

A Memorial Meeting.

At a special meeting of the City Council yesterday afternoon, which was attended by the pastors of several of the city churches and a number of citizens, it was decided to have a memorial meeting in honor of the late President McKinley to-morrow from 11 to 12 o'clock, about which time the body of the deceased will be consigned to its last resting place at Canton, Ohio.

The meeting will be held in the Court House, and will be presided over by Rev. J. B. Campbell, of the First Methodist Church. The following gentlemen were invited to deliver addresses: Rev. B. M. Anderson, Rev. J. D. Chapman, Rev. H. B. Murchison, Messrs. H. H. Watkins and J. L. Tribble.

The following committee was appointed to select and arrange the music for the occasion: Messrs. M. L. Willis, J. L. Tribble, W. R. Osborne, Mrs. Cato Ligon, Mrs. J. D. Maxwell and Miss Leila White.

The Court room will be draped in mourning, and a committee, consisting of Mrs. G. E. Prince, A. G. Means and Mrs. J. M. Patrick, was appointed to arrange it.

All the business houses in the city will be closed and the City Hall bell and church bells will toll continuously during the hour's service.

Denver Dots.

Everybody is expressing sincere regret at the death of President McKinley, and indignation towards the dastardly assassin who could offer the right hand of friendship while he slew him with the left. Nothing could justify such a deed—to shoot a man from ambush would not have been so cowardly. Mr. McKinley was a Christian gentleman who, though a Republican, made us a good President. Our sympathy goes out to his deeply bereaved wife, and we scan the papers eagerly every day to hear she is bearing her great sorrow.

Farmers are very busy these days putting fodder, picking cotton and cutting for hay. Cotton has a large yield, but is not generally well fruited. With the short corn crop and the price of meat and corn going up and that of cotton going down, the outlook for farmers is gloomy.

Some of our brightest girls and boys are leaving to enter college. Miss Marie Major has gone to Williamson and Miss Irene Milam and Janice George will leave for Asheville, N. C. Johnnie Rothrock and Willie Irwin matriculated at Clemson this week and Cadets Will Garrison and Walter McWhorter returned to resume their studies.

Misses Armstrong and McDonald, two enterprising young men of Richmond, are in Denver on business and are the guests of J. Reid Garrison. Mr. Jake Hughes, of Orangeburg, formerly a student of Clemson, is visiting the family of Mr. W. D. Garrison. He is a young man of all-around manners and brilliant mind, whom the young people of Denver find a pleasant addition to their society. We commend his selection of friends here, especially his best girl.

Mr. Joe Glynn and two lovely sisters, Misses Dora and Corine, of Fair Play, visited the families of Mrs. Derricott and Mr. J. W. Rothrock recently. Mrs. Derricott and Mr. Louis Garrison will soon have their new houses completed.

Miss Ida Dickerson, of Southern Georgia, came in last week on train to spend some time with friends in this section. She is a charming lady, who has previously visited here, where she has many friends. Mrs. A. E. Brown and son, Ernest, have just returned from a pleasant visit to relatives in Oconee.

Incognita.

Roberts Items.

With the exception of a few cases of scarlet fever, the health of our community is excellent.

Rev. J. W. Bailey, assisted by Rev. Mr. Robertson, closed a very successful meeting at Providence last second Sunday.

Mr. Charley Barrett has returned home from an extended visit to the mountains.

The potato crop is fine. Miss Lucy Carter has returned home from a month's visit to relatives and friends at Hartwell, Ga. She reports a pleasant time.

Mr. and Mrs. John Stevenson, of near Asbury, visited in this section recently. Mr. Charley Gray, of Reed Creek, Ga., visited relatives in this section last week.

Among the many visitors at Providence the second Sunday were Mr. and Mrs. Leonard Jackson, Miss Colwine, of Asbury, Misses Cora and Eloise Milford, of the Fork, Mr. Sloan Whitaker and sister, Miss Cary, of the Deep Creek section, Mr. John H. Dobbins, of Yoc, and others too numerous to mention.

