upon whos

it is idle to suppose that the Provisional Government, the machinery, will be allowed to defeat the rery purpose for which it was created. In Independent of this view, it is a grave question how far the President, as the chief military author utions intended for publication is t be addressed to the Editor of the 18 Hayne-street, Charleston, S. C o 18 Hayne-street, Charles funications to Publisher ity of the country, would be empowered, if the Pro visional Government fuiled to act, to initiate him self the expression of the popular will. And it is very clear that the socion of the President, or of the Provisional Government of any one of the States, would seriously infinence, the action of the others. It would appear, therefore, that while the Provisional Government of the State can, if it CHARLESTON. is proper, act, it cannot prevent action. The MONDAY MORNING, MARCH 4, 1867.

me of such momentous importance that it de-serves the most careful and conscientious consider-tion, for it involves our whole future. It is a ques-The telegrams which we publish this morning will inform our readers of what they have all an-ticipated that the President has vetoed the Re-construction Bill; that in his veto he has repeated. tion not to be lightly or passionately answered, not to be decided on the impulse of sentiment, or at ne suggestions of selfishing ess, but to be met the gravest issue that has ever been subr The gravest issue that has ever been submitted to a people who are brave and have, been free, and who will not forget that before now, in the history of the world, the time has been when the truest and the most untselfah course is the been shown in meeting fairly and patiently the consequences of failure. We shall not besitist to indicate what, in our empiric is the superconverse fastion. but a not to join in the destruction of the country and the Constitution and that the necessary majori-of Congress have overruled his veto. This Act i ow the law of the land, and we of the Sonth whose lives and fortunes and character it ses, are forced to consider its provisions and our opinion, is the proper course of action; but as the president has valoed this Act, and it has be come a law, in the facent his protest, we shall wait for a faw days until we accertain how he construes lecide upon our duty. The point of first importance is to understand learly and correctly what are the provisions of the Act, and in what condition, politically, it places

for a rew cays many we accertain now to construe the powers with which it invests him, sich how he proposes to discharge the duties which, as a law of the land, it now imposes. We think it would be premature to come to any decision until this is known. After remaining in the presemble its alleged neces-sity, namely, that "no legal State governments or adogunts protection for life or property now exist in the rebel States," it proceeds to convert those States into military departments, placing those desichers and the states of th WD.

COMMERCE OF THE PORT.

The foreign and domestic exports during the month of February show an improvement over those of the first month of the current year ; and departments inder the command of Brigadier-Gene-real," who is to be appointed by the President, and whose daty it shall be to protect all persons in their rights of person and property, to suppress insurrection, disorder and violence, and to punish, or cause to be punished, all disturbers of the pub-lic peace and eriminals. To effect this the officer alth igh there has been a downward 'tende he price of cotton, yet buyers have been chee in some measure from extensive operat onsequence of the extreme stringency. of the oney market Nearly 23,000 bales of cotton have b during the past month, of which 18,494 bales hav

if he deems them necessary. So far it is clear the Act does not contemplate, and, if fairly adminis een exported to foreign, and 9429 bales to dome tered, would not seem to require an interference with that whole class of interests involved, in the From the 1st September, 1866, to the 28th Febru ray, 1867, inclusive, the total exports of cotton reach 100,641 bales, a much larger quantity than was contemplated would reach our market in the ecisions of the Courts of Law and Chancery, and f impartially executed, will as fully justify the in

terposition of the military commander in a case of an unjust decision of the Freedman's Bureau as it first six months of the commercial year, and which foreshadows an excess beyond the most liberal estimates for the whole year. would in the arroneous decree of a Distric Judge-for that officer's duty is to "protect m persons in their rights of person and property.

The import trade has also been characterized by an improvement. Several cargoes of marchan-lise from England, France and Cuba, have arrived, nah River would have been as promptly and ef-fectually settled as it could have been before its and the total value of imports smonnts to \$151,662 The bulk of these imports have been we passage. - There is nothing in what may be called the military provisions of the Bill to prevent a dis-creet and judicious officer from administering it in equence of the scarcity of gold for the payment of duties.

ment of dutaes. The stocks of our wholesale merchants and jobbers are full, varied, and well assorted, in all he interests of the whole people of the State. But here can be no doubt that the preamble, and the lines of goods, and the country trade can procure merchandise directly imported from abread, or o very enactment of this military supremacy, do en irely destroy the political existence of the State South Carolina is no longer an equal, and co-ordi stie manufacture, on reasonable term The following figures show the business tran

March 1

was committed. The University of Georgia opened at Athens on the 15th with one hundred and fity students Seventy additional pupils applied and vere ad-mitted. There were also thirty maimed Confede-rate seddiars entered at the high school of the University, who will receive their board and tur-tion free of charges from the State. The General Assembly of Virginia, which was to adjourn on Saiurday adopted a readmine on Fei-

The General Ansembly of Virginia, which was to adjourn on Saiurday, adopted a resolution on Fri-day requesting the Governor to convene the Leg-islature in critra session to day, "so as to consider matting of State concern pending in the Legisla-ture and unfinished, as others that are impending over us but which are under the control and will of the ruling power at Washington." The Bichmond papers endorse the action of the Assembly. In the Senate. Thursday. Wr. Hypomytrys said

In the Senate, Thursday, Mr. HENDAIORS said Mr. VOORNEES had been engaged as the agent of In the Sen the Western distillers to secure an honest execu-tion of the revenue laws, and to devise means fo putting a stop to the abuses under which lignor was sold for less money than the amonth of the fax imposed upon it. It was on this business that he travelled in the South recently. He was in no way employed by the Treasury Department. The Wilmington Journal, of yesterday, says:

"Mrs. Jarraneo Davis passed through this did on Frillsy evening last, accompanied only by a ser-vant, en route for Charleston. She was met at the Valle, es foute un constitution, che was met at the depot by the Hon. Geo. DAVES and lady, Mrs. J. E. OARLEY, President of the Ladies' Memorial Asso-ciation of this city, and Hon. A. H. VARBORKERS.

ciation of this city, and Hon. A. H. VANBORNELSS. We are pleased to learn that this emiment lady is enjoying good health, although, inturally enough, depressed in spirits on account of the troubles by which also is spiritundal." The correspondence of King Geomes the Third with Lord Numra has just been published in Lon-don. It may please Americans to be informed that their obstinate and bigoted enemy did not know how to spil, and that some of his errors are as aminsing as those of Theorema's Mr. Tellowplush." amusing as those of TRADERATE Mr. Yellowidush In one case he speaks of an offence as of "the blackes dis." Afterwards he announces the "the blackest die." Afterwards he announces the de the dys is easy." Other specimens of his spelling are these: touten, saddopt, aleviste, shaddow, and airrounds. With all his horror of innovation, he still spelled it with a single n A writer in the Alexado Monkly, for January, says: "The design of the Takhonshie church-bulker of the present moment is to produce

1. "The design of the flabhiouspie church-ider of the greatent moment is to produce a lay deputited, quiedy-adorned, dimly illumi-ed ecclesization patter, in which a few fundred iss and greatlemen, stifted in kindtled tests. ladies and sentien es and goutement, stured in amonet tasto, y sit perfordly at their case and are no object in harmony with the scene around them, sything in and around the guirch seems to claim it a kind of exclusive occlesinstinal club, dgned for the accommodation of persons of ten supand dollars s year and upwards."
