NEWSSUMMARY.

-Gold closed in New York yesterday, at 40}. -The New York cotton market closed a hald one cent better; sales 8000, bales, at 30a80 At Liverpool the evening dispatch quot

ands at 111d., and Orleans 111d. per pound. -Susan P. Anthony will certainly present Conversion.

-It is said that Queen Victoria will travel in seriand, and the Empress Eugenia in Norway this sommer.

-It is reported from Paris that Lamartine a lost his mental faculties, and that his death is daily expected.

-William B. Hunst, of the firm of Hurst & Co., died in Baltimore on Sunday. He was one of the most prominent dry goods merhants of that city

It is said that a siziy-four gun man-of-war is now on the stocks of a private yard in New York, being built for the Spanish Government, to be used in the war against Peru and Chili.

A drawing of one of the proposed schemes for bridging the English char ion in London. It involves the construction of thirty-six pillars in the ses, at distances of half a mile, to tower one hundred feet above

Er-Governor Joe Brown, of Georgia, has d by the military authorities to secure the case of the prisoners arrested on suspicion of having participated in the murder of G. W. Ashburn, at Columbus, in that State, on the 20th of March last.

-The first colored man to own stock as an original su becriber in a Georgia manufacturing company is Ned Woodruff, a well known able negro of Macon, who is one of otors of the "Findlay Manufacturing the pro mpany" of that city.

renders at discretion.

him as a sinking ship, is indicative of a de-

gree of unpopularity which we did not sus-

pect. Had the political homilies of the

World held water, the capitalists and

hankers of New York interested in the our

rency question, of which Mr. CHASE is un

march to victory.

It is understood that the Mexican Gov at will repudiate the French debt, and all ag out of the intervention. At the me time the Minister of the Treasury, in a unication to Congress, recommands the ni of the English debt. The English debt, some of it at least, was contracted in 1825, or near about that time.

-The Young Men's Christian As ates and Canada will hold its nal convention at Datroit, Michigan, on June 24. Extensive preparations for the reception of the delegates have been made. tives from four hundred associain all thinky th bers, are expected.

-A very old and dogmatical "fogy," who thes to the New York Times, dates from "The ches." and signs himself "Veteran Observer," declares that "there is no law or authority mb officer to pay the bonds in any government officer to pay the bonds (United States) in merchandise;" and pro-

forced by the abnormal condition of affairs mbracing the Boman letters most convenient, with points, spaces and quads, then the caps and the italics. The boxes containing the He says in his letter : "While, by its consti "tution, our country claims to be a free re ected, by wires and keys, public, resting upon the consent of all the with the lower or deak portion of the instruwhole people, no voluntary act of mine ment, where the keys are arranged and manip-"shall appear to admit that it is not oneulated like the keys of s plano, upon which "and it would be apparent, should I now are noted each letter, point, space or quad which the operator needs. The key of the let-"be selected 'rom among my peers for the "trust in question, that one strong point ter desired is touched, and quickly it is brought to the face of the instrument, when it-falls into the stick. This operation is very quickly governing the choice is my mere ability to freely take an abominable test-oath which performed, the power of the instrument being disgraces the proposed constitution of the supposed to equal the capacity of six composed State, rendering ineligible large numbers

andes that to pay the bonds in gold would lawfull

-The Louisiana Supreme Court has decided mor has the right to vote in the s of the New Orleans, Jackson and Northern Railroad Company on the six'y and shares owned by the State; and the or of New Orleans on the eighty thousand res hold by the eify. This puts the com-y substantially under the control of the State and city, as the Governor is empowered by the charter to appoint three directors in adion to those elected.

-The Cincinnati Chamber of Commerce, af-ter listening to addresses from a Mobile dele-gation on the subject, unanimously adopted a on cordially recommending the insugu ration of measures for a speedy opening of the Bayon Manchao passage from the Mississipp to the Guif. The Louisville Board of Trade, after a similar hearing, passed a non-committal resolution in favor of all efforts to extend the trade of the Southwest, if practicable. Even to this Inkewarm approval there was some op-

-At a sale of engravings in London, las b, a magnificent impression of Rem-it's stohing, "Christ Healing the Sick in Temple," known to connoisseurs as the undred Guilder Piece," was purchased for the enormous sum of £1100, or \$5500 in gold. It is probably the finest impression extant. Another copy of the same stohing brought 1270, and a third £150. A proof before the letters by Raphael Morghan of Leonardo da Vin ci's "Last Supper," brought £250. Two days' sales brought nearly £3600.

-The New York Directory for 1868-69 contains 185,751 names, an increase of 8434 over the number in the edition for last year. New York contains 1760 Smiths, 160 of whom are "John Smiths." The churches, 324 in number, are divided as follows: Baptist, 31; Congregationalist, 7; Dutch Reformed, 17; Frien Jewish Synagogues, 27; Lutheran, 18; Metho dist, 43; African Methodist, 4; Presby erian 43; United Presbyterian, 7; Reformed Presby-terian, 5; Episcopal, 64; Catholic, 59; Unitarist, 9; and 18 miso an, 8; Univers Two hundred and seven publications are re-gularly issued, of which eighteen are dailies.

-A convention of Israelites is to meet in New York on June 21st, to confer upon the practicability of causing a general observance of their Sabbath. The Messenger says "There exists no reason, of which we are aware, for Israelites to decline complying with the natural and biblical law. There can be no enstruction of the direct scriptural con mand. We should be proud and grateful for the sight of synagogues crowded Friday even mgs and Sabbath with earnest worshippers who do not begrudge the hours spent in pub he service, and who propose spending the day s their forefathers did-in the home circle, enjoying the bliss and screnity of family rens which, in times past, served so success fully to keep ever active and vigorous the beautiful Jewish life, the theme of poets, the gra teful recollection of many a Hebrew, now a

stranger to his people and his religion." -A Mr. T. G. Foster, of Wake County, North Carolina has invented a type-setting m ahine The Raleigh Sentinel thus describes it : "The front of the instrument resembles a writing deak, without the inclined plane, with the doors to the pigeon-holes closed. The type used by the operators are all arranged, as it were, in the pigeon-holes concealed from view, He declines because he thinks the choice
