WE HAVE BEEN REQUESTED by Mr. J. N. THE COURT OF EQUITY.—CHANCELLOR CARROLL PRESIDING.—The Court convened at the usual hour, and the case of Creasy vs. Bradwell was taken up. The pleadings were read, and W. G. DeSaussure, Esq., was heard for the complainant. Hon. Henry Buist and T. Y. Simons, Esq., replying for the defendant.

MAYOR'S COURT.—The slaughter of the innocents has produced a beneficial result, and the attendance at the court yesterday morning was comparatively slim.

ELIZA, a colored female, who had a fondness for sweet things, insinuated a stick into the bung-hole of a sugar hogshead on Accommodation wharf, and was complainingly sucking the same when interrupted by the police.

Two juvenile colored pugilists, who had probably read poetry and were endeavoring to emulate Rodney Dhu and Fiz James, were unseasonably interrupted before the contest was decided.

Three mariners, who went "down to the sea in ships," and then got half seas over on land, were picked up in a wrecked condition.

CITY FINANCES.—IMPORTANT TO TAX-PAYERS.—The recent change in the Mayorality caused a slight depression in city stock, but the rigorous policy pursued by the present incumbent, and his evident intention to better the municipal finances, created a healthy reaction, and city securities are now daily appreciating.

MAYOR COGSWELL is determined to keep the wheels of the city government in motion, and he knows that the only motive power is greenbacks. Taxes are due the city, and they must be paid, or the defaulters will suffer.

The Nominating Convention.

A DARK LANTERN PARTY—THE CLOSED DOORS—NEWSPAPERS—THEY SET WITH CLOSED DOORS—"THE LIBERTY OF THE PRESS" ILLUSTRATED—GENERAL R. E. SCOTT THE NEXT GOVERNOR—LIVELY TIMES AHEAD.

Agreeably to the call of the State Central Committee, the delegates to a convention for the purpose of nominating State officers assembled immediately after the adjournment of the "Constitutional Convention," B. F. Whittemore in the chair by virtue of his office as Chairman of the State Central Committee.

On motion of L. S. Langley, J. J. Wright was chosen President pro tem.

W. J. McKinlay was appointed temporary Secretary.

On taking the chair J. J. Wright (colored), of Beaufort, made a short address explanatory of the object of the convention, and expressive of the hope that the body would act prudently, wisely, and well, because upon their action depended the future success and stability of the party.

W. J. McKinlay, of Orangeburg (colored), then moved that the hall be cleared of all spectators, and no one be allowed on the floor except delegates to the Constitutional Convention.

F. L. Cardozo sustained the motion, and it being agreed to, the reporters were compelled to vacate the premises. So that our readers and the people generally will be debarred from the knowledge of things said and done in this Secret Star Chamber, until matters have been cut and dried into presentable shape.

It is the first time in the political history of any State in the Union that a body which claims to owe its existence to the people themselves have dared to shut their doors and hide from public observation and criticism.

P. S.—MIDNIGHT.—The latest information we have from the Nominating Convention is that the permanent organization is as follows: President, W. J. Whipper (colored), of Beaufort; Secretaries, J. H. Rainey (colored), of Georgetown, and J. K. Jilison (white), of Kershaw.

A heavy fight took place on the admission of the Orangeburg delegation. The delegates from that district claimed the place of honor, but after much discussion and hulloalooing, the old regime was crowded out, and the new admitted.

The convention proceeded to ballot for Governor. The first was informal, and resulted as follows: For General R. E. Scott, 61; for T. J. Robertson, 54.

Speeches were made pro and con, and the second ballot caught the scattering votes as follows: Scott, 68; Robertson, 51.

More filibustering—another ballot—result a nice score for Dr. Neagle, of York, and the withdrawal of the name of T. J. Robertson.

General Scott was therefore nominated by acclamation.

The convention next proceeded to consider the claims of candidates for Lieutenant-Governor. The name of J. J. Wright (colored) was circulated extensively, but, as we go to press, the understanding is that Lemuel Boozer, of Lexington, is the favorite nominee. Judge Boozer is an old member of the legislature, familiar with parliamentary law, and more than any man in the convention fitted for the position.

ON THE STREET. Until long after midnight, the excitement connected with the nominations was unabated. Grave citizens and "men about town" considered the occasion of sufficient importance to keep them out of their beds, and until a late hour curiosity was rampant to learn the names of candidates for whom the suffrages of the "unwashed" are expected.

Friends of the several nominees vibrated with industrious pertinacity between the Club House and the neighboring gas lights; and the interest exhibited in the result found shape in promises, predictions, bets, and "drinks all round."

REGULAR MEETING OF CITY COUNCIL.—Mayor Cogswell not appearing, and a full quorum of Aldermen being present, Alderman Courtney moved that Alderman Ravenel take the Chair, and Council proceed to business.

Present—Aldermen Ravenel, Gerdis, Small, O'Neill, Steinmeyer, Olney, Oakes, Honour, Marshall, Enston, Whilden, Butler, Courtney, and Pringle.

Sundry applications for licenses were read and referred to the Committee on Licenses.

THE petition of Mr. Joseph Hilton, Foreman of Hook and Ladder Company No. 15, was read. This petition stated that the house at present occupied by the company was entirely unfit for the purposes intended, as being small and out of order. It was also stated that the company could secure a suitable house at No. 159 Market-street. The petition was signed and approved by M. H. Nathan, and was referred to the Special Committee on the Fire Department.

THE petition of Mr. P. Brady and others to have a well at the corner of Line and President streets cleaned. Referred to the Committee on Streets.

THE petition of Caroline Mertens to complete repairs of her house in Coming-street was referred to the Committee on Streets.

THE petition of Engine Company No. 6, colored, asking to be admitted in the Fire Department, and be allowed the use of the house formerly occupied by Company No. 4, at the corner of Washington and Inspection streets, was referred to the Board of Fire Masters.

Sundry bills from the Orphan House, Gas Company and others were referred to the Committee on Accounts.

THE return of the City Sheriff for February, showing a receipt of \$8015.06; and the return of the Harbor Master for February of \$614.14, were received as information.

THE petition of Lieutenant Hendricks, of the Detective force, to be allowed to cut a window in the east wall of his office, was referred to the Committee on Public Buildings.

THE Committee on City Lands made a report recommending that the City Treasurer be authorized and instructed to employ a competent collector to take charge of the houses which became the property of the city under tax sales, and lease them to good tenants, paying the rents into the City Treasury which collected. Adopted.

THE same committee made a report recommending an extension of the lease on the lumber pond at the west end of Broad-street, to Mr. E. W. Brodie, for a further term of two years. Adopted.

THE Committee on Accounts made a favorable report upon sundry accounts. Adopted. The Committee on Assessments made the following report on the resolution adopted on the 18th ult., as to the reports in circulation that there was a large quantity of real estate in the city not on the tax books:

That they are of opinion that the rumors were unfounded, except so far as the property owned by the several railroad companies and religious and charitable societies. The latter are exempt by an ordinance ratified June 29th, 1858. As to the cause of exemption of railroad property, they will confer with the City Attorney and report to Council at a future meeting.

Alderman Ravenel gave notice of a bill to prevent and punish any indecent exposure or improper conduct, and asked that it be considered its first reading.

On motion Council then adjourned. Mayor Cogswell was under the impression that Council met at 7 o'clock, and did not go to his office until that hour.
