THOUGHTS ON VOTING.

Twelve days only will elapse between now and the primary election. The result of this election—the naming of a United States Senator, members of the lower House of Congress, State Senators and members of the House—will be looked upon by the people everywhere as indicating the intelligence and moral stamina of the citizenship of South Carolina.

It is a well known fact that thousands of dollars have been wasted in the enactment of laws in recent sessions of the Legislature which proved to be unconstitutional, causing confusion to the counties, delay in the courts and much unnecessary trouble and expense to private individuals.

addition to the indirect tax resulting from the protective tariff laws. Is it not true that South Carolina was waking up to the necessity of sending men to Congress whose energies will be directed to the BEST interests of the plain people?

The cotton mills of this State have organized a mutual insurance company with headquarters at Greenville for the purpose of insuring members against loss by fire, storms, etc. The company is known as the Southern Manufacturers' Mutual Insurance Company, and there is no capital stock as the company will be conducted on the assessment basis.

Public sentiment in favor of that simple and effective form of anti-trust legislation which will remove the duties on all articles controlled by the more evil trusts gains strength and volume day by day. There is a feeling that this is the only practical way in which the trusts can be successfully fought.

To the careful observer and earnest enthusiast for a higher and better life on the farm, there comes a thought true and forcible,—are we educating toward the farm or away from it? We look at our primary schools, our high schools, and do we not see the tendency almost wholly against the farm? There is a remarkable development and interest in agricultural education in Europe, where it is common for agriculture to be taught in every grade, from the primary school through the college.

Townville News.

Miss Lettie Burford, of Calhoun Falls, is spending awhile with her uncle, J. W. Shirley. Misses Pearl Marrett and Hettie Grubbs, of Fair Play, are attending the singing school at this place. Mrs. Newell, of near Hopewell, is visiting her daughter, Mrs. L. M. Mahoney. Misses Nora and Lollie Morgan are visiting friends and relatives at Moseley.

Brushy Creek News.

Crops are looking somewhat parched from the want of a good season. Prof. Durham's school of music closed last Thursday night with a free musical concert, which was a grand success, considering the length of time of practice. There was a baptizing at the Mt. Airy Baptist Church yesterday (Sunday). There were nine candidates as a result of a series of meetings held by the pastor, Rev. J. W. Sheriff.

Clothing, Gents' Shoes, Furnishings.

Respectfully, JULIUS H. WEIL & CO.

As the Thermometer goes down in Winter so do our

PRICES GO DOWN IN SUMMER.

JUST now we are making another "raid" on Prices, and on every article of Summer Merchandise we have CUT the PRICES so close until there hardly remains enough profit for living expenses. So it naturally follows that there is money in it for you.

A great many people, 'tis true, are under the impression that when a Merchant advertises a lot of Cut Prices on reasonable and staple goods that there is a catch somewhere, and are wary about taking in these Cut Price Sales. To those, especially, who are of this opinion we ask that you visit our Store, get our prices, note well the quality of our Goods, and we promise to convince you beyond a doubt that there are such things as Out Prices.

Advertising Cut Prices and Bargains is not a "hobby" of ours, for only twice during the year do we advertise these things, for since we have been in business we have established a reputation of selling the best Goods at close prices the year round, so when we do advertise Cut Prices and Bargains you will find that they are unusually good ones.

Business so far has been VERY good this Summer, and to make the rest of the Summer months busy ones with us, we are offering unusual Bargains in our different departments. Run your eye over this list, and if there is anything on it that you will need see us before purchasing elsewhere, you will be doing the right thing to keep money in your purse:

Foulards, Egyptian Tissues, Lawns, Muslins, Organdies, F. K's, Dimities, White Goods, Wash Goods, Black and Colored Dress Goods, Laces, Embroideries, Insertings, Edgings, Hoisery, Undervests, Parasols, Fans, etc.

Also, at Actual Cost, without any per cent whatever added, we offer our lot of Ladies' and Children's Slippers. Also, big reductions on all Summer Footgear.

Last, but just as attractive in prices and new goods, you will find our Millinery Department teeming with good things. Come as early as possible, or send us your orders. They receive our personal and prompt attention. Agents for the Royal Worcester Corset and McCall's Bazar Patterns.
