MEN'S WEAR!

CLOTHING

THAT TIME PRONOUNCES BEST!

It isn't for to-day, to-morrow or next week that you buy a Suit of Clothes. Clothes are bought to serve—the longer the better.

The better the Clothes the better they serve, and the better they look, even to the last day.

You can't get service or appearance out of poor workmanship. A thrown-together, pressed-up Suit may look all right for a week; then comes the time of kicks and dissatisfaction.

Peck's Clothing,

For which we have secured the agency, is made to serve long and well; to keep its shape; to look dressy as long as you want to wear it.

That's the kind of Clothing it pays to buy.

IT'S MADE RIGHT.

It's almost an investment—buy it, for a long-wearing Suit pays you back more than its cost.
