Largest Circulation.—THE DAILY NEWS BEING THE NEWSPAPER OFFICIALLY RECOGNIZED AS HAVING THE LARGEST CIRCULATION IN THE CITY OF CHARLESTON, PUBLISHES THE LIST OF LETTERS REMAINING IN THE POSTOFFICE AT THE END OF EACH WEEK, ACCORDING TO THE PROVISIONS OF THE NEW POSTOFFICE LAW.

LOCAL MATTERS.

AUCTION SALES THIS DAY. WILLIAM MCKAY will sell, at 10 o'clock, at No. 114 East Bay, two hundred barrels Irish potatoes.

CHEAP PRINTING.—Business men will do well to inquire at THE NEWS office the prices for doing job work before giving their orders elsewhere.

THE FREEDMAN'S SAVINGS BANK, we learn, has purchased the brick building on Broad-street, which is now occupied by its office, for \$5500 cash.

THE MARINER'S CHURCH.—There will be services in the Mariner's Church, Church-street, tomorrow, Sunday, at half-past ten o'clock in the morning, and four o'clock in the afternoon.

FRUIT THEIF.—John Bright, colored, was before the Mayor yesterday morning on the charge of stealing fruit from the store of Joseph Walter, corner of Line and St. Philip streets.

SLEIGHT OF HAND.—Yesterday a case of pocket-picking occurred on Broad-street. The amount lost was not large. The fact that the light-fingered gentry are around should put the officers of the law on the alert.

THE WHITMAN SPECTACULAR AND OPERA BOUFFE COMPANY, with their recognized corps de ballet, will arrive to-day and open at the theatre to-morrow, Sunday, at half-past ten o'clock in the morning, and four o'clock in the afternoon.

THE UNITED STATES COURT, APRIL 16.—HON. GEO. S. BRYAN, PRESIDING.—John G. Mackey was finally discharged in bankruptcy, and also Henry E. Bennett. Grantee of real estate, hearing petitions for final discharge, &c., was all the business transacted yesterday.

TABLEAUX AND PANTOMIMES.—We have received from C. C. Bigger, news dealer, King-street, "The Book of Tableaux and Shadow Pantomimes," published by Dick & Fitzgerald, of New York. It contains a choice collection of tableaux of every kind, with directions for arranging the stage, continuing the characters and forming appropriate groups.

A BATCH OF ROUVES.—There is at the Guard-house a batch of photographs of prominent persons many of whom are now "on the wire," perhaps for the South. They are labelled guilty of every description of crime, from the confidence game to the burglar, and have some marvellous in their number. The photographs came from an officer in New York, and are sent to Captain Kendrick for his information.

FROST IN FLORIDA.—A letter dated Lake City, Florida, April 13 received by one of our prominent cotton actors, says: "We have had strongly cold weather since this month came in, and corn will hardly get ten days' start, the same may be said of cotton that was up. To-day I have been told by a number of residents of the county, who are here attending court, that much of the cotton that came up is dead, and being dying. A gloomy feeling prevails through the county."

FOREIGN CLEARANCE.—Messrs. R. Mure & Co. cleared yesterday another of their English steam line, the British steaming Camilla, Captain Peace, for Liverpool, having on board a cargo of 194 bags of sea island cotton, 1579 bales of upland cotton, 15 bales of tobacco, 510 bags of South Carolina ground peas, &c. We are pleased to notice among the cargo of this vessel a shipment of South Carolina ground phosphates, which article is now not only going forward to all our Northern cities, but considerable shipments are constantly taking place to Liverpool.

CLUBS AND STAYS.—Proceedings of the Mayor's Court.—The Mayor's Court, presided by Richard Gillespie, white, vagrancy and being under the influence of liquor. Ordered to be sent to Augusta, Georgia.

Charles H. Kerrigan, white, reported for selling liquor at his barroom, East Bay, without a license. Fined \$100—\$75 remitted.

James Williams, colored, arrested for using profane language on the streets, and disturbing the public peace. Fined \$10.

Morris Pepper, colored, who had been lodged during the night, was sent to the Old Folks' Home.

A number of goats were taken up on the streets and forfeited.

SPRING-STREET METHODIST CHURCH.—This church, corner of Coming and Spring streets, built a few years before the war, was in a prosperous condition, and bidding fair to become more so, when, upon the occupation of the city by the United States troops, the edifice came into the possession of the representatives of the Northern Methodist Church, who kept it for several years, and finally only vacated it, when paid to do so by the best fee-owners—the present congregation. The church has ever since been badly out of repair. The members being too poor to undertake the task, it was pastor, Rev. J. B. Pickett, is now sending out circulars to the benevolent in our city, asking for help. The cause is worthy, and we hope will meet with all the support it deserves.

