

Work of the State Board of Equalization.

The State Board of Equalization met in Columbia again last week and completed its work for the ensuing year. The Board wrestled with the knotty problem of the equalization of real estate values for several days and finally had to give it up as a bad job, and left values as fixed by County Boards, memorializing the Legislature, however, to pass laws that will make it possible to carry out the purpose of the Act relating to equalization. Then the values of cotton mills, oil mills, etc., were passed upon as ascertained by the Board, put on a 60 per cent basis of valuation, and left at that. The full valuation as fixed by the Board on cotton mill property in Anderson County is as follows: Anderson Cotton Mills, \$641,950; Cox Manufacturing Co., 70,000; Orr Cotton Mills, 400,000; Riverside Manufacturing Co., 80,000; Pendleton Manufacturing Co., 50,000; Belton Cotton Mills, 400,000; Pelzer Manufacturing Co., 1,000,000; Piedmont Manufacturing Co., 1,320,000; Williamston Cotton Mills, Not fixed. The valuation on the Cotton Seed Oil Mills in this County was fixed as follows: Anderson Oil Mill, \$22,000; Excelsior Oil Mill, 22,000; Farmers' Oil Mill, 25,000; Pendleton Oil Mill, 16,000; Honea Path Oil Mill, 16,000; Pelzer Oil Mill, 22,000; Williamston Oil Mill, 14,000; Rice Bros., Belton, No return. The valuation on the plant of the Anderson Fertilizer Co. was fixed at \$100,000. The real problem was struck by the committee on percentage in changing the real estate calculations. The committee figured on a 70 per cent basis. In Anderson County this basis would mean an increase of 25 per cent, and it would have made an increase in at least two thirds of the other counties of the State. After much discussion the following resolutions were offered by D. Aaron Geer, Anderson County's representative on the State Board, as a substitute for the report of the committee on percentage and were adopted by a vote of 21 to 12: 1. In view of the fact that the reports on which action has to be taken are somewhat incomplete, and in view of the further facts that personal property, bank stock and railroad property are not available for assessment this year, and the assessments upon personal property, bank stock and railroad property has finally been fixed for this year and under the law cannot be affected by any basis of assessment agreed upon at this meeting of the State Board, be it Resolved, That this Board accept all returns of the real estate as adopted by the county boards of equalization. 2. That the report on cotton mills be accepted and that the valuation as given by the committee be adopted, and that the percentage for assessment for cotton mill property be fixed at 60 per cent as last year. 3. That the report of the committee on cotton seed oil mills as to value, be adopted, and that 60 per cent of that value, as last year, be adopted as the basis of taxation. 4. That the report of the committee on fertilizer factories be adopted as the basis of valuation, and that 60 per cent of the value be used as the basis of assessment for taxation as last year. Resolved, That this Board respectfully urge the general assembly to provide at its next session some plan by which a personal property, bank stock, railroad property and all other classes of taxable property and all other classes of taxable property can be reached at one time, and so that the various classes of property shall not be unequally assessed by the action of any State Board as would be the case if this board adopted the 70 per cent basis upon real estate and textile mills, and was unable to reach other classes of property already finally assessed for the year. All of the reports were agreed to and the 60 per cent basis ratified by the Board upon the figures agreed. This basis will result in an increase of 10 per cent on real estate in Anderson County.

A Pleasant Day.

Mr. Editor: On Saturday, July 27th, a jolly crowd of picknickers met at the country home of P. B. Gentry. It was a gathering of kindred, and quite early the merry aunts, uncles and cousins began to arrive. Mr. Gentry's home is a few miles from the city, and is centrally situated for the relatives. Very soon one side of the grove was covered with vehicles, and the other with young people, who were in the best of spirits. The occasion was in honor of Mrs. Martha Hall, who is here from Georgia visiting. It was her sixteenth birthday. Anderson was her girlhood home but she has been away many years. In all, sixty-four relatives and a few friends were present to wish for the guest many more happy returns of the day. Each one enjoyed the day throughout. Promptly at 12 o'clock a long table was made in the shade of the oaks and spread all over with everything good to eat. Cold lemonade and nice, country watermelons were furnished in abundance. Mrs. Hall is the oldest daughter of Robert Keys. Her brothers and sisters are A. C. Keys, E. B. Keys, R. A. Keys, Mrs. James L. Kay and Mrs. P. B. Gentry, all of Anderson County, and Mrs. J. M. Thompson, of Birmingham, Ala. All of them were present with their families except one brother, though his family was represented, and Mrs. Thompson. Mrs. Hall said her cup of happiness was almost full when she was told that "Aunt" Hannah had come to see her. Auntie is a good, old slave negro who belonged to Mrs. Hall's father and grandfather. She was the oldest person at the reunion. When the sun was lowering in the west "good-bye" was said and a pleasant day was ended. Guest.

