#### RADWAY'S READY RELIEF.

This remedy accomplished this wonderful and de-lightful desideratum in all cases of external and in-ternal pain. In an instant it sforded relief, the moment it was applied to the parts of the body where inflammation or pain existed—it at once re-lieved the patient of the most violent and excrucisi-ing pange and throbs of pain, and imparted the de-lightful sensation of ease and comfort.

# Every kind of pain, whether Rheumatism, Neu-algia, Toothache, Pairs in the Chest, Side, Lunge, stomach, Bowels, Kidneys, Spine, Lege, Arms, Feet, me application was sufficient to kill and extern inate her as in

one spplication was sufficient to kill and extern inale the pain. Taken internally, twenty drops to a teaspoonful would cure, and will cure, Asiatic Cholera, Fever and Ague, Chills and Fever, Bilious Colic, Inflam-mation of the Bowels, Cramps, Spasms, Diarrhoza, Dysentery, and every pain that may exist in the in-side of man, woman or child; this was RADWAY'S READY RELIEF of 1847, and it is RADWAY'S RE-LIEF, greatly improved, in 1868. We then started it in its mission of relieving the infirm, pain-stricken, sick, distressed and crippled of all nations throughout the world, and now to-day it is used, patronized and revered as a household necessity, in the palaces of Sultans, Emperors, Kaimos, Kings, High Priests, Nobles, as well as in the cottages of the laboring classes of every nation on the face of the earth. he pain.

CONGESTION OF THE LUNGS CURED IN THIRTY MINUTES! Important to Know how to Use "Rad-

way's Ready Relief" in Acute and Dangerous Attacks!

MY OWN CASE.

HI OWN CASE. On Saturday night, the 19th, I was violently seized with Congestion of the Lungs. For a few days pre-vious I feit a dull pain over my left lung, with occasional coughs, but being actively engaged, paid no attention to it. When seized, the pain was so piercing, cutting and excruciating, that every breach drawn was like a red bot mite cutting my lung. Be-ing absent it om home, I sent out for three bottles of RADWAY'S RELIEF, applied the entire lot to my lunge, back, shoulders, &c., and in a few moments got up counter-irritation. Respirations were easy, and, as the akin becare reddened, all pain ceased. In half an hour I was free from pain, and all signs of Congetion, Infin-inmation, &c., gone. This is an important cure. It is well that every one should how how to use this remedy in severe statcks. The same rule holds good in cases of Infianmation of the Loins, Bowels, Kidneys and Stomach. Apply the RELIEF freely souk the skin withit. It will instantly secure the withdrawal of the infianmation or the surface, and persons now with it. Status DERONIC INFLAMMATION.

CHRONIC INFLAMMATION.

In cases where inflammation has existed for a length of time, in addition to the BELIEF, take six of RADWAT'S FILLS. Powder them. In half an hour, in most cases, they will operate. If not, re-peat the dose. In one or two hours at the furthest they will operate, and the patient soon get well. In Bilious, Typhold, Fever and Ague, this treatment is sure to cure. Let it be tried. JOHN RADWAT, M. D.
