ITS POWERFUL CURATIVE ASSOCIATES

PREPARED UNDER A NEWLY DISCOVERED PROCESS FOR EXTRACTING THE CURATIVE PROPERTIES

> TERS INTO THE COMPOSITION OF DR. RADWAY'S

FROM VEGETABLE SUBSTANCES. EN-

RENOVATING

RESOLVENT

A NEW PRINCIPLE DISCOVERED.

One Bottle of Resolvent is Better Than Ten Large Bottles of the Advertised Sarsaparillas, or Direct Diurctic Rem

PHTSICIANS wonder at the extraordinary power of RADWAY'S RENOVATING RESOLVENT in curing RADWAY'S RENOVATING RESOLVENT in curing the worst forms of Scrofulous, Syphiloid, Chronic Skin Diseases, and its marvelous power in resolving calculous concretions, affording immediate relief and consequent cure of Diseases of the Kidney, Bladder, Liver, Lungs, Pancreas, Spleen. Its rapid influence in the cure of Disbetes, Incontinence or scanty, turbid, albuminous, cloudy urine; its almost instant efficacy in stopping itching and painful discharge of urine, and its singular power in curing discharges from the Uterus and Urcthra, Lucor-hea, Bloody Urine, and o'ber unhealthy and weakening discharges;—and inquire wherein the SARSAPARILLIAN used in the Renovating Resolvent differs from ordinary Saraparillas! Sars/parillan is the only principle in Sarsaparilla that possesses curative properties; all other parts of the root are inert and useless. One ounce of the extract obtained under Dr. Radway's new process for extracting the curative properties from vegetable substances, contains more of the true principle of cure than twenty pounds of the ordinary roots.

properties from vegetable substances, contains more of the true principle of cure than twenty pounds of the ordinary roots.

SARSAPARILLIAN is only one of the ingredients that forms this truly wonderful medicine: and it is the only compensating remedy that communicates its purifying, cleansing and reinvigorating properties through the BLOOD, SWEAT. URINE, and other secretions, securing a Larmonious functional action of every depraved organ and gland in the system. If the blood is corrupt, the Resolvent will make it pure. If the Lungs are ulcerated and sore, secreting thick phlogm and prureleut matter, the Resolvent will closen this deposit and repair the wasting lung with sound and healthy material. If the Skin is covered with pimples, spots, pustulee, sores, ulcers, &c., the Resolvent will quickly remove these annoyances. If mercury is deposited in the bones and has accumulated in the system, the Resolvent will drive it out. If the Tbroat or Bronchial Glands are ulcerated, the Resolvent will cure these signs of an early waste. Direct renedies, possessing only exclusive properties, are huntful, as they increase the functional secretions of one organ by suspending the constituent secretions of others; hence, a compensating remedy like the Resolvent is the only means of a permanent cure.

the only means of a permanent cure.

BEAR IN MIND THAT EVERY DROP OF BLOOD impregnated with the Resolvent and absorbed to supply the waste of the cody, will make pure, sound and healthy flesh and fibro. The first dose that is taken commences its work of purification and in-creasing the oppetite and flesh.

A GREAT SENSATION !- A GOOD SENSA-TION!

PAIN CURED IN AN INSTANT!

In 1847 the great grand principle of stopping the most excruciating pain in an instant, without employing such dangerous agents as Chloroform, Opium, Morphine, Acontine, Ether, &c., was first COUNTENANCE. CURES FEVER AND CRE-

RADWAY'S READY RELIEF. This remedy accomplished this wonderful and de-lightful desideratum in all cases of external and in-ternal pain. In an instant it afforded relief, the moment it was applied to the parts of the body where inflammation or pain existed—it at once re-lieved the patient of the most violent and excruciat-ing pangs and throbs of pain, and imparted the de-lightful sensation of case and comfort.

Every kind of pain, whether Rheumatism, Neu-ralgia, Toothache, Paus in the Chest, Side, Lungs, Stomach, Bowels, Kidneys, Spine, Legs, Arms, Feet, me application was sufficient to kill and extera inate the pain.

one application was sumicent to kind exters made the pain.

Taken internally, twenty drops to a teaspoonful would cure, and will cure, Asiatic Cholera, Fever and Ague, Chills and Fever, Bilious Cohe, Inflammation of the Bowels, Cramps, Spasms, Diarrhea, Dysentery, and every pain that may exist in the inside of man, woman or child: this was RADWAY'S READY RELITEF of 1847, and it is RADWAY'S RELITEF, greatly improved, in 1868.

We then started it in its unission of relieving the infirm, pain-stricken, sick, distressed and crippled of all nations throughout the world, and now to-day it is used, patronized and revered as a household necessity, in the palaces of Sultans, Emperors, Kain os, Kings, High Priests, Nobles, as well as in the cottages of the laboring classes of every nation in the face of the earth.

CONGESTION OF THE LUNGS CURED IN THIRTY MINUTES!

Important to Know how to Use "Radway's Ready Relief" in Acute and Dangerous Attacks!

MY OWN CASE.

On Saturday night, the 19th, I was violently seized with Congestion of the Lungs. For a few days previous I left a dull pain over my left lung, with occasional coughs, but being actively engaged, paid no attention to it. When scized, the pain was so piercing, cutting and excruciating, that every breath drawn was like a red hot knite cutting my lung. Being absent from home, I sent out for three bottles of RADWAY'S RELIEF, applied the entire lot to my lungs, back, shoulders, &c., and in a few moments got up counter-irritation. Respirations were easy, and, as the skin became reddened, all pain ceased. In half an hour I was free from pain, and all signs of Congestion, Infl. minition, &c., gone. This is an important cure. It is well that every one should know how to use this remedy in severe attacks. The same rule holds good in cases of Inflammation of the Loins, Bowels, Kidneys and Stomach. Apply the RELIEF freely; soak the skin with it. It will instantly secure the withdrawal of the inflammation to the surface, and persons now suffering may, in Thirty Minutes, be free from pain.

CHRONIC INFLAMMATICN. CHRONIC INFLAMMATION.

CHRONIC INFLAMMATION.

In cases where inflammation has existed for a length of time, in addition to the RELIEF, take six of RADWAY's PILLS. Powder them. In half an hour, in most cases, they will operate. If not, repeat the dose. In one or two hours at the furthest they will operate, and the patient soon get well. In Bilious, Typhoid, Fever and Ague, this treatment is sure to cure. Let it be tried.