The Hopewell Meeting.

Concentration of purpose, effort and prayers on the part of both pastor and people will insure the wonderful success which attended the revival services at Hopewell Church last week. Pastor O. J. Copeland had the sympathy and hearty support of the Church from the very first, and as a result both he and the Church rejoice in the knowledge of added strength and zeal. The preaching was done by the pastor and was powerful and convincing as well as easily intelligible and was characterized by a power not of man, a proof not only of Divine approval but of Divine co-operation. When such forces are at work, results cannot fail to obtain, and not only the Church but the entire community has been stimulated by the meeting to a higher Christian living. A number were added to the Church both by letter and experience, and the cause of Christ in our community has made a grand stride forward. Hopewell Baptist Church is today in the best condition she has ever been in. July 31.

The Selkida Association.

The Selkida Baptist Association, held at Mountain Creek Church Tuesday, Wednesday and Thursday of last week, was one of the most enjoyable and largely attended occasions held in this county for years. It was a Baptist occasion, but there were present hundreds of visitors representing all denominations, and, except the necessary routine of church work in the aggregate meetings, there was a total obliteration of denominational lines. The aggregate attendance during the three days was not less than 5,500, all of whom were made welcome, and, like the multitude, were fed and many baskets of fragments were left.

Seven miles southwest of Anderson, on the Holland's Ferry road, is Mountain Creek Church. It is beautifully situated at the foot of Little Mountain, with an abundance of shade from massive oaks. Across the road from the church is a small frame school house, and near this there was constructed for this occasion an immense arbor, where religious services were held morning and afternoon. The business meetings were held in the church. The Ladies' Missionary Society held its meetings in the school building. At no time could more than one-half the crowd be seated in the buildings and arbor, and those not finding seats either clustered about the meeting in which they found greatest interest, or wandering over the grounds meeting old friends and making new acquaintances. There was about this large gathering an atmosphere of welcome and good fellowship which made every one happy.

There were present 130 delegates representing 41 churches. J. L. Tribble, Esq., of Anderson, was moderator of the Association, and Rev. W. W. Leathers and S. P. Tate clerk and assistant clerk, respectively. A prominent among those present were Dr. A. P. Montague, rector of the Episcopal Church, of Anderson, and Rev. E. F. Jones, President of the Greenville Female College; Rev. J. B. Collier, of Georgia, and others.

Wednesday was the "big day" of the Association. No less than 2,500 people were in attendance. The most interesting feature of the business meeting was the address on education by Dr. Montague. It was a learned discourse, most excellently prepared and delivered. His familiarity with and appreciation of the great authors, a part of whose accomplishments and achievements he made to embellish his address, delighted his appreciative hearers, as did also the hints and suggestions, called from experience and wisdom, on education in general.

The sermon at the arbor Wednesday morning by Rev. R. H. Burris, was highly instructive and delivered in a plain, manly style, which never fails to be appreciated. Mr. Burris is the son of the late Levy Burris and Mrs. Susan Burris, who survives. The history of this family is closely linked with the history of Mountain Creek Church. Three generations at least of the family have worshipped here, and death came to Levy Burris, father of Rev. R. H. Burris, while attending service in this Church—a realization of often expressed, "I will be here when I die." The service was instructive and entertaining, but want of space prevents details.

The prominent families of this Church, who so generously provided something good to eat and barrels of pure water for the more than 5,000 people attending the Association, and who made it a point to let no one go unprovided for, have shown a hospitality which has never been and can never be surpassed. The Association next year will be held at Salem Church, where the first Association was organized in 1803. This will be the centennial celebration of the Association, and will most certainly be a notable event.

Death of a Good Citizen.

Mr. Charles S. Milford died at his home in Fork Township near Broyles, last Saturday morning, and by his death Anderson County loses another one of her best and most worthy citizens. He had been in feeble health for a year or more, and for several weeks past his death was expected at any time by his family. Mr. Milford was in the 77th year of his age, and was born and reared in Corner Township. In his young manhood he moved with his father to Oconee County, where he resided until 1870, when he returned to Anderson County, and located in the Broyles section. He was a practical and successful farmer, and by his industry and integrity acquired a competency. No man stood higher in the community for honesty and Christian character. He had since his boyhood been a devoted member of the Baptist Church, and at the time of his death he was a deacon in Oakdale Church, near his home. He served his State faithfully through the civil war as a member of Orr's Regiment, and never shirked any duty that was assigned him. In all the duties of life he was true and firm and was ever ready to denounce the wrong and uphold the right. The deceased was held in the highest esteem by a wide circle of friends and acquaintances, who will long cherish his memory. A sorely bereaved widow, four sons and one daughter survive him. On Sunday his remains were interred in Oakdale Churchyard. Rev. O. J. Copeland conducting the funeral services in the presence of a large congregation of sorrowing friends and relatives.

