The Democratic Convention.

The Anderson County Democratic Convention convened in the Court House last Monday and was called to order promptly at 12 o'clock by County Chairman John E. Breazeale...

The first business in order was the election of a President and Secretaries of the Convention. Mr. Breazeale was nominated for President and W. H. Shearer and C. C. Langston Secretaries...

The roll of Clubs was then called and the names of the delegates enrolled. Of the thirty-eight Clubs in the County all but nine of them were represented.

The President announced that the election of County Chairman to serve the ensuing two years was next in order and he was ready to hear nominations. Capt. H. H. Watkins was nominated...

Hon. J. M. Sullivan offered the following resolution, and in support of it made a most eloquent and pointed speech: Resolved, That this convention is opposed to any change in the pledges now required of candidates and voters in the Democratic primaries...

This resolution was briefly discussed by A. G. Pinckney, W. M. Gibson, R. B. A. Robinson, M. L. Bonham and Josh W. Ashley, all of whom favored its adoption...

The election of twelve delegates to the State Convention was next in order. The names of thirty gentlemen were nominated and only three of them declined. On motion, it was agreed that the twelve gentlemen receiving the highest number of votes be selected...

The delegates elected are as follows: J. M. Sullivan, R. B. A. Robinson, A. G. Pinckney, J. B. Leverett, John T. Green, J. W. Ashley, J. L. Tribble, J. B. Dorthit, C. H. Bailey, S. N. Brower, J. M. Payne and J. W. Quattlebaum.

On motion, the Executive Committee was instructed to communicate with the Executive Committees of the other counties in the Third Congressional District with a view of arranging for three Congressional campaign meetings in each County in the District.

Permission was asked and granted for the organization of a Club at the Belton Cotton Mills. The Democrats of Anderson were also granted permission to organize one or more clubs in each of the six wards of the city.

The names of the members of the County Executive Committee from each of the Clubs in the County were then called for and ratified by the Convention as follows:

- Anderson No. 1—J. L. Tribble. Anderson No. 2—J. M. Sullivan. Anderson No. 3—R. B. A. Robinson. Anderson No. 4—F. B. Egan. Belton No. 1—J. G. Harris. Belton No. 2—John T. Green. Bethany—J. A. In response to numerous call, Capt. H. H. Watkins, the newly elected County Chairman, made a few remarks, in which he thanked the Convention for the honor conferred upon him and promised to discharge his duties faithfully and impartially.

The Convention then adjourned.

Roberts Items.

Summer time has arrived. The woods are all green now. The trees are the heaviest loaded with leaves we ever saw them before.

There is not much visiting now. Everybody is at work and haven't time to visit.

Fruit is fine and the prospects for berries are good.

Noah Grant is wearing a broad smile over the arrival of a fine boy.

Our young friend, Walker Hembree, returned home Saturday after attending school at Leesville, S. C.

John Busby and lovely sisters, Misses Nettie and Bessie, were the guests of Miss Lucy Carter Friday and attended the picnic at Providence school-house.

Mrs. Edith Howell and son, Will, visited relatives at Seneca last week.

The people are very much behind with their garden work. The cut worms have destroyed a lot of plants and have started on the "patrol."

Will Cure Consumption.

A. A. Hesse, Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs, colds and lung trouble. I know that it has cured consumption in the first stages." Evans Pharmacy.

Anderson Twine Mill.

The advancement being made in Anderson in industrial development does not depend entirely upon a combination of capital subscribed by many. There is now in course of erection just outside the city limits, west, alongside of the Blue Ridge Railroad, a mill for the manufacture of cotton wrapping twine...

The structure of the Twine mill will be of brick, 140x80 feet, two stories, with a complement of ten or twelve cottages to house the operatives. The machinery used will be almost identical with that used by our yarn mills...

Rapid headway is being made toward completing this mill. A brick machine and 25 hands are now on the ground making 25,000 brick per day. Three of the cottages have been completed and two others are in course of erection.

Lowndesville Items.

Rev. J. V. Black, of Iva, visited this section last Thursday. Messrs W. T. Cunningham, G. W. Speer and Geo. Speer, of Monterey, were in town last Thursday.

Capt. J. E. Brownlee, of Centerville, was in town on business Friday. Mrs. B. Bolin Allen was present at the Baptist institute held at Starr last week.

Miss Kate Tennent left Saturday to visit friends and relatives in Greenwood. From there she will take in the Exposition at Charleston.

Miss Vera Allen is visiting relatives in Anderson. Dr. and Mrs. J. D. Wilson went to Abbeville last Saturday.

Mrs. T. J. Bowman and Miss Florence Milford spent a few days at Iva. Miss Annie Liddell, who has been to Charleston and visiting friends elsewhere, has returned home not at all hurt by the trip, for she has returned with the same amount of life and spirit she left with.

J. T. Latimer went to Abbeville on business last Saturday. Mr. and Mrs. A. V. Barnes who have for the past week or so been visiting relatives at Augusta, have returned home.

Miss Lillie Huckabee spent a few days with Miss Sallie Mann at Antreville last week. Capt. G. C. Sullivan, of Anderson, was in town the first part of last week.

Mrs. Andrew Speer returned to her home in Anderson after a few weeks stay with relatives at Monterey. Judge Huckabee attended the singing convention at Midway.