Mr. and Mrs. McConnell, of Anderson, visited the family of Mr. J. P. Anderson last week.

Mr. Ervin Milford, of Lavonia, Ga., visited this section recently.

Tombow.

Toney Creek News.

"Seeing nothing from this place lately we will attempt to give you a little news, although it is scarce.

The farmers are busy saving their grass, fodder and cotton.

There is some sickness in this section, several cases of scarlet fever, and whooping cough is also in the community, but so far none has proved fatal. Mr. W. H. Acker is improving his home out on the main Toney Creek road, and will soon move there.

Mr. Henry Norris has put up a nice new barn for his mother, Mrs. Maggie Norris.

There was quite a crowd at Shady Grove on the last preaching day. The ordinance of baptism was administered after the sermon, there being 29 to baptize, 27 having joined during the meeting recently conducted by Rev. Bussey, of Pelzer, and the pastor Rev. Tate.

We hear nothing of a school opening

soon, as they have so far got no teacher. We think they are a little late. It is hoped they will soon get a good teacher, as there is both large boys and girls in this community to go to school. Misses Laura Acker, Carrie Acker and Pearl Cox are visiting at Honca Path.

Mr. and Mrs. Sam Shirley spent the day in this community Sunday. Mrs. Shirley is suffering with a very bad sore on her lip, which has been giving her trouble for several weeks.

Mrs. A. O. Lawrence and little daughter, Mary Frances, are on a visit to her mother, Mrs. Maggie Norris.

Mr. Jim Henderson's sisters from Greenville are spending a few days with him.

Miss Tury Poore is visiting Mrs. Lawrence Sutherland.

Mrs. Caroline Mattison, of Westminster, is visiting her son, J. F. Mattison.

Mr. Caspar Poore is still on the sick list.

Alice Items.

Mr. E. McLain and Miss Lulah McWhorter, of Level Land, spent last Saturday and Sunday in the community.

Misses Nettie and Bessie Cowan, of Annie, attended the meeting at Rocky River last week.

Will Sutherland lost a fine mule last week.

When the negroes closed their big meeting last week some of them had a fight and exchanged a few bullets. Magistrate Spoon will have to pass sentence on the participants.

The Thompson telephone line has been extended to the home of W. P. Bell and a central office located there. Miss Marie McAdams spent a few days in this vicinity last week.

ZASHELLE, TENN., June 12, 1885. Dr. C. J. Moffet, St. Louis, Mo.—I can truly say that your TEEPHINA is the world's best tooth powder. I have used it two years, and do not like to be without a box at all times. My baby would hardly have lived through his second year had I not used your powder. He is now strong and without any teeth. I never allow an opportunity to pass without recommending TEEPHINA to my friends. May God reward you for the good you have done tooth-powder babies through this remedy. Respectfully,

They are prepared to make estimates and fill orders promptly.

Health will give what we wish cannot buy—happiness. Crying being a pleasant, comfortable exercise is the greatest known health promoter, and just as popular as our wheels, Columbia, Rambler, Cleveland, and the Hartford are the greatest favorites among discriminating wheel judges.

The great secret of a merchant's success is in buying his goods right. Sullivan Hardware Co. have a regular Wholesale Department, and since opening same their trade has increased in volume very rapidly. To meet this demand in competition, merchants are looking more and more after prices, and they are finding that they can buy at wholesale from this house cheaper than by sending their orders away from home and paying the freight. The reason for this is that the Sullivan Hardware Co. are always wide awake and make contracts ahead with the manufacturer direct; besides they employ a resident buyer in New York, with branch offices in other cities, who keep in touch with all large factories, which gives them the advantage of knowing just where their goods are made, and obtaining the lowest prices. It is much more satisfactory for merchants to buy in a home market when they can save money by doing so, and this is what Sullivan Hardware Co. propose to do for you. Anything in the Hardware line can be bought from them as low, often much lower, than the same class of goods are offered by other wholesale houses. If you have not investigated this fact they stand ready to prove it if you will give them your orders.