County Normal School for Teachers.

The Anderson County Normal will open on Aug. 11th and remain in session four weeks. All teachers and prospective teachers are respectfully urged to attend. The instructors in the school for white teachers will be Prof. Thos. C. Walton, Anderson, S. C.; Prof. P. L. Grier, Due West, S. C.; and Miss Francis Wideman, Due West, S. C. The course of study has been arranged as follows: English Literature and History, Prof. Thos. C. Walton; Arithmetic and Algebra, Prof. P. L. Grier; Music, Miss Francis Wideman. An effort is also being made to provide a course in primary work, methods, &c. For colored teachers will begin on the same date, and will be in charge of Anthony Robertson, Greenville, S. C. The books to be used are Wheeler's Graded Lessons, Johnson's Third, Fourth and Fifth Readers, Wentworth's Practical Arithmetic, and Frye's Introductory Geography. Our enrollment heretofore has been larger than that of most counties, and I trust it will be so again. Much good work can be done and much benefit derived by the teachers who attend and apply themselves faithfully. Respectfully, R. E. Nicholson.

Williamston Items.

Rev. and Mrs. Jno. A. Hood, former residents of this place, came down from Greenville a few days ago to visit relatives and acquaintances.

Miss Meta and Annie, but will be very unhappy when Miss Annie goes home. The young people of this community had the pleasure of attending a lawn party at J. A. P. Barton's last third Saturday night, given in honor of Eugene Wilson, of Honea Path. Chester Jolly, of Gordon County, Ga., is visiting his uncle, J. M. Jolly, Church at Reed Creek, Ga., last Sunday.

Rev. R. J. Williams and wife visited in this community last Thursday. The series of meetings closed at the Townview Baptist Church last Friday night. Five were added to the Church.

Double Springs Sunday School observed missionary day last third Sunday, which was carried out forcibly. Eugene Wilson, of Honea Path, is visiting the family of J. A. P. Barton and other relatives.

D. Judson Barton is at home for a vacation. He visited relatives at Honea Path recently. Mrs. C. S. Maret has returned home after a three weeks visit in Elberton, Ga.

Ernest Harrison, accompanied by Miss Nannie Barton, of Lavonia, Ga., visited in this community last Saturday night and Sunday. Misses Edna Barton and Vera Maret, of Fair Play, visited their brother, G. W. Maret, last Saturday, who is in feeble health. Miss Leila Thompson has been quite sick but we are glad to say is convalescing.

Ernest Cromer had the misfortune to lose his barn and his out buildings, two wagons and one bull, and about a thousand bundles of fodder and several bushels of wheat by fire Friday night. He has the sincere sympathy of his friends. Misses Edna Barton and Vera Maret are visiting friends and relatives at Fair Play this week. Mrs. C. E. Skelton and children, of Fair Play, are visiting her father's family, J. M. Jolly.

Misses Edna Barton and Eugene Wilson, accompanied by Misses Pauline and Myrtle Barton, attended the Association at Mt. Creek. They report a very pleasant time. J. I. Holland, Misses Daisy Wright and Ada King visited the Misses Barton last week. Come back again, for you are always welcome. It is said the wedding bells will ring soon. Mr. and Mrs. Bill Wooten, of Corner, passed through our burg last Tuesday on their way to the latter's father, Charlie Milford, who is quite ill. Aug. 2. Morning Glory.

Foley's Kidney Cure

Will cure Bright's Disease. Will cure Diabetes. Will cure Bladder. Will cure Kidney and Bladder Diseases. Evans Pharmacy. Many farmers are careful in the selection of a Mower, but careless in selecting a Rake. There is as much difference between a good and a sorry Rake as there is between good and sorry Mowers. You can suffer as much annoyance by slighting the one as the other. The McCormick Hay Rake sold by Sullivan Hdw. Co. is so much better than any other that its superiority is apparent at the first glance of any one who has any knowledge of mechanical construction. Kindly compare them and be convinced of the truth of this assertion. Foley's Kidney Cure will cure all diseases arising from disordered kidneys or bladder. Evans Pharmacy. A good Mower and Rake will soon save enough grain to pay cost of same. The best machines to buy are those most simple in construction and those that will require the fewest repairs. If you will require the lowest repairs, ask the owner of a McCormick which machine to buy he will tell you that his investment in a McCormick could not have been more wisely made.