Mrs. O'Donovan Rossa.—This young and accomplished lady proposes to give a reading in our city on some evening next week, of articles of her own composition, and from the most popular authors of the age. She is the wife of Mr. O'Donovan Rossa, a distinguished Irishman, who became a citizen of the United States and afterwards returned to his native country and established a newspaper in Dublin in 1865, the revolutionary tendencies of which made it a constant object of suspicion to the British Government. At last a sudden descent was made upon the establishment by the police, and the entire editorial staff arrested and imprisoned. Rossa was in prison until the end of the year, and was finally tried by a mixed jury because he was an American citizen, and found guilty and sentenced to imprisonment for life at Chatham, England, where his wife is not allowed to communicate with him, and she has not heard from him for about two years. Mrs. Rossa is laboring to support her family and to raise means to secure a new trial, which she hopes to obtain before the House of Lords. The informality of his trial, and the cruel harshness of his sentence, have encouraged his wife, who is thoroughly devoted to him, to make an effort to obtain a new trial by means of a writ of error, which will bring the matter before the House of Lords. She is womanly, unassuming, and entirely free from stage art, and a lady in language and bearing. We trust her reception here will be an earnest of the substantial sympathy of Charleston for her distress.

PERSONAL.—The Augusta Chronicle of yesterday says: Mrs. Sprague, wife of the well known Rhode Island senator, and better known cotton manufacturer—for Sprague's prints will be worn where Sprague's speech will never find a reader—and daughter of Salmon P. Chase, Chief Justice of the United States, was in this city yesterday, accompanied by her sister, Miss Chase, and Mr. J. G. Derby, the New York publisher. She has taken and furnished a house in Aiken, where she intends to remain until the first of next June.

Senator Sprague and Chief Justice Chase will arrive in Aiken in about two weeks' time.

Senators Norton, of Wisconsin, and his wife, are expected in Aiken sometime during the next week. The Northern papers tell us that Mr. Thurlow Wood was driven from Aiken by the annoyances of "hardies of office seekers."

Bon. Alfred Zuy, of New York, the famous civilian prisoner of the first Manassas, is in the city, staying at the Charleston Hotel.

THE RICE TIERCE QUESTION.

Special Meeting Chamber of Commerce. There was a special meeting of the Chamber of Commerce held in the hall of the State Bank yesterday, President Mure in the chair. The object of the meeting was to take into consideration the abolition of the charge for rice tiers. The following preamble and resolutions, offered by Mr. T. Street, were adopted.

Resolved, That it is customary amongst the rice factors in this city to make a charge of \$1 00 for tiers in all sales of rice, which charge is prejudicial to the interests of the commercial community. Be it Resolved, That it is the opinion of this Chamber that the charge for rice tiers be abolished.

The following resolution was offered by F. Tupper, Esq.

Resolved, That the draft of four pounds per tierce, heretofore allowed by wharfers, be abolished, and hereafter in all sales of rice, the actual weight shall be charged the purchaser.

The resolution was referred to a committee of five, to report at the next meeting.

The Chamber accepted an invitation to send a delegate to the Commercial Convention, to be held in Memphis, Tenn., on the 18th of May.

The delegates are to be appointed by the President at his convenience.

The undersigned hereby agree that after the first of May next they will not purchase any rice on which a separate charge for packages is made.

T. TUPPER & SONS, HENRY COBURN & CO., JAMES FRASER & CO., GEO. W. WILSON & CO., JAMES CHAPMAN, H. B. W. DEWEES, W. C. GUY, STUART BROTHERS & CO., L. LEVITT & CO., J. A. ENGLISH & CO.

REPORTERS' CRUMBS.—Strawberries bring \$1 50 a quart here now.

The genial and delightful weather yesterday brought out many rosy faces, and made our Boulevard—King-street—look itself again.

The Sabbath School of the Unitarian Church expects to have a delightful day in the woods at Payne's Farm on this anniversary.

Sister Xavier arrived here yesterday after a fruitless mission to Washington.

Shrewsbury is having a brick residence put up in King-street, west side, near Queen.

The chance of St. Philip's Church is being altered and enlarged. Next Monday an election for a vestryman and a warden will take place.

The Palmetto Fire Company, of Columbia, had a meeting a couple of nights ago to arrange for the trip here. A welcome awaits them.

We learn that the Northern agents have been appointed postmaster at Bennettsville.

SUBVIVORS' ASSOCIATION.—The anniversary supper of this association took place last evening at Biberian Hall. There was a large attendance of members, and the greatest sociality and good fellowship prevailed. Among the invited guests were General R. H. Anderson, who, by his personal bravery and skillful generalship, attained the highest rank of any South Carolinian in the Confederate service. An elegant supper was provided by Tully, and of course heartily enjoyed.

Speeches were made by the President of the society, Colonel E. L. McCredy, Colonel P. C. Galliard, Rev. J. L. Ghrardine, D. D., General James Connor, Rev. Theodore G. Becker, General R. E. Anderson, Colonel C. Irvine Walker, Captain H. G. Young, Colonel R. H. Rutledge, George Bryan, Jr., Esq., Captain James M. Mulvaney, and others. The entertainment closed at too late an hour to permit of a full report, but one good thing must be recorded. In speaking of General Wade Hampton, Colonel Rutledge said that he was "the best full length portrait of South Carolina extant."

BUSINESS NOTICES. BUSINESS MEN find the American House, Boston, their most convenient stopping place. Well furnished, with passenger elevator, cafe, billiard table, forty rooms en suite, &c., this hotel maintains its high rank.

