## GRAND CLEARANCE SALE

**Our Semi-Annual Clearance Sale is on. Twice a year—January and July—we have these Special Sales. People who have been here before at one of these sales will be sure to come again. If you have not been one of the fortunate ones in the past, do not put it off this time. You may regret it.**

**Our only reason for these sales is that we do not wish to carry Clothing from one season to another. We cannot afford it. We prefer making deep cuts in the prices of Suits and Overcoats so as to get rid of them. Then we invest our money in New Clothing every season.**

**This sale includes all of our NEW FALL AND WINTER CLOTHING. This season's best and most popular Suits and Overcoats, all go at these reductions—nothing reserved.**

**\$5.25**

Is the phenomenal low price we place on all of our \$7.50 Men's and Young Men's Suits. Blue and Black Serges, also Worsteds and Cassimeres, in Checks, Plaids and Mixtures—every one of them excellent value at their former price.

**\$7.85**

Is the small price we place upon any of our \$10.00 Suits. These Suits were the very best values shown in this Town at \$10.00. Now you will only have to see the Suits to appreciate their value.

**\$9.45**

For any \$12.50 Suit we have in stock. These Suits have an air of elegance that cannot be found in any \$12.50 Suits elsewhere.

**\$11.75**

buys any of our \$15.00 Suits. \$12.90 buys any of our \$16.50 Suits. \$14.50 buys any of our \$18.00 Suits. These are the Suits which are so much like your high-priced tailor's best ones, the kind he will charge you at least one-half more than our regular prices.

## TROUSERS.

Now is the time you should need an extra pair of Trousers. You are in luck if you do. Every pair of Trousers in this house is included in this sale. Better hurry. Here is what we do for them—

- \$1.55 for Trousers that we have been selling for \$2.00.
- \$1.95 for Trousers that are regular-priced \$2.50, \$2.25, for any of our \$3.00 Trousers.

- 3.75 for any of our 4.50, 5.00 and 5.50 Knee Pants Suits.

## OVERCOATS!

You remember how cold it was last year about this time. The weather-people say this month will be cold, and the way it's starting out seems as if they're right. Here's some interesting prices for the man who wants an Overcoat:

The cuts on the above Goods are deep, but they are genuine reductions. No fake business here. We have always stood square up to our ads in the past, and we will not this late day misrepresent Goods to make sales. So you can come here knowing beforehand that what you see in this ad will be more than substantiated when you see the Goods. You had better hurry, though, as you know the best things always go first.

First come, first served, is the rule here.

Miss Amanda Elliott has returned to her home in Anderson, after spending a few days with her aunt, Mrs. John Browne.

J. A. Welborn, of Williamston, purchased the Rush place and moved his family into our community.

Mr. and Mrs. George Wyatt, with their two sweet little children, of Omega, visited the latter's brother, J. C. Holder.

We are sorry to learn John Harris is on the sick list, and hope he will soon be restored to good health.

J. J. and J. F. Wilson have been on a business trip to Oconee.

Last week invitations were sent out for a musical and cake party at Mr. and Mrs. J. C. Holder's home on Jan. 14, when all the invited guests were assembled. Some fine music was rendered on the violin by John Harris, accompanied on the organ by several others. Some nice plays were played which made everybody lively. Then came the delightful time about 8 o'clock, when the dining room door was opened and all were invited to partake of the nice cake and jellies. After all had eaten heartily the guests returned to the parlor and enjoyed some nice games and more fine music. About 11 o'clock all the guests returned to their homes feeling their hours well spent. The occasion will long be remembered. Nearly all the sweet girls were dressed in white dresses and green flowers, which made them look more sweet.

We return many thanks to the ladies of the house, Misses Mattie and Beulah, for their hospitality and kindness.

A Guest.

Everyone is sorry to lose Mr. Geer from our business circles, as he has always been an energetic, successful merchant during his five years' stay in our town. Mr. Babb is a very pleasing young man to meet and has already created a good impression among our people.

### A Narrow Escape Perhaps From Death.

Little Kathleen, the bright and beautiful one year old daughter of Mr. and Mrs. N. L. Hunt, of Midway, met with what might have terminated in a serious and perhaps fatal accident on Saturday morning. In toddling over the floor she picked up a loose steel heel tap, about an inch long with two prongs or teeth on one side, which happened to be lying in the way, which she put in her mouth and made an attempt to swallow, but fortunately its mother, who was near by, discovered the child was choking with something and ran to his relief, and thrusting her fingers in the child's mouth found the heel tap lodged in its throat. In pulling the heel tap out the child's throat was slightly lacerated causing the injured parts to bleed freely for a short while. The little one is all right now, and of course is in blissful ignorance of the miraculous escape it had perhaps from death. Mrs. Hunt of course was terribly frightened during the ordeal of getting the heel tap out of her baby's throat, and her nerves were very much unstrung for several hours afterwards. Her advice is to keep dangerous things out of the baby's way.—Keowee Courier.

Our Three P's Prices advertised last week will be continued on DRY GOODS, SHOES and UNDERWEAR one week longer. We do this for the benefit of our country friends who were kept away on account of the cold weather.
