MECHANICAL TINKERING cannot arrest the decomposition of the teeth. Nothing will do this but that pure disinfectant and preservative, which, under the name of "Sozodont," has become a staple of the toilet throughout the world.

THE LOVERS OF THE WEED will be pleased to learn that Mr. A. LORENTZ, of the cheap cigar store, has just received some more of his popular chewing tobacco. An early call on him will secure a supply, as Mr. Lorenz's brand is so well known and liked that it never becomes shop-worn.

SPECIAL TO THE LADIES. -At Mrs. S. J. COTCH-Err's Emporium of Fashions, No. 263 King street, can be found the largest and most choice selection of "millinery" in the city, and at the lowe st prices. Ladies buying for the country will do well to call and examine before purchasing elsewhere.

Particular attention given to country orders.

THE CHARLESTON AND SAVANNAH RAILROAD .-The sale of this property, which has been extensively advertised for some time past, will, take place at 12 M. to-day. This sale is the largest that has ever occurred in Charleston, and the property being in good con-dition, with the exception of that portion of the road destroyed during the war, it will command the attention of capitalists. The road rans through a fertile country, abounding in rice and cotton plantations, and when completed to Savannah will prove a paying enterprise. Messrs. WARDLAW & CAREW, the brokers who have charge of the sale, will dispose of the property at 12 M. precisely, to the highest bidder.
