games we were invited into the dining-room, where ice cream and cake were served, after which the crowd gathered in the yard and played several interesting games in the beautiful moon light. It was with much regret that the clock struck the departing hour.

Mr. S. N. Pearman has returned from a visit to Mississippi.

No mower made has a cutting apparatus like the McCormick. The McCormick Mowers are built for good, hard service. They will cut clean and choke down, but the McCormick works right through.
