

LOCAL MATTERS.

TO OUR CITY SUBSCRIBERS.—We would be thankful if there is any failure on the part of our carriers to deliver the DAILY NEWS, if our city subscribers would give us immediate notice.

WILMINGTON AND MANCHESTER RAILROAD.—We are pleased to state that this road is now in connection with Kingville, and we return our thanks to Mr. W. A. JOHNSON, messenger of ADAMS' Express Company, for Richmond, Petersburg, Fayetteville, and Wilmington papers, brought over by the first train that reached that point.

MANAGERS OF ELECTION.—A meeting of this Board was held yesterday afternoon at Masonic Hall, Mr. CHARLES LOVE in the chair. Several matters were discussed, and vacancies filled. A committee was appointed to confer with the authorities on all matters connected with the forthcoming elections, to report at an adjourned meeting on Thursday afternoon next, at 5 o'clock.

A HOT DAY.—It seemed to us that yesterday was particularly warm—nay, that it was the hottest day of the season. Every one we saw, every friend we met, appeared to be suffering intensely from its severity. We grumbled and fretted through the first part of the day, until going into the lower part of the city, we heard in a house a tamboorine, accompanied with "the fiddle and the bow," and innumerable feet shuffling over the floors.

ARRIVAL OF TROOPS.—The steamer Ann Maria, from Hilton Head, brought here, yesterday, Company E, of the 5th U. S. Artillery, under command of Lieut. BRINKLEY. They will garrison Fort Moultrie.

COLBURN, HOWELL & CO.—We omitted yesterday, in our notice of this firm, the name of Mr. H. E. NICHOLS, who forms the company, and is from Columbia, where he has for years been the agent for many insurance companies, and where his position as a business man is favorably known.

CUT TIMBER in the country should be brought to town without delay. By referring to our advertising columns, ready purchasers will be found.

RESTAURANT.—MR. HENRY H. BADENHOP has opened at No. 135 Meeting-street one of the neatest places for refreshment in the city. The front room of the establishment is a sales room for cigars and liquors in quantities, while the rear, which is as beautifully fitted up, is devoted to those who seize pleasure as it flies during these days of heat. Mr. B. will be recognized as one whose face was very familiar at the Charleston Hotel in days gone by.

HANDSOME FURNITURE, &c.—We call attention to the advertisement of a sale, this day, by MILLIGAN & SON, and suggest the attendance of all in want of fine articles of that character.

SEE Acting Master MONTPELLI'S card in special column.

IN LOOKING over our advertisements, do not fail to read that of Geo. W. CLARK & CO.

FAYETTEVILLE NEWS.—We have received a small paper with this title, barely discernible, which, no doubt, is quite interesting, but the copy received by us is unreadable. We are satisfied, from the strong smell of turpentine which accompanies it, that it is genuine, and comes from the "Old North State." We desire a better acquaintance with it.

AUGUSTA, GA.—The Constitutional, of the 16th, gives accounts of robberies, thefts and outrages that are appalling. We should certainly rejoice at our exemption from these rogueries to any extent, and thank our vigilant police for the prevention.

THE SAVANNAH REPUBLICAN, of the 18th, mentions the extreme low state of the river, and the detention of steamers at Augusta in consequence.

NEW PUBLICATIONS.—HARPER & BROTHERS announce the following new books:

THE CITY OF CHARLESTON being large stockholders in the Nashville and Chattanooga Railroad, our readers will be pleased to learn from the following, taken from the Augusta Constitutional, that the road has been turned over to the stockholders by the Government.

NASHVILLE, August 15.—The meeting of the Stockholders of the Nashville and Chattanooga Railroad to-day was very large.

DR. T. REENSTERN, HAVING RESUMED his Practice of MEDICINE AND SURGERY, will be found at his Office, No. 100 BROAD-STREET, between King and Meeting-streets.

DRAKE'S PLANTATION BITTERS. They purify, strengthen and invigorate. They create a healthy appetite. They are an antidote to change of water and diet. They overcome effects of dissipation and late hours. They strengthen the system and enliven the mind. They prevent miasma and intermittent fevers. They purify the breath and acidity of the stomach. They cure Dyspepsia and Constipation. They cure Diarrhea, Cholera and Cholera Morbus. They cure Liver Complaint and Nervous Headache. They are the best Bitters in the world. They make the weak man strong, and are exhausted nature's great restorer. They are composed of the celebrated Cassaya Bark, Cascarella Bark, Dandelion, Chamomile Flowers, Lavender Flowers, Wintergreen, Anise, Cloves-buds, Orange Peel, Snake-root, Caraway, Coriander, Burdock, &c. &c. The following is a sample of the testimony daily received: SOLDIER'S HOME, SUPERINTENDENT'S OFFICE, CINCINNATI, O., January 15, 1865. I have given your Plantation Bitters to hundreds of our noble soldiers who stop here, more or less disabled from various causes, and the effect is most marvelous and gratifying. Such a preparation as this I heartily wish in every family, in every hospital, and at hand on every battlefield. G. W. D. ANDREWS, Superintendent. WILSON'S HOTEL, CHARLESTON, S. C., June 22, 1865. GENTLEMEN: We require another supply of your Plantation Bitters, the popularity of which daily increases with the guests of our house. Respectfully, STYKES, CHADWICK & CO. CLEVELAND, Dec. 8, 1862. I had been so ill with Liver Complaint and Dyspepsia that I was compelled to abandon my business. I used three bottles of the Plantation Bitters, and to my astonishment am entirely cured. They are the best medicine I ever used, and I shall endeavor to make them known. Please inform me what S. T.—1860—X, means. Yours truly, H. B. KINGSLEY. Dr. W. A. Childs, Surgeon of the Tenth Vermont Regiment, writes: "I wish every soldier had a bottle of Plantation Bitters." They are the most effective, perfect and harmless tonic I ever used.