Mrs. Dr. A. J. Speer returned home Saturday, after a short visit to her father, Rev. F. H. Hoyt. There was quite a pleasant crowd at Mrs. J. T. Latimer's last Friday night, who participated in a candy-pulling.

It was held in the open air and obviously enjoyed by all. When any one laughs "fit to kill themselves," as they usually do here at Lowndesville, you may know they are enjoying themselves.

Mr. Billie Spritt is in town looking after his interests. Our young merchant, Charlie Bowen, was in Anderson the past Sunday. We conjecture, as the case seems evident, that there was some attraction.

A match game of ball was played between this place and Iva last Saturday. It ended in a victory to the Lowndesville team by a majority of ten scores. The game, considering the drawbacks, was comparatively good, however, as an errorless game cannot be expected from amateurs such as we are, but we expect to win this season the majority of the games.

"Tobac."

Children's Day will be observed at Zion Church on Saturday before the third Sunday. The public is invited to come out and bring well-filled dinner baskets.

E. H. Gambrell has returned from Dallas, Texas, where he has been attending the reunion. The lad with his tackle can now be seen on the banks of our little streams, but we don't think they will harm the "funny tribe" much.

J. D. McElroy has moved his saw mill into our midst and will saw lumber for the Portman dam.

Sam Williams has purchased a new top buggy. The cool and blustery days of March and April have passed, and we are enjoying the still and calm breezes of Spring.

Mrs. Almond and James Gambrell have returned from Pelzer, where they have been visiting a few days.

Memorial Day.

On next Saturday, Memorial Day, the Robt. E. Lee Chapter will hold a brief exercise in the Court House which promises to be of unusual interest. A large number of Southern Crosses of Honor will be presented to ex-Confederate soldiers. Gen. Bonham will be master of ceremonies, also orator of the occasion. The exercises will begin promptly at 11 a. m. and last one hour.

The public, especially all Confederate organizations, are most cordially invited to unite with us in this patriotic demonstration. This Chapter gave an order very soon after Gen. Hampton's death for a memorial slab, which will be placed in the corridor of the Court House. We hope to have it ready for unveiling on this occasion.

Mrs. J. D. Maxwell, Pres., Mrs. R. C. Webb, Sec., Robert E. Lee Chapter, U. D. C.

A Lesson in Health.

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. Evans Pharmacy.

A Revelation. If you make inquiry it will be a revelation to you how many succumb to kidney or bladder troubles in one form or another. If the patient is not beyond medical aid, Foley's Kidney Cure will cure. It never disappoints. Evans Pharmacy.

Foley's Honey and Tar contains no opiates and can safely be given to children. Evans Pharmacy.

A good Horse is needed by every farmer. Sullivan Hdw. Co. has a line of Hoes that comprises six distinct patterns, each pattern in all widths. Their Hand-Forged Hoe is the most serviceable Hoe ever placed on the market. The blades and handles are of highest quality steel; the handles straight, well seasoned and of just the proper size to suit the weight of the blades; the set is such as every farmer will pronounce perfect as soon as he places the Hoe in his hand. The price is just so low that it cannot fail to please you.

Traveling is Dangerous.

Constant motion jars the kidneys which are kept in place in the body by delicate attachments. This is the reason that travelers, trainmen, street-car men, teamsters and all who drive very much suffer from kidney disease in some form. Foley's Kidney Cure strengthens the kidneys and cures all forms of kidney and bladder disease. Geo. H. Hanson, locomotive engineer, Lima, O., writes, "Constant vibration of the engine caused me a great deal of trouble with my kidneys, and I got no relief until I used Foley's Kidney Cure." Evans Pharmacy.

Heel Sweeps will soon be in demand. Sullivan Hdw. Co. have them, both the Terrell and the Victor.

Foley's Honey and Tar is peculiarly adapted for asthma, bronchitis and hoarseness. Evans Pharmacy.

A good yield of cotton or corn will depend in a large measure on the kind of cultivator or Side Harrow you may have. Many farmers will differ as to which is the best implement of the kind. In order to catch and to satisfy all Sullivan Hdw. Co. have a line of cultivators and of the desirable patterns manufactured. The Perfect, the Roman, the Terrell and the Klondike. An expression from you as to which you want would be appreciated by them.

You never heard of any one using Foley's Honey and Tar not being satisfied. Evans Pharmacy.

Diamond Points for Harrows are carried by Sullivan Hdw. Co. Terrell and Roman Harrow Teeth can be bought from Sullivan Hdw. Co.

The Only Reason You Don't.

Many people are using "Clifton" Flour and they don't know why. They don't know the merits of "Clifton" Flour, and in a way, they were satisfied with what they were getting. It was good enough as long as they didn't know any better. "Clifton" But it wouldn't be good enough now. They know about "Clifton" now. You don't know about "Clifton" flour, perhaps, and the other kind is good enough for you. But it won't be when you know all about "Clifton." You might as well learn about it now. We want to tell you and to demonstrate all the way. If you investigate and compare make good, you are not out anything. But if we do make good (and we will) you will have gained something. If you prefer a good family flour, "White Paw" will satisfy you. It is milled with the same care and out of the same wheat.