CARPENTER'S WORK.—Orders for work to be done by Warren A. Sued, the well-known colored carpenter, may be left at Amara's drug store, corner of Vanderhorst and King streets, and will receive prompt attention.

UNSUCCESSFUL ATTEMPT OF BURGLARS TO OPEN ONE OF HERRING'S BURGLAR-PROOF SAFES.—Letter of Messrs. David Dows & Co.:

New York, April 16, 1869. Herring, Parrel & Sherman, No. 251 Broadway; New York.—On the night of the 2nd ult., our store, No. 30 South-street, was entered, and a desperate attempt made by burglars upon one of our safes in our counting-room.

The key to the safe in which we kept our securities was locked inside of our fire-proof book safe, the doors of which were later cut to pieces; from this they obtained the key to the other safe and opened it. Fortunately we had one of our Burglar-Proof Bankers' Chests inside, in which our valuables were deposited. This they went to work at with a will, and evidently used up all their time and tools in vain attempts to force their way in.

The fact, however, that they knew where our key was kept told them their plans were well matured. They tried wedging the door and body of the chest, and the faithful safe bears evidence of the labor and skill devoted to the work. All was useless, and it is with great satisfaction we report that, upon opening it, we found our securities all safe, and can, therefore, cheerfully endorse the burglar-proof work recommended by you.

You will please send the new safe purchased by us to our counting-house, and take the old one to us that some other safes are still manufactured worthy of the name. DAVID DOWS & CO.

DR. O. S. PROPHITT'S FAMILY MEDICINES, CONSISTING OF HIS CELEBRATED LIVER MEDICINE, ANODYNE PAIN KILL IT, ANTI-BILIOUS PILLS, AGUE PILLS, Dysentery Cordial, Female Tonic AND PURIFYING PILLS.

THE EXCELLENT REMEDIES OF O. S. PROPHITT, M. D., need no recommendation—their well known power in removing the disease peculiar to our Southern climate, having already established for them an enviable reputation in Georgia and the adjoining States. As the majority of persons living in the South are predisposed to disease of the Liver, it is granted by all intelligent physicians that most of the pains and aches of our people are due to organic or functional derangement of that important organ. Prophitt's Liver Medicine and Anti-Bilious Pills strike directly at the root of the evil. They cure the Liver, which in nine cases out of ten, is at the bottom of the Coughs, Dyspepsia, Colic, Sick Headache, Rheumatism, Constipation, Menstrual Obstructions, &c., so common among our people. Earsache, Toothache, Acute Rheumatism, Neuralgia and bodily pains of every kind, disappear at the bottom of the Coughs, Dyspepsia, Colic, Sick Headache, Rheumatism, Constipation, Menstrual Obstructions, &c., so common among our people. PROPHITT'S PAIN KILL IT like chaff before the wind.

PROPHITT'S LIVER MEDICINE. Dr. Prophitt—Having used this medicine sufficiently long to be an invaluable remedy for dyspepsia—a disease from which the writer has suffered much for six years—and being permitted, as so common among our people, to use it, we deem it a duty we owe to the unfortunate who are afflicted with this disease, to recommend it to them. I can say that it is one of the best family medicines now on hand, which has given not only himself but several members of his family the greatest relief.

M. W. ARNOLD, Of the Georgia Conference.

DOOLY COUNTY, GA., April, 1867. This is to certify that I was confined to the house, and most of the time to my bed, and suffering the greatest agony imaginable with Rheumatism, for five months, and after trying every available remedy with no relief, I was cured with two bottles of Dr. O. S. Prophitt's Anodyne Pain Kill It, each costing fifty cents only; it relieved me almost instantly, I therefore recommend it in the highest degree to others suffering from similar disease. I can say with confidence that it is one of the best family medicines now on hand, which has given not only myself but several members of my family the greatest relief.

Covington, Ga., July 9, 1867. Dr. Prophitt—Having used your medicine for more than a year in my family, I cheerfully recommend it to all persons suffering from Liver affections, Dyspepsia or Indigestion in any form. I have ever found, and they leave no bad effects following them, as Quinine, &c. O. T. ROGERS.

SPANBOROUGH, PUTNAM COUNTY, Oct. 1, 1867. Dr. O. S. Prophitt—Dear Sir—I wish to certify that I have used your Anodyne Pain Kill It, for the last year, and I have never failed to cure the Ague in a single instance with them. They always break the chills the first day that they are given. I can recommend them as being the best medicine that I have ever found, and they leave no bad effects following them, as Quinine, &c. A. WESTBROOK.

PUTNAM COUNTY, GA., September 22, 1868. Dr. O. S. Prophitt—Sir—I have used for the last two years in my family your Liver Medicine, your Pain Kill It, and your Female Anodyne Pills. I have ever found, and they leave no bad effects following them, as Quinine, &c. O. T. ROGERS.

DR. PROPHITT'S FEMALE TONIC. This Medicine, with its associates, is a safe and certain remedy for all the diseases to which Females alone are liable. It is also an excellent preventative of Nervous Debility, or Nervous Disease in either male or female. It is a powerful Tonic, setting up a full and free circulation throughout the system.
