The Charleston Money Market.

THURSDAY, December 3, 1868. The tone of the stock market is still buoyant, and prices yesterday show a further and marked advance. Banks bills are decidedly better, and there is some inquiry for South Carolina Railroad securities, but the great change is in the quotations for City and State securities. Charleston City stock is held at 50 and 51, State bonds (old) are in demand at 65, and Bills Receivable are quoted as high as 90. Money is growing easy, and the prospect in finan-

cial circles is decidedly bright and cheering.

SARSAPARILLIAN

ITS POWERFUL CURATIVE ASSOCIATES

PREPARED UNDER A NEWLY DISCOVERED PROCESS FOR EXTRACTING THE CURATIVE PROPERTIES FROM VEGETABLE SUBSTANCES, EN-

TERS INTO THE COMPOSITION OF

DR. RADWAY'S RENOVATING

RESOLVENT

A NEW PRINCIPLE DISCOVERED

One Bottle of Resolvent is Better Than

Ten Large Bottles of the Advertised Sarsaparillas, or Direct Dimetic Rem-

Physicians wonder at the extraordinary power of RADWAY'S REMOVATING RESOLVENT in curing the worst forms of Scrofulous, Syphiloid, Chronic Skin Diseases, and its marvelous power in resolving calculous concretions, affording immediate rolled and consequent cure of Diseases of the Kidnoy, Bladder, Liver, Lungs, Pancreas, Spieen. Its ramd influence in the cure of Diseases of the Kidnoy, Bladder, Liver, Lungs, Pancreas, Spieen. Its ramd influence in the cure of Diseases of the Kidnoy, Bladder, Liver, Lungs, Pancreas, Spieen. Its ramd discharges in the ping itshing and painful discharge of urine, and its singular power in curing discharges from the Uterus and Urethra, Leucerthea, Bloody Urine, and other unhealthy and weakening discharges;—and inquire wherein the SARSAPARTI. LIAN used in the Renovating Resolvent differs from ordinary Saraparillas 1' Sarsiparilitan is the only principle in Sarasparilla that poesesses curative properties; all other parts of the root are inert and useless. One ounce of the extract obtained under Dr. Radway's new process for extracting the curative properties from vegetable substances, contains more of the true principle of cure than twenty pounds of the ordinary roots.

SARAPARHILLIAN is subuses of the ingredients.

of the true principle of cure than twenty pounds of the ordinary roots.

SARSAPARILIAN is only one of the ingredients that forms this truly wonderful medicine; and it is the only compensating remedy that communicates its purifying, cleansing and reinvigorating properties through the BLOOD, SWEAT, URINE, and other secretions, securing a harmonious functional action of every depraved organ and gland in the system. If the blood is corrupt, the Resolvent will make it pure. If the Lungs are ulcerated and sore, secreting thick phiegm and prurelest matter, the Resolvent will loosen this deposit and repair the wasting lung with sound and healthy material. If the skin is covered with pimples, spots, pustulee, sores, ulcers, &c., the Resolvent will quickly remove these annoyances. If mercury is deposited in the bonos and has accumulated in the system, the Resolvent will drive it out. If the Throat or Bronchial Glands are ulcerated, the Resolvent will cure these signs of an early waste. Direct remedies, possessing only exclusive properties, are huriful, as they increase the functional secretions of one organ by suspending the constituent secretions of others; hence, a compensating remedy like the Resolvent is the only means of a permanent cure.

BEAR IN MIND THAT EVERY DROF OF BLOOD impregnated with the Resolvent and absorbed to supply the waste of the body, will make pure, sound and healthy fiesh and fibre. The first dose that is taken commences its work of purification and increasing the appetus and flesh.

A GREAT SENSATION !- A GOOD SENSA-TION !

PAIN CURED IN AN INSTANT!

In 1847 the great grand principle of stopping the most exerusiating pain in an instant, without employing such dangerous agents as Chloroform, Opium, Morphine, Acontine, Ether, &c., was first made known in

RADWAY'S READY RELIEF.

This remedy accomplished this wonderful and delightful desideratum in all cases of external and internal pain. In an inselant it afforded relief, the moment it was applied to the parts of the body where inflammation or pain existed—it at once relieved the patient of the most violent and excruciating pangs and throbs or pain, and imparted the delightful sensation of ease and comfort.

Every kind of pate, whether Rhoumansm, Neuliveterate chronic affections, which have resisted the treatment of all medication.

Bilious Code, Inflammation of the Bowels, Cramps, Spasms, Diarrheea, Dysentery, and every pain that may exist in the installed of man, woman or child; this was RADWAY'S READY RELIEF of 1847, and it is RADWAY'S READY RELIEF, greatly improved, in 1868.

We then started it in 18 mission of relieving the infirm, pain-stricken, sick, distressed and crippled of all nations throughout the world, and now to-day it is used, patronized and revered as a household now the stream of the cortificates of the laboring classes of every nation in the face of the earth.

CONGESTION OF THE LUNGS CURED IN 4 THIRTY MINUTES!

Important to Know how to Use "Rad. way's Ready Relief" in Acute and Dangerous Attacks!

MY OWN CASE.

MY OWN CASE.

On Saturday night, the 19th, I was violently seized with Congestion of the Lungs. For a few days previous I felt a dull pain over tay left lung, with occasional coughs, but being actively engaged, paid no attention to it. When seized, the pain was so pierceing, cutting and excruciating, that every breath drawn was like a red hot knite cutting my lung. Being absent from home, I sent out for three bottles of RADWAY'S RELIEF, applied the entire lot to my lungs, back, shoulders, &c., and in a few moments got up counter-irritation. Respirations were easy, and, as the skin became reddened, all pair ceased. In half an hour I was free from pain, and all signs of Congestion, Infl. mmatien, &c., gone. This is an important cure. It is well that every one should know how to use this remedy in severe attacks. The same rule holds good in cases of Inflammation of the Loins, Bowels, Kidneys and Stomach. Apply the RELILEF freely; soak the skin with it. It will instantly secure the withdrawal of the inflammation to the surface, and persons now suffering may, in to the surface, and persons now suffering may, in THIRTY MINUTES, be free from pain.

CBRONIC INFLAMMATION. In cases where inflammation has existed for a length of time, in addition to the RELIEF, take six of RADWAT'S FILLS. Powder them. In half an hour, in most cases, they will operate. If not, repeat the dose. In one or two hours at the furthest they will operate, and the patient soon get well. In Bilious, Typhoid, Fever and Ague, this treatment is sure to cure. Let it be tried.
