

Local News.

WEDNESDAY, SEPT. 3, 1902.

Corner Creek Dots.

The much talked about primary election has come and is an event of the past now; the tale has been told, and, of course, the successful candidates are rejoicing over their victories while the defeated ones are consoling themselves over the fact that the majority must rule. It is rather a surprise to a goodly number of people about there being no second race among our County officers and something very singular in the history of Anderson County politics. There was an unusual amount of interest manifested in the State Senatorial race between Mosses, Hood and Ashley. Mr. Hood's many friends are indeed proud of the handsome vote tendered him, and also of his high plane of campaigning through the fight. We firmly believed he would win easily in the race, and consequently there is great satisfaction over the large majority given him last Tuesday. Mr. Hood is a gentleman in every respect, and Anderson County should feel honored by sending him as her able representative to the Senate.

Miss May Robertson, after spending two weeks here with relatives, returned to her home in Abbeville last Saturday. Miss May made a host of friends here who will ever cherish her memory.

Miss Lona Agnew, of Donalds, spent last week here, the guest of her cousin, Miss Nora Johnson.

B. F. Gassaway attended the Trustees meeting at Anderson Friday, being a trustee of the Honea Path Graded School.

A large crowd were in attendance at the Union meeting at Honea Path Sunday. The meeting was an interesting one and we think a very profitable one.

Farmers are now down to work in earnest after a long needed rest. The clouds have passed over and the sun shines again bright and beautiful. We had a glorious rain, which did a great deal of good to the late crops.

The visitors have come and gone. Our young people seemed to have enjoyed their summer vacation hugely, but now the summer has nearly ended and all must go to work and off to school.

Miss Maude Kay, of Broadmouth, spent last Saturday night and Sunday here with her friend, Miss Oliva Gassaway.

Rev. L. E. Campbell spent last Saturday night here with the family of B. F. Gassaway.

With best wishes to all, we are the same Tyro.

Lowndesville News.

A protracted meeting begins Thursday morning in the Presbyterian Church. The pastor, Rev. I. E. Wallace, will be assisted by Rev. H. K. Murchison, of Anderson. The meeting will continue for several days and the public is cordially invited to attend the services.

Wilton E. Lee, a successful farmer of Anderson County, visited the family of B. Berry Allen last week. Vedic.

Burgess Bridge Dots.

Bruce, oldest son of I. W. Harris, is seriously ill, and is visited daily by Dr. Harris.

Our road to Anderson is to be further improved and shortened by making a new road three-fourths of a mile through W. Q. Hammond's farm, north of his house.

A road is also being built from the Harris spring to cross Little Beaverdam creek one mile above here.

Our farmers now have a job picking cotton, and the crop is rather short here.

The crop of peas is very good. W. M. Smith has a melon patch and by making a few pleasure trips to Belton and Anderson, during his leisure, has sold forty-six dollars worth. Who has more strings to his bow than a farmer?

The patrons of Union Grove School will enlarge their house and employ two teachers part of the time.

Four ex-Confeds sent to the Legislature! Life in the old men yet. Remarkable that two of them are Superintendents of Sunday schools, and all of them in good standing in the Churches.

Please let me through your columns express my sincere thanks for all the kindness shown me recently, and to extend the hand of sympathy to all who were left, and as say to them, such is life. E. Z. Brown.

We were glad to see that Hon. Wyatt Aiken made such a fine run for Congress. Several boys in this section were in the Army with him and they know he is a broad-minded, patriotic and Christian citizen, and will be a credit to this District.

Best wishes to the Intelligencer. Sept. 1. Big Bill.

Improvement Southern Dining Cars.

The Southern Railway is making an especial feature of dining car service on many of its through trains, and in order to make dining cars more attractive than ever, are now equipping all of these cars with electric fans and lights. A number of the dining cars in through lines between Atlanta and New York have been equipped with electric fans and lights, and these improvements will continue until all of the dining cars on the Southern system will have these advantages.

There are very few roads in the world that have electric lights and electric fans in their dining cars and this improvement will be much to the already excellent dining car service of the Southern Railway. W. H. TAYLOR, Asst. Gen. Pass. Agt.

Foley's Honey and Tar is peculiarly adapted for chronic throat troubles and will positively cure bronchitis, hoarseness and all bronchial diseases. Refuse substitutes. Evans Pharmacy.

Refined, up-to-date people always want the best. GALLAGHER BROS. are acknowledged to be among the best PHOTOGRAPHERS in the South. They do not waste their skill on cheap, fading trash.

Are you uncertain or doubtful as to the best Grain Cradle to buy? Ask your neighbor who has one of the old Seven-Finger Count's Cradles if he would exchange it for one of any other style? In all probability he would tell you that he would not, and in doing so he displays his wisdom. Experience has demonstrated that they are the best grain-savers manufactured. They are sold by Sullivan Hdw. Co.

Used for Pneumonia. Dr. J. C. Bishop, of Agnew, Mich., says, "I have used Foley's Honey and Tar in three very severe cases of pneumonia with good results in every case." Refuse substitutes. Evans Pharmacy.

A New Jersey Editor's Testimonial.

M. T. Lynch, Editor of the Philadelphia N. J. Daily Post, writes: "I have used many kinds of medicines for coughs and colds in my family but never any so good as Foley's Honey and Tar. I cannot say too much in praise of it." Evans Pharmacy.

Like all other McCormick Machines, McCormick Hay Rakes are built on honor. It is by far the strongest and most perfectly constructed Rake on the market. You should certainly buy a Rake until you have examined the McCormick, for it is the Rake of all Rakes, and the acknowledged monarch of the grass field. Sullivan Hardware Co. will be pleased to demonstrate to you the points of superiority of the McCormick Hay Rake.

Many farmers are careful in the selection of a Mower, but careless in selecting a Rake. There is as much difference between a good and a sorry Rake as there is between good and sorry Mowers. You can suffer as much annoyance by slighting the one as the other. The McCormick Hay Rake sold by Sullivan Hdw. Co. is so much better than any others that its superiority is apparent at the first glance of any one who has any knowledge of mechanical construction. Kindly compare them and be convinced of the truth of this assertion.

Cured Hemorrhages of the Lungs.

"Several years since my lungs were so badly affected that I had many hemorrhages," writes A. M. Ake of Wood, Ind. "I took treatment with several physicians without any benefit. I then started to take Foley's Honey and Tar and my lungs are now as good as a bell. I recommend it in advanced stages of lung trouble." Evans Pharmacy.

Foley's Kidney Cure makes the diseased kidneys sound so they will eliminate the poisons from the blood. Evans Pharmacy.

Do You Own a Nice Mare?

If so, don't fail to breed her to Nelson R. Green's fine colt, DIAMOND DEE, Reg. No. 35,785, now making the season for a limited number of mares at R. B. Findley's Stables, McGee's old stand, Anderson, S. C. The best bred horse in the South.

Doctors Could not Help Her. "I had kidney trouble for years," writes Mrs. Raymond Connor of Shelton, Wash., "and the doctors could not help me. I tried Foley's Kidney Cure, and the very first dose gave me relief and I am now cured. I cannot say too much for Foley's Kidney Cure." Evans Pharmacy.
